NOTE: If students are expecting institutional scholarships, outside scholarships, stipends, or loans to help cover their balance and **it is not awarded** by Moody's due date, they are still responsible to make payments on time for the amount due. Outside Aid and Your Payments

Students must communicate Moody's payment deadlines to any scholarship or sponsoring organization so that payment can be made in full by Moody's due date. To ensure that the amount is applied to the fall and spring semester bills by the due date, please send the check prior to August 1 for the fall semester, January 1 for the spring semester, and May 1 for the summer semester. If the scholarship funds are not received by the due date, students must make payment in full at that time. Adjustments to your bill will be made when the actual check is received. Exceptions to this can only be made if the scholarship organization requires certification after classes begin **and** they provide an award letter on their letterhead stating the amount of the scholarship award. Outside scholarships do not replace your regularly scheduled payments. They can, however, lower your overall monthly payment plan amount.

Methods of Payment

1. Students may make payments online through the my.moody.edu student portal by debit/credit card. (Discover, MasterCard, and Visa are accepted.)

Others* making payments towards a student's bill may make payments online with a debit/credit card at [Non-Student Payment](#). (Discover, MasterCard, and Visa are accepted.)

*Outside scholarship payments and matriculation deposits may not be made online.

1. Payments by check* or money order* may be sent to:

Moody Bible Institute
Attn: Student Accounts
820 N. LaSalle Blvd.
Chicago, IL 60610

*Please include student name and ID # on all checks and money orders. Allow 2-3 weeks for mail delivery.
