Parent Orientation

FALL 2017

# Welcome to Moody Bible Institute!

As a parent (and grandparent!) myself, I understand the array of emotions you may be experiencing. Entrusting your child to an educational institution—especially one located in the heart of Chicago—is not easy. All of us at Moody recognize this reality and are committed to making this transition as smooth as possible for you and your family.

We are deeply honored to have your student join the Moody family. We consider your investment in biblical education to be a sacred trust from God, deserving of our careful stewardship. We will work hard to care for your student, equipping him or her to thrive spiritually, emotionally, and academically.

As with all key life transitions, some adjustments are required. This is true for parents as well as for our students. College life in an urban setting will present new opportunities, but it also nudges us out of our comfort zone. We will help your child work through these adjustments, and I can assure you that we will do everything possible to make this transition successful. We want each experience to mature and sharpen your student for a lifetime of ministry.

Again, I say, “Welcome!” May God bless both you and your student in the years ahead.

In His service,

J. Paul Nyquist, Ph.D.  
President, Moody Bible Institute
