Welcome!

In 1887, D. L. Moody turned to his friend John Morrison and said, “Do you see that lot? Let us pray to the Lord to give it to us for a school.” That lot became the site on which the Moody Bible Institute was built and continues to thrive more than one hundred twenty-five years later. The original vision of D. L. Moody has been expanded over the years to include the founding of the Correspondence School in 1901 under R. A. Torrey and the development of Moody’s first online degree in 2000. These expansions demand that we recast our vision for the future by turning to God to ask that He give us the world for a school.

As men and women pursuing your degree with Moody Bible Institute Distance Learning, you may be located around the globe. Your place in the world provides you and your classmates with learning opportunities that cannot be reproduced on a college campus, because God’s truth is never more evident than when it is lived out in the context of God’s diverse creation and among the local body of Christ. Throughout your course of study, I would encourage you to take the time to reflect on the world in which you live and to bring your experience of God with you to the classroom.

Moody Bible Institute Distance Learning’s team is passionate about graduating men and women into Christian service for the fulfillment of the Great Commission. Our desire is to see our students enter the world well equipped to interpret God’s Word and to engage the church and the world in order to further God’s kingdom. We are committed to seeing you have the best experience possible as you earn your degree with Moody and continually pray that God will use us as He cultivates a new generation of Christian leaders.

I pray that as you study with Moody Bible Institute Distance Learning you will come to know and understand God more fully so that He can use you powerfully.

In Christ,

James G. Spencer, PhD
Vice President and Academic Dean

HERITAGE

Founder and Presidents

Dwight L. Moody
Moody was founded under God in 1886 by the great evangelist and Christian educator Dwight L. Moody. The idea for a school matured in Moody’s mind as he traveled through the country and abroad and saw the great spiritual need, especially in large cities. Since schools were not preparing workers to meet this need, there was a call for an institution to offer the help that many consecrated but untrained young Christians desired.

At first, classes were held in the Chicago Avenue (Moody) Church. With the construction of the first building in 1889, a full-fledged training school emerged, dedicated to teaching men and women the fundamentals of the English Bible and personal evangelism. One of the important features was the “learn-by-doing” method practiced by D. L. Moody as he sent his corps of workers into the business districts and slums of Chicago.

R. A. Torrey
To R. A. Torrey, who succeeded Moody, goes much of the credit for building a resident faculty and establishing the curriculum and Practical Christian Ministries program. He also launched the correspondence and evening schools, the precursor to Moody Bible Institute Distance Learning. In over one hundred years as a vital part of the ministry of Moody, distance learning students have enrolled in over one million Moody courses.

James M. Gray
Dr. James M. Gray, who succeeded Torrey, had been a frequent lecturer at Moody's conferences. Through his personal association with Moody, he was well prepared to carry out the founder’s vision for Moody. To Dr. Gray fell the responsibility of guiding Moody through a world war and a depression. During his term, high school graduation became an entrance requirement for the first time.

Will H. Houghton
At Dr. Gray’s retirement, the Board of Trustees, under Mr. Henry P. Crowell, called Dr. Will H. Houghton to the presidency of Moody. His leadership was responsible for an expanding ministry marked by the construction of the twelve-story Crowell Hall in 1938 and the lower hall of Torrey-Gray Auditorium the following year.
**William Culbertson**
After Dr. Houghton’s death in 1947, Dr. William Culbertson, who had been dean since 1942, became acting president and was chosen the following year to be president of Moody. During his presidency, curriculum revisions, membership in the American Association of Bible Colleges, and the adoption of the degree program strengthened the school.

**George Sweeting**
In 1971, Dr. George Sweeting, an alumnus of Moody and a widely experienced evangelist and pastor, was called by the Board of Trustees to succeed Dr. Culbertson to the presidency. Under Dr. Sweeting’s leadership, Moody continued to develop and implement progressive policies designed to meet a changing society. With the goal of evangelism, innovative programs such as Jewish and Modern Israel Studies, American Intercultural Ministries, Radio and Television Communication, and Missionary Aviation were added and improved. The campus was further enlarged and beautified. Student facilities were increased and renewed. In addition, the Moody Broadcasting Network expanded its radio ministry through the use of satellite communications, enabling communities throughout the United States, Canada, and Puerto Rico to receive Christian radio programming. The Century II campus expansion program was also inaugurated.

**Joseph M. Stowell III**
In August 1987, Dr. Stowell became the seventh president of Moody. Under his leadership, Moody added several significant additions to the campus, including the Sweeting Center for World Evangelization, the Solheim Athletic Center, and the Alumni Student Center. In addition, Moody Broadcasting expanded from eleven to thirty-three owned and operated radio stations, the Moody Bible Institute added several majors and achieved regional accreditation, the Moody Theological Seminary and Graduate School began offering a Master of Divinity and MA degrees, and online courses were launched. Throughout his tenure, Dr. Stowell aimed to keep Christ preeminent in all Moody endeavors; to incorporate more ethnic diversity into the staff and student population; and to renew Moody’s focus on urban and global outreach, needs, and trends.

**Michael J. Easley**
On March 1, 2005, Dr. Michael Easley became the eighth president of Moody. In June 2008, he resigned from the position due to health concerns. A gifted Bible teacher and church leader, Easley shared the same passion for ministry, heart for people, and love for God that have distinguished previous Moody presidents for more than one hundred twenty years. His commitment to the Word of God in an ever-shifting world was evident in the development of Easley’s twenty-four minute daily radio program, *inContext* with Michael Easley.

**J. Paul Nyquist**
In June 2009, Dr. Paul Nyquist became the Moody’s ninth president. Possessing more than eighteen years of strong ministry and leadership experience, Nyquist previously served as president and CEO of Avant Ministries. Prior to Avant, he pastored two churches in the Midwest. His vision for Moody’s future is captured in the words from his inaugural address—Biblical Mission. Global Vision. His desire is to see the Moody remain strongly rooted in the Word of God but yet transformed in ways that enable Moody to prepare students to reach our ever-changing world.

**Related Ministries of Moody**
The leadership and guidance of Moody’s founder and its presidents have created various ministries throughout its history of more than one hundred twenty-five years. In addition to education, Moody has offered ways to edify and evangelize with the truth of God’s Word.

**Moody Publishers**
D. L. Moody founded the Bible Institute Colportage Association in 1894 with the goal of providing “good Christian books at a price everyone can afford.” Today, that same organization—now known as Moody Publishers—publishes more than one thousand print and eBook titles through its six imprints: Moody, Northfield, Lift Every Voice Books, Moody Collective, River North Fiction, and WingSpread. These titles are available in more than one hundred languages and in more than sixty countries around the world. Moody Publishers continues its commitment to reach the lost for Christ and to help readers know, love, and serve Jesus Christ. For more information, visit moodypublishers.org or call (800) 678-8812.

**Moody Radio**
Moody owns and operates 36 non-commercial FM and AM stations, five of which broadcast in Spanish, throughout the United States. Stations serve areas from the great Northwest through the Midwest, across to Pennsylvania, through Tennessee and Alabama, and south to Florida. In addition to these stations, Moody operates a satellite network, six online stations, and the Moody Radio app. The satellite network provides news and programming for over 700 stations, representing over 1500 outlets and the Moody Radio app provides all Moody Radio content to mobile devices and tablets around the world. For a complete list of stations, programming, and other information, visit moodyradio.org.
STATEMENT OF FAITH

Throughout its history Moody has without qualification held to the essentials of biblical orthodoxy. In addition it has defined itself in other distinct ways in terms of more specific interpretations of Scripture. Moody’s doctrinal statement was adopted by the Board of Trustees in 1928 to reflect the historic doctrinal position of Moody. In May 2000 the trustees also approved an additional statement, Institutional Positions Related to the Moody Bible Institute Doctrinal Statement (1928), to clarify and make explicit the doctrinal positions of Moody. While Moody’s particular definitions are important to its position, it is readily recognized that they do not define orthodoxy for the whole body of Christ. Moody gladly embraces all who faithfully adhere to the essentials of biblical Christianity as fellow believers and colleagues in Christ’s cause.

Whereas biblical Christianity is defined by the central tenets of the faith, throughout the history of the church various groups have employed more specific definitions to define themselves. Historically, Moody has maintained positions that have identified it as noncharismatic, dispensational, and generally Calvinistic. To maintain continuity and consistency with the heritage entrusted to its care, Moody expects faculty and administration to agree with, personally adhere to, and support Moody’s distinctive doctrines as set forth in the following:

Doctrinal Statement

Article I - God is a Person who has revealed Himself as a Trinity in unity, Father, Son, and Holy Spirit—three Persons and yet but one God (Deuteronomy 6:4; Matthew 28:19; 1 Corinthians 8:6).

Article II - The Bible, including both the Old and New Testaments, is a divine revelation, the original autographs of which were verbally inspired by the Holy Spirit (2 Timothy 3:16; 2 Peter 1:21).

Article III - Jesus Christ is the image of the invisible God, which is to say, He is Himself very God; He took upon Him our nature, being conceived by the Holy Spirit and born of the Virgin Mary; He died upon the cross as a substitutionary sacrifice for the sin of the world; He arose from the dead in the body in which He was crucified; He ascended into heaven in that body glorified, where He is now our interceding High Priest; He will come again personally and visibly to set up His kingdom and to judge the quick and the dead (Colossians 1:15; Philippians 2:5–8; Matthew 1:18–25; 1 Peter 2:24–25; Luke 24; Hebrews 4:14–16; Acts 1:9–11; 1 Thessalonians 4:16–18; Matthew 25:31–46; Revelation 11:15–17; 20:4–6, 11–15).

Article IV - Man was created in the image of God but fell into sin, and, in that sense, is lost; this is true of all men, and except a man be born again he cannot see the kingdom of God; salvation is by grace through faith in Christ who His own self bare our sins in His own body on the tree; the retribution of the wicked and unbelieving and the reward of the righteous are everlasting, and as the reward is conscious, so is the retribution (Genesis 1:26–27; Romans 3:10, 23; John 3:3; Acts 13:38–39; 4:12; John 3:16; Matthew 25:46; 2 Corinthians 5:1; 2 Thessalonians 1:7–10).

Article V - The church is an elect company of believers baptized by the Holy Spirit into one body; its mission is to witness concerning its Head, Jesus Christ, preaching the gospel among all nations; it will be caught up to meet the Lord in the air ere He appears to set up His kingdom (Acts 2:41; 15:13–17; Ephesians 1:3–6; 1 Corinthians 12:12–13; Matthew 28:19–20; Acts 1:6–8; 1 Thessalonians 4:16–18).

(Proceedings of Trustees, October 1928)

1 The Bible is without error in all it affirms in the original autographs and is the only authoritative guide for faith and practice and as such must not be supplemented by any other fields of human learning.
2 Jesus Christ, the only begotten Son of God, is fully God and fully man possessing both deity and humanity united in one person, without division of the person or confusion of the two natures.
3 An individual receives the benefit of Christ’s substitutionary death by faith as the result of responding to the message of the gospel. Salvation is the free gift of God’s grace through faith alone, therefore not dependent upon church membership, intermediaries, sacraments, or works of righteousness to attain or sustain it.
4 It is Moody’s position that this refers to the premillennial return of Christ at which time He will set up His millennial reign during which time He will fulfill His promises to Israel.
5 This affirms that the first human beings were special and unique creations by God as contrasted to being derived from any preexisting life-forms. Further, God created everything, after its kind, which excludes any position that allows for any evolutionary process between kinds.
6 This statement excludes any position that asserts a temporary or complete cessation of consciousness, or merging with eternal oneness, or annihilation of the damned, or a “second chance” or a period of suffering or purification in preparation for entrance into the presence of God.
7 The church of Jesus Christ is a distinct entity from Israel in the ongoing program of God. Further, this universal church consists of all who possess saving faith in the death and resurrection of Jesus Christ from Pentecost to the Rapture of the Church and that will represent every language, people, and nation.
8 Christ will return in the air preceding the seven-year Tribulation at which time He will receive into heaven all believers who constitute His church. During that Tribulation period, God will bring salvation to Israel and the nations while exercising judgment on unbelievers.
Institutional Positions Related to the Moody Bible Institute Doctrinal Statement

In addition to the distinctive elements derived from a historic understanding of the 1928 Doctrinal Statement, Moody has historically been identified with the positions outlined below. Although trustees, education administrators, and faculty are expected to hold these positions, we recognize that we serve and minister with others whose traditions differ on these subjects.

Gender Roles in Ministry
Moody values the worth and dignity of all persons without distinction as created in God’s image. We affirm the priesthood of all believers and the responsibility of every Christian woman and man to take an active role in edifying the church. For that purpose, the Holy Spirit distributes ministry gifts to believers without distinction of any kind. That reality imposes the responsibility on every believer to fulfill ministry consistent with God’s grace.

Moody distinguishes between ministry function and church office. While upholding the necessity of mutual respect and affirmation as those subject to the Word of God, Moody understands that the biblical office of elder/pastor in the early church was gender specific. Therefore, it maintains that it is consistent with that understanding of Scripture that those church offices should be limited to the male gender.

Sign Gifts of the Holy Spirit
Moody maintains that there is one baptism of the Holy Spirit that occurs at the time a person is born again, placing that one into the body of Christ. Moody also distinguishes between spiritual gifts distributed to believers to equip them for ministry and the “sign gifts,” which are understood to have been manifestations of the Holy Spirit to authenticate the messenger and the gospel message during the foundational period of the church. Therefore, Moody holds that “sign gifts” are not normative for the church today. While this institutional position is not and must not be a test of fellowship with those whose traditions differ, members of this community will neither practice nor propagate practices at variance with Moody’s position.

Human Sexuality
Moody’s foundation for understanding human sexuality is rooted in our commitment to the Bible as the only authoritative guide for faith and practice. The first two chapters of Genesis constitute the paradigm and prerequisite for God’s creative intent for human personhood, gender and sexual identity, and sexual intimacy in marriage (Genesis 1:27; 2:24; cf. Matthew 19:4–5).

We affirm that humanity came from the hand of God with only two sexual distinctions, male and female, both bearing the image of God, and emerging from one flesh with the unique physical capacity to reunite as one flesh in complementarity within a marriage. God’s creation design and intent for marriage as expressed in Genesis 2 is therefore exclusively between one man and one woman. Within this monogamous context, intended to be lifelong, sexual intimacy is a glorious blessing from God.

Based on biblical theology (cf. Leviticus 18; 1 Corinthians 5–6; and other passages), we conclude that non marital sex, homosexual sex, same-sex romantic relationships, and transgender expressions are deviations from God’s standard, misrepresenting the nature of God Himself. As such, these are wrong under any circumstances in God’s eyes. We affirm the worth and relevance of human gender and sexuality as a distinctive of marriage. Consequently, we consider all other forms of sexual expression sinful, misaligned with God’s purposes.

We affirm God’s love and concern for all of humanity, a concern that compelled Him to offer His Son a ransom for our lives, and we consider His biblically recorded and specifically defined guidelines for sexual practice to be enduring expressions of His love and protection of our human identity (Matthew 19:5–9).

Our expectation is that each member of Moody’s community will honor the biblical obligation to surrender one’s body to God. Non marital sexual intimacy, homosexual sexual intimacy and same-sex romantic relationships, and gender identification that is incongruent with one’s birth sex are all violations of biblical teaching from which Moody derives its community standards. We willingly submit ourselves to these biblical mandates in light of our call to holiness and to self-surrender.

Doctrinal Qualifications for Students
To maintain continuity and consistency with the heritage entrusted to its care, Moody requires its faculty and administration to agree with, personally adhere to, and support all the school’s distinctive doctrines. These identify what is believed and taught in our classes. However, the school also recognizes that its specific theological positions do not define orthodoxy for the whole body of Christ. For this reason, Moody accepts students from other theological traditions within conservative evangelicalism. However, to be admitted and to graduate, students must personally adhere to and support the following doctrinal positions:

- the inspiration, authority, and inerrancy of Scripture,
- the Trinity,
- the full deity and full humanity of Christ,
- the creation of the human race in the image of God,
- the spiritual lostness of the human race,
- the substitutionary atonement and bodily resurrection of Christ,
salvation by grace through faith alone in Christ alone,
the physical and imminent return of Christ, and
the eternal reward of the righteous and the eternal judgment of the lost

THE SCHOOLS OF MOODY

Introduction
Moody includes three schools: Moody Bible Institute, Moody Theological Seminary and Graduate School, and Moody Bible Institute Distance Learning. The vice president and dean of each school reports to the provost and administers the school through chairpersons and faculty. The vice president and dean of each school has overall responsibility for the programs and degrees offered through the school over which he or she resides.

Students of Moody have the opportunity to study the Word of God through several different locations and venues. A traditional classroom setting in an urban environment hosts our Chicago campus students in undergraduate and graduate programs and degrees, while an intimate branch campus is available in Spokane, Washington for undergraduate students. Another branch campus in Michigan is available for graduate students, giving them access to three diverse areas surrounding Plymouth. Those who are “rooted learners” can choose classes offered via distance learning venues toward undergraduate and graduate programs and degrees.

Competent Moody-trained men and women are found in every field of Christian activity. In just a few years, students who are now sitting in classes will be on every continent of the globe, taking the good news of salvation to those who have never heard it. Others will be pastors serving active, growing churches in many denominations in the United States. Some will become home missionaries, church musicians, evangelists, choir directors, child evangelism directors, mission superintendents, youth ministers, or Christian communications specialists, or be involved in one of many other vocational ministries.

Moody Bible Institute

Chicago
Moody Bible Institute’s Chicago campus is strategically located at the “crossroads of America,” and the school gives students many unusual advantages. Perhaps no other city in the world offers a better clinic for observation and experience in all phases of Christian work than Chicago. The city’s lakefront cultural center is a short distance from Moody. For students who must work to help finance their training, there are many opportunities for employment within Moody as well as in the industries that have made Chicago a world business center.

Spokane, Washington
Moody Bible Institute’s Spokane campus is located in the heart of the largely unchurched Pacific Northwest region. The second largest city in Washington, with the amenities of a big city and the feel of a small town, Spokane is easy to navigate and provides convenient housing options. Spokane campus students can secure employment off-campus at local grocery stores, coffee shops, or businesses. With the foothills of the Rocky Mountains rising to the east, outdoor activities such as biking, rock climbing, hiking, hunting, and skiing are just a short drive from campus, allowing students to enjoy incredible day trips.

Moody Theological Seminary and Graduate School

Chicago
Moody Theological Seminary and Graduate School’s Chicago campus is located in the heart of the city, offering to students hundreds of ministry opportunities in rescue missions, prisons, children’s programs, retirement homes and in diverse urban and ethnic settings. This seminary campus shares more than twenty-four acres in Chicago’s Near North community with the Moody Bible Institute campus. It is within walking distance of the famous Magnificent Mile, the shores of scenic Lake Michigan and inner-city neighborhoods.

Plymouth, Michigan
Moody Theological Seminary and Graduate School’s Michigan campus is conveniently located, with access to the intimate community of Plymouth, the urban center of Detroit, and the bustling college town of Ann Arbor, all of which afford myriad opportunities for ministry. This campus has taken great strides to accommodate students who have family or full-time work obligations by providing evening classes and academic tracks that consider realistic schedules outside of the classroom. Because of this, Michigan campus classes are inherently diverse, attracting students with various backgrounds, ages and levels of training, providing a rich and interactive learning experience.
Moody Bible Institute Distance Learning

Online, Independent Studies, and Extension Sites

Moody Bible Institute Distance Learning offers several distance learning venues for those considered rooted learners: online courses, independent studies, and extension sites. Flexible and convenient online courses allow students to study at Moody Bible Institute, joining thousands of others around the globe seeking a trusted Bible education within a diverse biblical community. Independent studies allow students to take courses on their own time and at their own pace either online or via correspondence. These courses are available anytime and do not operate on the traditional semester format. Extension sites are an extension of Moody Bible Institute. These venues allow students in various locales around the United States to be better equipped to advance the cause of Christ.

EDUCATIONAL PHILOSOPHY

The educational philosophy of Moody is rooted in the conviction that the Bible in its original manuscripts is the verbally inspired, inerrant, and authoritative Word of God. Consequently, a study of the Bible constitutes the most significant discipline for any person. This concept is reflected in Moody’s verse: “Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth” (2 Timothy 2:15 KJV).

Educational Values

In keeping with the mission statement and philosophy of Moody, the following values provide a framework for the student educational experience and a basis for assessing student progress.

Christian Life and Character

This value emphasizes the need for students to develop a proper relationship and commitment to Jesus Christ through knowledge of the Scriptures, through spiritual discipline and obedience, and through the cultivation of a maturing Christian lifestyle and worldview. Such growth, maturity, and character formation for students encompasses all aspects of life, including the intellectual, social, and physical habits of fitness and well-being.

Biblical and Theological Literacy

This value emphasizes the educational importance of a foundational knowledge of Bible and theology as well as the methodology and skills for thoughtful analysis, interpretation, and application of Scripture. This value also presupposes the thoughtful defense of the Christian faith and the personal application of the Bible to the students’ personal lives and to vocational and avocational calls and commitments.

Christian Life and Worldview

This value stresses the educational importance of the thoughtful integration of biblical truth by students into the totality of life experience and learning. Thus, biblical truth is not only a part but also a condition of general knowledge. Students are encouraged to harmonize faith and learning systematically and to develop a coherent view of contemporary issues from a biblical perspective.

Ministry and Vocational Skills

This value stresses the importance for students to understand the call, requirements, and needed skills for effective vocational ministry through study in organized fields of learning, practical experience, and Christian service. This value presupposes the vocational and avocational application of the students’ classroom experience and training to ministries of education, edification, and evangelization through the church. Likewise, this value anticipates a commitment to vocational currency, continuing education, and lifelong learning.

Analytical and Creative Thinking

This value affirms the need for students to develop skills in critical and analytical thinking and to value the unity of truth. This value also presupposes the development of problem solving techniques, research methodology, and ways of expressing ideas clearly, logically, thoughtfully, and persuasively through aesthetic as well as oral and written forms.

Personal and Group Relationships

This value emphasizes the need for students to grow in relational understanding with others based on biblical patterns and to become responsible, compassionate, and productive participants within the body of Christ. This value presupposes service to society, family, and the church through personal example, leadership, and organizational skills.

Social and Cultural Sensitivity

This value accentuates the need for students to foster an understanding of both national and international cultures and to develop an appreciation for the richness and interdependence of multicultural communities. This anticipates a respect by students for the dignity of each person as a unique image-bearer of God. Furthermore, this value focuses on the need for students to be socially, aesthetically, and politically sensitive and to reflect the attributes of responsible citizenship.
Essential Elements
As the central integrating factor of the total curriculum of Moody, the Bible grants us a unique perspective on four key elements in the teaching-learning process: the curricular content, the social and cultural context, the maturing learner, and the godly teacher.

Moody Bible Institute Essential Elements

Curricular Content
All truth, ultimately, is related to and unified by the revealed Word. Therefore, the educational program of the Moody Bible Institute is built upon a biblical and theological core curriculum. All subject areas of the curriculum, as well as the goals and values communicated in the co-curricular programs, are guided and informed by the teachings of the Bible. Philosophically, we are committed to an educational approach that values human learning while submitting that learning quest to the authority of the Bible.

Social/Cultural Context
We are committed to an educational approach that is culturally relevant and socially aware. We do not isolate or insulate students from contact with the world around them. Instead, the educational program is built on the philosophy of education that engages students in culture and society. Moody Bible Institute's undergraduate degrees are practical in nature and exist to equip students to impact their world for Christ. This occurs through the communication of the gospel and through Christian service. Education at Moody demands experience and training in the real world as well as the classroom; therefore, all degrees require an extensive experiential component.

Learner Maturity
Education is the encouragement of a maturing process. Teachers are not only to communicate subject matter but also to equip students to think critically and creatively about the subject under consideration. Education in the Moody Bible Institute promotes increasingly greater responsibility on the part of the students for their learning. We recognize that students will not be under our instruction indefinitely. Therefore, an undergraduate education is designed to develop mature learners who are able to continue their development after graduation (Colossians 1:28–29).

Godly Teachers
Jesus said, “A student is not above his teacher, but everyone who is fully trained will be like his teacher” (Luke 6:40 NIV). We see teachers as an essential component in the educational process. Teachers impact lives. Therefore, the life and character of teachers are as important as their knowledge and pedagogical skill. The role of teachers is to provide direction and structure to the educational endeavor as they communicate their subject. Teachers exist not only to communicate subject matter but also to equip students to think critically and creatively about the subject under consideration.

Moody Theological Seminary and Graduate School Essential Elements
Delivering a unique blend of practical Christian training and sound biblical scholarship requires that we value and employ the following:

The Scholarship of Biblical Discovery
This is exegetical research that engages the biblical text in order to state new paradigms supported by biblical exegesis while engaging with contrary and complementary critical scholarship (STUDY THE WORD).

The Scholarship of Engagement
Also known as applied biblical research, this engagement takes a specific biblical/theological discovery and shows its application in life in varied settings (STUDY/LIVE THE WORD).

The Scholarship of Biblical Integration
Utilizing reflective observation of basic/applied biblical research, this discipline brings together two or more areas of biblical discovery in a creative synthesis (STUDY/LIVE THE WORD).

The Scholarship of Teaching and Preaching
This discipline builds on the first three scholarships in order to communicate and impart skills in a format that can be acquired, integrated, and applied within specific audiences (TEACH THE WORD).

Most seminaries focus on one or two characteristics for their students. Moody Theological Seminary and Graduate School seeks to produce balanced and exceptional leaders in all four vital areas of Discovery, Integration, Engagement, and Teaching. Students come to MTS and discover scholarship that not only transforms but produces leaders who can integrate the balance of skills necessary to make them truly exceptional.

GENERAL ADMISSION REQUIREMENTS FOR UNDERGRADUATE APPLICANTS

Moody uses a selective process for admission. Applications from prospective students of diverse ethnicity, interests, and special abilities are welcomed by Moody and each application is evaluated on its own merits. Through this process, the spiritual qualifications and scholastic ability of applicants are considered in relation to other applicants in an attempt to admit those with the strongest references, academic credentials, evangelistic zeal, and highest motivation for pursuing a career in full-time Christian ministry. Applicants should possess qualities that would make them a desirable member of Moody’s family.

Academic Requirements
Moody does not impose specific secondary course requirements for admission. However, most applicants will have successfully completed the more challenging programs of study available in their high schools, which should include English grammar, composition, and a total of at least 12 units of academic subjects. Health, physical education, choir, band, driver’s education, or vocational courses are not considered academic subjects. Computer literacy skills are expected for students admitted into Moody.
A minimum of a 2.00 cumulative grade point average of academic courses is required of all applicants; meeting this requirement does not guarantee admission to Moody. Transcripts verifying the applicant’s high school graduation and all completed college-level coursework must be in the student’s file at the time of enrollment. Applicants who do not meet all of the criteria required for admission are reviewed by the Admissions Committee and may be granted admission on a conditional basis into the degree program, if there is evidence of academic promise that shows the determination and discipline needed to succeed in college. Students admitted on a conditional basis will only be allowed to enroll in up to 12 credits. A student’s conditional status will be evaluated by the Admissions Committee after the student has attempted 12 credits. If the student achieves a cumulative GPA of 2.00 or higher after attempting 12 credits, the conditional status will be removed and the student’s admission classification will be changed to regular status. If a student does not achieve a GPA of 2.00 after attempting 12 credits, then the student will be academically dismissed. Students admitted on a conditional basis may be eligible for some forms of financial aid.

**Courses for High School Students**

High school juniors or seniors may take up to 18 credits of distance learning undergraduate courses for college credit as a nondegree student. These courses may meet Christian high school Bible requirements. These courses also provide a foundational program of study for Christian students who will be attending a secular college or university. Credits earned are applicable to current Moody Bible Institute Distance Learning academic programs. Credits earned may also be transferable to another college. For further information, call (800) 588-8344.

**General Educational Development**

Candidates who opted to take the GED diploma must submit an official copy of their score results with all other required application materials. A photocopy of a high school diploma certificate is not sufficient for our evaluation. A GED score of 2250 or better is required. Admission is not guaranteed by meeting the minimum requirements but also depends upon the strength of other qualifications in relation to other applicants.

**Home-Schooled Applicants**

Moody recognizes home-schooling as a viable educational alternative and welcomes applications from qualified home-schooled students who desire to pursue training for full-time Christian ministry. In recent years, many such students have enrolled in the undergraduate program. In the assessment of home-schooled candidates, Moody looks for the same scholastic and spiritual qualifications sought in any applicant. Applicants must submit an official transcript or an official General Educational Development test score, as well as ACT or SAT scores for evaluation.

Generally, applicants must be recognized as high school graduates. A minimum of 12 units of academic subjects must be completed by the time of application. ACT and/or SAT scores will play an important role in the admission evaluation process. Therefore, applicants must take either exam in sufficient time for Moody to receive the score results by the application deadlines.

**International Student Applicants**

Moody welcomes the presence of qualified students from countries outside the United States and believes that such individuals enhance the cultural, intellectual, and spiritual atmosphere of Moody by adding diversity of experiences and perspectives.

All international applicants must be able to read, write, speak, and understand the English language with a high degree of proficiency. Academic success for students at Moody will depend on the level of fluency in English. Therefore, all applicants coming from non-English-speaking countries or where English is not the primary language must take the Test of English as a Foreign Language and have the scores submitted directly to the Office of Admissions. Undergraduate applicants must earn a minimum TOEFL score of 550 on paper-based tests, 213 on computer-based tests, or 79 on internet-based tests. Graduate applicants must earn a minimum score of 575 on paper-based tests, 233 on computer-based tests, or 85 on internet-based tests. Applicants who do not meet a minimum English proficiency requirement will not be admitted.

Exceptions to the required TOEFL test scores will be made in the following two instances only: (1) the applicant is a citizen of Australia, the British West Indies, Canada, Great Britain, or New Zealand and is a native speaker of the English language; or (2) the applicant has been admitted to and studied at an accredited educational institution in one of the countries mentioned above or in the United States for one year within the past two years and has a good academic record at the school(s) attended. Graduate applicants must have earned an accredited post-secondary degree.

Applicants should be aware that several attempts may be necessary before the minimum score is achieved. Furthermore, the TOEFL test is offered only at certain times during the year. For more information on test dates and testing sites, write directly to TOEFL, Educational Testing Service, C N6151, Princeton, NJ 08541-6151, USA; call (609) 921-9000; or go to [toefl.org](http://toefl.org) (school code: 1486).

International applicants will be required to have all documents and records evaluated by an independent agency such as World Education Services or Education Credential Evaluators ([ece.org](http://ece.org) or [414] 289-3400). The evaluation must include a grade point average and a course by course evaluation. Applicants are responsible for paying the evaluation fee.
Transfer Student Applicants

Each year, a number of transfer students (at least one semester of college completed at time of application) enroll at Moody. Transfer applicants are required to have a 2.00 or better cumulative college grade point average. To be considered for admission, transfer applicants must meet all general entrance requirements, in addition to being in good standing and eligible to return to the most recently attended educational institution (without being on any form of probation). Applicants must request that official transcripts be sent to the Office of Admissions from all colleges previously attended. Applicants must also request their secondary school to send an official transcript of courses, including a statement of graduation, unless a bachelor degree has already been earned. Final transcripts of all college work must be in the student’s file prior to enrollment at Moody. Moody does not grant academic credit for non-academic prior experience.

Credits from regionally accredited colleges and members of the Commission on Accreditation of the Association for Biblical Higher Education or from the Transnational Association of Christian Colleges and Schools are fully transferable provided they apply to the student’s course of study at Moody. Courses in which less than a grade of C was earned are not transferable. Upon matriculation, an official evaluation of all transfer credits will determine each student’s projected graduation date.

Students who already possess a bachelor degree in another field but desire to gain training in Bible and theology are encouraged to consider Moody Theological Seminary and Graduate School or one of the graduate programs of Moody Bible Institute Distance Learning. Moody does not apply credit used to fulfill the requirements of a degree program toward the completion of a second, equivalent-level degree at Moody. Please contact the Office of Admissions for more information.

Non-Academic Requirements

Candidates for admission are required to give evidence of proven Christian character, acceptance of the Lord Jesus Christ as personal Savior at least one year prior to enrollment, and a sincere desire and willingness to pursue Christian ministry. The candidate must maintain a lifestyle consistent with biblical standards that mark itself by a daily walk with Christ, a consistent prayer life, and strong character traits. A life of discipline, evidence of emotional maturity, developed social skills that allow for friendships, Christian identity, and positive influence with peers are also strongly weighed in the evaluation process.

Applicants must be in agreement with, personally adhere to, and support Moody’s Doctrinal Statement. By completing and signing the application, the applicant promises to respect and adhere to the standards of Moody. Since Moody is an interdenominational school, the applicant agrees not to teach his or her own special views of doctrine or practice, nor to press them on fellow students.

Abstinence from the use of tobacco, alcohol, illegal drugs, and from sexual promiscuity for at least one year prior to enrollment is also required. In addition, the applicant must verify active participation in regular worship attendance and church ministry opportunities at an evangelical Protestant church. A positive reference from the pastoral leadership of the church is required. All character references will be thoroughly evaluated to establish the spiritual qualifications of prospective students.

Marriage and Divorce

Persons who have been divorced, married to a spouse previously divorced, or currently separated will be considered for admission on a case-by-case basis. Please carefully follow the instructions provided on the application regarding this additional information needed by the Admissions Committee.

Change of Program

Matriculated students who want to change from one academic program to another should contact the Office of Academic Records.

Courses for High School Students

High school juniors or seniors may take up to 18 credits of undergraduate courses for college credit as a nondegree student. These courses may meet Christian high school Bible requirements. These courses also provide a foundational program of study for Christian students who will be attending a secular college or university. Credits earned are applicable to current programs, should you decide to continue your studies following your high school graduation. Credits earned may also be transferable to another college. For further information, call (800) 588-8344.

GENERAL ADMISSION REQUIREMENTS FOR GRADUATE APPLICANTS

Graduate students admitted to Moody Bible Institute Distance Learning are chosen on the basis of spirituality, ministry zeal, character references, and scholastic ability. Applicants should possess qualities that give evidence of usefulness in the Lord’s service that will make them desirable members of Moody’s family. All applicants are evaluated for admission on the basis of the following four criteria: all academic records of post-secondary work, personal ministry history, character references, and statement of purpose for applying to the program.
**Academic Requirements**
A bachelor degree from an accredited college or university is required. Graduate applicants must provide transcripts verifying a 2.50 grade point average on a scale of 4.00. Applicants who do not meet all of the criteria required for admission, such as minimum cumulative undergraduate GPA of 2.50, for graduate studies are reviewed by the Admissions Committee and may be granted admission on a conditional basis into the degree program, if there is evidence of academic promise that shows the determination and discipline needed to succeed for graduate studies. Students admitted on a conditional basis will only be allowed to enroll in up to 12 credits. A student’s conditional status will be evaluated by the Admissions Committee after the student has attempted 12 credits. If the student achieves a cumulative GPA of 2.50 after attempting 12 credits, the conditional status will be removed and the student’s admission classification will be changed to regular status. If a student does not achieve a GPA of 2.50 after attempting 12 credits, then the student will be academically dismissed. Students admitted on a conditional basis may be eligible for some forms of financial aid.

**Non-Bachelors Admissions**
A limited number of applicants without an accredited bachelor degree may be admitted to graduate programs with approval from the Admissions Committee. Applicants will be required to complete additional requirements for admission as evidence of their extensive ministry experience and to demonstrate academic ability at a graduate level. Applicants who desire to be considered for admission may contact the Office of Admissions for further information.

**International Student Applicants**
Nationals from non-English-speaking countries as well as permanent residents, foreign-born American residents, and international students for whom English is not the first language must take the Test of English as a Foreign Language and achieve a minimum score of: 575 on paper-based tests, 233 on computer-based tests, or 85 on Internet-based tests. For more information, please see International Student Applicants under General Admission Requirements for Undergraduate Applicants.

## Payment Policies

In order to receive access to a course, students must pay the balance in full according to the following policies. Students with past due balances will not be allowed to enroll in future terms, receive official transcripts, grades, certificates of scholastic standing, or their degrees. Students must check their @moody.edu e-mail address and student portal regularly to receive pertinent account information.

### Payments

1. Balances are due in full one week before online, extension, or self-paced courses begin, unless other payment arrangements have been made (i.e. payment plan, employment vouchers, etc.). Payments for Independent Study courses are due at the time of registration.

2. A semester payment plan* is available for eligible students, fees may apply. Information on this plan is available online at [mycollegepaymentplan.com/moodydl](http://mycollegepaymentplan.com/moodydl), or by calling (800) 609-8056. You may sign up for the plan by logging into your [my.moody.edu](http://my.moody.edu) student portal and looking under the “MDL Students” tab.

   *If you are a Chicago, Michigan, or Spokane campus student taking online courses you must enroll in the Campus Payment Plan online through your [my.moody.edu](http://my.moody.edu) student portal > Students tab > Moody Central > Student Accounts.

If students are expecting financial aid to help cover their balance and it is **not awarded** by Moody’s due date, they are still responsible to make payments on time.

### Outside Aid and Your Payments

Students must communicate Moody’s payment deadlines to any scholarship or sponsoring organization so that payment can be made in full according to the above policies. To ensure that the amount is applied to the fall and spring semester bills by the due date, please send the check prior to August 1 for the fall semester and December 1 for the spring. If the scholarship funds are not received by the due date, students...
must make payment in full at that time. Adjustments to your bill will be made when the actual check is received. Exceptions to this can only be made if the scholarship organization requires certification after courses begin and they provide an award letter on their letterhead stating the amount of the scholarship award. Outside scholarships do not replace your regularly scheduled payments. They can, however, lower your overall monthly payment amount.

**Methods of Payment**

1. Application fee payments may be sent to:
   
   Moody Bible Institute  
   Admissions Office  
   820 N LaSalle Blvd  
   Chicago, IL 60610

2. Payments may be made online through the [my.moody.edu](http://my.moody.edu) student portal by debit/credit card (Visa or MasterCard only).

3. Payments by check or money order* may be sent payable to:
   
   Moody Bible Institute  
   Department #1018

   Chicago, IL 60680-6500

*Please include student name and ID# on all checks and money orders.

**Course Drop Fees**

When a student drops a course or otherwise receives a credit (fee waiver, etc.), the charges are credited to the student’s account (according to the refund schedule). This credit will be applied toward future charges on the student account or left as available credit. A credit balance refund may be requested, in writing, from studentbookkeeping@moody.edu. Refunds from an outside scholarship must have the awarding institution’s approval prior to disbursal.

**Refund Policies**

**Matriculation Deposit**

The matriculation deposit is only refundable if Moody is notified before May 1 for a fall enrollment, December 1 for spring enrollment.

**Tuition and Fees Refund Schedule**

When a student receives a financial credit (fee waiver, dropping courses, etc.), the charges are credited to the student’s account according to the refund schedule. This credit will be applied toward remaining charges on the student account or left as available credit. If the student account has a credit balance, the student may request a refund by emailing studentbookkeeping@moody.edu. If the funds are from an outside scholarship, the awarding institution must approve a refund to the student prior to disbursal.

Dropping courses may have financial penalties (see below) and academic penalties (see Academic Policies). Students who drop courses before the start date will receive full credit on their accounts for all payments made (if applicable) toward tuition and fees.

Students who drop a course after it begins will receive refunds according to the percentage of the course completed. The refund schedule for 16-week, 14-week, 8-week, and 7-week courses are provided. Courses may vary in length and follow a different refund schedule. Please contact studentbookkeeping@moody.edu for specific dates and information regarding Refund Policies.

UNDERGRADUATE FINANCIAL AID

FEDERAL STUDENT AID

Students applying for Federal Student Aid funds must complete the Free Application for Federal Student Aid at fafsa.gov each academic year. Students may also be required to submit additional documentation for verification of their financial or dependency status. Students and parents of dependent students are encouraged to utilize the IRS Data Retrieval Tool when completing the FAFSA.

Federal Student Aid eligibility requirements include the following:

- Must be enrolled in Moody.
- Must be a high school graduate or have a GED.
- Must file a FAFSA.
- Must not be in default of your student loans or have an overpayment due on any Title IV aid program from any source.
- Must be a U.S. citizen or an eligible noncitizen. Documentation of citizenship status may be required.
- Must be enrolled as a regular student in eligible courses and programs of study.
- Must meet Satisfactory Academic Progress standards; according to Moody’s Satisfactory Academic Progress policy for Federal Student Aid.
- Must be registered with the Selective Service and confirm registration, if required.
- Must not have been convicted of an offense involving the possession or sale of illegal drugs that occurred while the student was enrolled and receiving Title IV aid.
- Cannot receive aid for audited courses.
- Must complete verification, if required.

Steps in applying for financial assistance at Moody Bible Institute Distance Learning:

- You must be an admitted student at Moody.
- Complete the Free Application for Federal Student Aid (school code 001727).
- Moody will receive an electronic copy of your FAFSA results.
- Complete Moody’s internal scholarship application on the my.moody.edu student portal.
- Your file will be evaluated for awards and you will receive an Award Letter detailing the type and amounts of aid for which you are eligible.
- Students may be asked to submit documentation such as tax returns, birth certificates, and Social Security cards and other items needed to verify financial or dependency status. Students who do not wish to submit requested documentation will not receive a financial aid award.

Determining Your Financial Aid

Beginning as early as April you will receive an official communication from the Office of Financial Aid providing you with your award offer. If you opted to have your award notifications provided to you by email you will receive these notifications at your moody.edu email address. You can log on to the my.moody.edu student portal to see your award details. If you declined or did not opt in to the electronic notification for your award letters you will receive an award letter in the mail. If you have been selected for verification you will also receive email notifications to your moody.edu email address prompting you to log on to the my.moody.edu student portal to view your to-do list.

Your financial aid award may include funds from several sources. Those funds labeled ‘Federal’ financial aid were awarded strictly on the basis of information you and your family provided on the Free Application for Federal Student Aid. These may include a combination of grants, SEOG, and Federal Work-Study (a federally funded, part-time job program).

When you complete the FAFSA, a standard formula is applied to the information entered and an Expected Family Contribution number is produced. The EFC provides the number necessary to determine your financial aid eligibility for Pell Grants and SEOG. The lower a student’s EFC the higher the student’s Federal Student Aid eligibility. To determine eligibility for Federal Work-Study and other need based aid, Moody takes the cost of attendance and subtracts your EFC and other need based aid (for example scholarships). Federal Student Aid funds are awarded in amounts that take into account the funding available to us and the maximum federal eligibility level for each student.
Please note: The amount of aid you are eligible for is contingent upon the number of credits you are enrolled. This means Federal Student Aid may increase or decrease as you add and drop courses. There are consequences to dropping courses or withdrawing from Moody completely. If you drop a course the system will determine if your financial aid needs to be recalculated based on your new enrollment status. For example if you were enrolled in 12 credits (full-time) and drop to 9 credits (three-quarter time) your amount of Pell Grants will be different. This could result in an increase in your balance with the Office of Student Accounts. In most cases federal funding sources are not adequate to fund all of the direct charges for tuition, fees, room and board.

**Summer Semester Financial Aid**

Summer is treated as a trailer for the aid year. This means Pell Grants may be available to students who have not used all of their Pell Grant funds in the preceding fall and spring semesters. In order to be considered for summer aid, you must complete the FAFSA for the prior academic year (i.e.: to receive aid in the summer 2016, you must complete the 2015-2016 FAFSA). After registering for summer courses you will see the Federal Student Aid noted on the my.moody.edu student portal under “financial aid”.

Please note: The amount of aid you are eligible for is contingent upon the number of credits you are enrolled. This means Federal Student Aid may increase or decrease as you add and drop courses.

**Federal Verification**

**Completing Verification if Required**

If your FAFSA is selected for verification, you will be required to provide additional information in order for your financial aid eligibility to be determined. Your financial aid cannot be disbursed until the verification process is complete. If your FAFSA is selected for verification, you will be notified at your moody.edu email address of any required information that you must submit. You can also log on to the my.moody.edu student portal and look for items on your to-do list. To see the details and instructions of what each item requires click on the item listed. The specific information requested will vary from student to student, so you will need to carefully review the requirements added to your to-do list to determine what additional information you must submit.

**Verification Policy**

Moody has implemented procedures to verify the accuracy of information on the student’s FAFSA. Federal guidelines require verification of FAFSA’s selected by the Central Processing System. Moody will not disburse Pell Grants until the verification process is completed and all discrepancies are resolved. Requested documents should be turned in upon our request. If the required items not turned in (if we are asking for documents) or resolved (if we are asking you to make a correction) by the close of business Friday September 11, 2015, the financial aid that shows as pending will be removed until verification is complete or the federal deadlines are past. If you fail to turn in the required documents by the federally determined deadlines, then Moody will be unable to process your funds and you will be required to pay any balance remaining on your account.

Types of documentation to be submitted:

- Tax return transcripts
- Verification worksheets
- W2s
- Additional worksheets to determine untaxed income
- Other documentation as needed to clear up any conflicting information

Once all documentation has been turned in the verification team will be comparing the information on the student’s FAFSA with the information on the required documents. Any discrepancies between the FAFSA data and its corresponding documentation will be resolved. In some cases additional supporting documentation may be required. If the verification process identifies errors or inconsistencies a correction will be submitted, providing the discrepancy is clearly identified and the correct information is available on the signed verification documents. If your award changes because of verification you will be notified with a revised award letter.

**Types of Financial Aid Available at Moody Bible Institute Distance Learning**

**Pell Grants**

Students may receive up to $5,775 per year of Pell Grants.

- Pell Grants are available to eligible undergraduate students.
- Financial need is based on information submitted on the FAFSA.
- Students must be working on their first bachelor degree.
- Grant recipients may receive Pell Grants for up to 12 semesters or the equivalent.
If you have already met or exceeded 12 semesters of eligibility you will no longer be able to receive Pell Grants even if you meet all other criteria. Equivalency is calculated by adding together the percentage of Pell Grants you received each year. For example: Your annual maximum Pell Grant eligibility in 2014–2015 was $5,730, however, you only received $2,865 because you were only enrolled for one semester, you would have used 50% of your 600% (12 semesters equal 600%, your lifetime limit). If the next year you enroll in both semesters and receive your full amount of Pell Grants, you would use 100% of your Pell Grant eligibility and 150% of your lifetime limit.

The Federal Supplemental Educational Opportunity Grant
Students may receive $100 to $1,000 per year of Federal Supplemental Educational Opportunity Grants.

SEOG program is a supplemental grant for undergraduates with exceptional financial need. Because it is a grant, it does not need to be paid back. Pell Grant recipients with the lowest expected family contributions will be considered first for a SEOG award. Awards are automatically assigned until all funds are awarded. If you are awarded these funds they will show up on your award letter.

Federal Work-Study Programs
This program is a portion of Federal Student Aid, designed to provide eligible students an opportunity to earn a portion of their educational expenses through campus and community service based employment in various campus departments, offices and off-campus community services positions. Eligibility for this program is determined by the Federal government calculation using information from the FAFSA.

Students are paid at an hourly rate and receive pay every two weeks for the hours worked. The average Federal Work-Study hourly rate is an average of $9.00 per hour. It is Moody’s policy that a student may not be employed more than 24 hours per week during an academic period or 38.75 hours per week during a break period. A student’s work study award cannot be used as a credit on the student’s bill. Federal Work-Study positions are subject to campus availability.

Private Loans
Moody does not participate in the Federal Student Loan Program and encourages students not to borrow. Therefore, Moody does not provide a recommended lender list for Private Alternative loans nor do we suggest one lender or loan program over another. We encourage students and parents to research all private loan options carefully as interest rates, fees, terms, and conditions can vary widely. Private Alternative loan programs require credit checks and often require a credit-worthy co-signer for the loan to be approved.

These loans are based on the Prime Lending Rate or the London Interbank Offered Rate index which is the average interest rate that leading banks in London charge when lending to other banks. LIBOR fluctuates throughout the year.

Veterans’ Benefits
Moody is honored to serve veterans and active-duty members of the U.S. military and their dependents. Veterans new to the Chicago campus should email the VA Certifying Official at financialaid@moody.edu or go to the financial aid website at moody.edu to receive proper instructions to begin activation of benefits. Veterans new to the Spokane campus should email the VA Certifying Official at studentservices.spokane@moody.edu to begin activation of benefits. Please note: Montgomery GI Bill benefits are sent directly to the student as reimbursement, not to Moody as payment. Veterans are responsible to meet all payment deadlines established by Moody. Under Chapter 33, school costs are sent directly to Moody.

All of Moody Bible Institute Distance Learning degree programs have been approved by the State Approving Agency of Illinois, under Title 38, U.S. Code Chapters 30, 33, 35, 1606, 1607 and Vocational Rehab (Chapter 31), (this excludes certificate programs).

Veterans’ Benefits and Your Payments
Those wishing to use their VA benefits should keep in mind that due to the time needed for processing, the veteran may not receive initial benefits for several weeks and will need to plan accordingly. Payments are due in full by August 1 for the fall semester, December 1 for the spring semester, and May 1 for the summer term. If the benefit is in the form of Chapter 31 Vocational Rehab or Post 9/11 Chapter 33 and the benefit will cover 100% of the student’s charges and the student has been corresponding with the certifying official, an exception to having their balance paid in full by the due dates will be granted. For benefits that are less than 100%, students are required to pay the remaining balance by the payment deadline of the specific semester or to use a Moody payment plan (see Payment Policies).

Moody does not and will not provide any commission, bonus, or other incentive payment based directly or indirectly on success in securing enrollment or financial aid to any persons or entities engaged in any student recruiting or admissions activities or in making decisions regarding the award of student financial assistance. For a complete overview of VA participating programs, please visit moody.edu/federal-financial-aid/veterans-benefits/.
Outside Scholarships
If you receive any assistance from an organization outside Moody, this aid must be taken into consideration in calculating your financial aid award. Please send all outside scholarship checks* payable to:

Moody Bible Institute  
Dept. # 1018  
PO Box 6500  
Chicago, IL 60680-6500

Please note that outside scholarship awards become a part of the total financial aid award package and your financial aid may be reduced. Financial aid award packages cannot exceed the cost of attendance.

*Please include student name and ID # with all checks.

Tuition Assistance/Vouchers
Employers, governmental agencies, and branches of the military sometimes provide Tuition Assistance for students. The Office of Student Accounts and the Office of Financial Aid are available to provide verification or certification of a student’s eligibility benefits when necessary. For Vocational Rehabilitation and Employment for Veterans contact the VA certifying official at financial.aid@moody.edu. For all other TA benefits and vouchers contact student.accounts@moody.edu.

If the benefit is in the form of a voucher (which generally has a stated value) the student may apply that value to their school bill by emailing a copy to the Office of Student Accounts before Moody’s payment deadline (see Payment Policies). If the benefit covers 100% of a student’s school bill, no payment is necessary. For benefits that are less than 100%, students are required to pay the remaining balance by Moody’s payment deadline of the specific semester or to use the appropriate payment plan (see Payment Policies).

Please note the following:

• Moody is bound by the rules of the agency or organization with regards to withdrawals, refunds and filing dates.
• Military Tuition Assistance regulations require accurate start and end dates on all TA authorizations. Please reference the appropriate dates for each enrollment period.
• Tuition assistance vouchers are specific to the courses and or periods for which they are offered and course substitutions cannot be made unless written authorization for such substitutions are provided by an authorized member of the participating agency.

Institutional Aid
Institutional Scholarship Aid
The institutional scholarship program incorporates merit- and need-based scholarships funded by generous donors. Institutional scholarship funds are allocated annually based on institutional and donor guidelines. Students interested in applying for Moody Bible Institute Distance Learning scholarships and grants to help cover the cost of education are required to fill out the FAFSA to determine need. Besides documented financial need, full-time upperclassmen are given preference for any available aid. Additionally, students must submit financial aid application materials available on the my.moody.edu student portal > Financial Aid > 2015-2016 Institutional Scholarship Application and meet deadline requirements, May 1 for returning students and July 1 for new students. Scholarships are not automatically renewable, students must apply each year. Amounts and availability of scholarships are dependent upon funding each year.

Awarding Institutional Aid
Institutional funds are allocated annually by the Office of Financial Aid and must be managed within institutional and donors guidelines and criteria. Funds are limited. All students who apply will not be awarded aid. Priority is given to students who demonstrate a high need, fit donors’ criteria and exhibit good academic standing (minimum cumulative GPA of 2.0 or higher), have met the institutional deadlines, and are enrolled full-time (12 credits for undergraduate students). Institutional award amounts will be determined using both need and cumulative GPA. Awards will continue to be applied until all funds have been exhausted. All awards are disbursed over two semesters. Exceptions: December graduates will only receive the fall portion of their awarded scholarship and students who have less than 12 credits remaining in their final semester may be awarded a pro-rated scholarship based on the number of credits they are enrolled in. Awards will not exceed the cost of attendance.
Satisfactory Academic Progress

The Satisfactory Academic Progress policy is a policy that outlines successful progress toward a degree. It is evaluated on an annual basis after spring grades are posted and will affect eligibility for the upcoming fall semester.

Undergraduate students are required to maintain SAP in order to retain eligibility for Federal Student Aid. There is both a qualitative measurement and a quantitative measurement. The qualitative measurement requires a certain GPA based on the number of credits attempted based on the chart below.

<table>
<thead>
<tr>
<th>Credits Attempted</th>
<th>Minimum GPA</th>
</tr>
</thead>
<tbody>
<tr>
<td>&lt;30</td>
<td>1.80</td>
</tr>
<tr>
<td>30 &lt; 60</td>
<td>1.90</td>
</tr>
<tr>
<td>60+</td>
<td>2.00</td>
</tr>
</tbody>
</table>

In order to fulfill the quantitative measure you must complete two-thirds of all credits attempted, including Passed/Failed, repeated, incomplete, and dropped courses after the last day to drop a course without penalty.

Financial Aid Eligibility and Illegal Drug Use

A federal or state drug conviction for an offense that occurs while a student is receiving Federal Student Aid may disqualify a student from receiving Federal Student Aid funds including, but not limited to, Pell Grants, SEOG Grants, Federal Work-Study and institutional sources of aid.

For students convicted of possession or sale (including conspiring to sell) of illegal drugs where the offense occurred while the student was receiving Federal Student Aid, the student will be ineligible for Federal Student Aid as described below.

- **Possession of Illegal Drugs—1st Offense:**
  Ineligible for Federal Student Aid and institutional aid for 1 year from date of conviction.

- **Possession of Illegal Drugs—2nd Offense:**
  Ineligible for Federal Student Aid and institutional aid for 2 years from date of conviction.

- **Possession of Illegal Drugs—3rd Offense:**
  Ineligible for Federal Student Aid and institutional aid indefinitely.

- **Sale of Illegal Drugs—1st Offense:**
  Ineligible for Federal Student Aid and institutional aid for 2 years from date of conviction.

- **Sale of Illegal Drugs—2nd Offense:**
  Ineligible for Federal Student Aid and institutional aid indefinitely.

Please don't risk your health and financial aid eligibility by possessing, using, or selling illegal drugs.

Withdrawal from Moody Bible Institute Distance Learning

Students are awarded Title IV aid with the assumption that they will complete the entire period for which assistance was provided. While the aid will be disbursed before the end of the semester, you have not earned all of the money on the first day of courses. Once you have started attending courses, you begin to earn your awarded aid. When a student ceases enrollment in all courses after a semester begins, the student is considered to be withdrawn for that semester. The U.S. Department of Education requires schools to determine if such students earned all the Federal Student Aid they received. This is a percentage based on the number of calendar days attended versus the total calendar days for the enrollment period. Once this percentage is calculated, it is used to determine the amount of Title IV aid that may be retained to cover charges on the student’s account. If you withdraw prior to 60% of the payment period being completed, any unearned aid must be returned to the U.S. Department of Education. Federal Student Aid recipients who are considering withdrawing from a semester are encouraged to contact the Office of Financial Aid prior to withdrawal. Failure to officially withdraw from Moody may result in the student receiving all unofficial withdrawal grades (FN), resulting in an unofficial term withdrawal and the return of Title IV aid. In order to withdraw from Moody you need to contact the Office of Academic Records and provide official notification and follow the Term Withdrawal policy (see Academic Information and Policies).
**Determining Withdrawal Date**

A student’s withdrawal date is determined based upon one of the following:

- The date the student began the official withdrawal process as noted on the Term Withdrawal form.
- If the student did not complete an official Term Withdrawal form, then the midpoint of the semester will be used. If there is documentation of an academically related activity (submitted an assignment, was active on the course website, participated in a course activity, etc.), then that date may be used instead.

Once the withdrawal date is determined, a Title IV refund calculation will be performed. All unearned Title IV aid funds will be returned to their respective programs within 45 days of the determined date of withdrawal. Funds will be returned in the following order:

- Federal Pell Grant
- Federal Supplemental Opportunity Grant

After the Office of Financial Aid has a withdrawal date the Return to Title IV calculation will begin as follows:

**Step 1:** Determine the percentage of aid earned by calculating the percentage of the period that the student completed.

**Step 2:** Determine the amount of earned aid by applying the percentage to the total Title IV aid that was or could have been disbursed.

**Step 3:** Determine the amount of unearned aid by subtracting earned aid from disbursed aid or determine the amount of a post-withdrawal disbursement by subtracting disbursed aid from earned aid.

**Step 4:** If unearned funds must be returned, determine the school’s and the student’s shares; or if a post-withdrawal disbursement is due, determine the sources from which it will be funded.

**Step 5:** If unearned funds must be returned, allocate unearned aid to programs from which student was funded; or if a post-withdrawal disbursement is due, send student applicable notification.

**Step 6:** Return Moody’s share and any funds repaid by the student or refer the student to the Department of Education; or make the post-withdrawal disbursement.

When a refund and/or repayment has been calculated, the funds will be returned to the programs in the order that is mandated. The Office of Student Accounts will mail a notice to the student, outlining the adjustments in the student’s aid informing the student of any amounts that must be repaid or a check with the amount that must be refunded to the student.

**Unofficial Withdrawal**

A student who receives failed grades (F) will be considered to have completed the semester. A student who receives unofficial withdrawal grades (FN) in all courses at the end of the semester may be subject to the Return to Title IV policy. If a student is receiving Title IV funds and receives unofficial withdrawal grades (FN) in all courses, generally the midpoint of the semester will be used. If there is documentation of an academically related activity (submitted an assignment, was active on the course website, participated in a course activity, etc.) after the midpoint of the semester, then the withdrawal calculation may be based on this date instead.

### GRAUDATE FINANCIAL AID

#### Financial Aid
Students interested in applying for Moody scholarships and grants to help cover the cost of education are required to fill out the FAFSA to determine need. Besides documented financial need, full-time students with at least a 2.50 GPA who are closest to graduation are given preference in being considered for available aid. Every year, Moody makes an assertive effort to assist as many students as possible. Additionally, students must enroll in at least 6 credits and meet application deadline requirements. For answers to questions, please do not hesitate to contact financialaid@moody.edu.

#### Federal Aid/Loans/Grants
Moody has chosen to enroll in the federal Title IV educational financial aid programs for grants only. Transfer students who have acquired federal loans while studying at other institutions are eligible for deferment while attending Moody Bible Institute Distance Learning. Please direct any student aid questions to the Student Aid office via email at financialaid@moody.edu.

#### Veterans’ Benefits
The majority of Moody’s courses have been approved by the State Approving Agency of Illinois, under Title 38, U.S. Code Chapters 30, 32, 35, 106, Vocational Rehab and Title 10, Veterans’ Benefits. Those wishing to enroll under these plans should keep in mind that due to the time needed for processing, the veteran may not receive initial benefits for several weeks. Be sure to plan accordingly. Please visit moody.edu/seminary/veterans_benefits/ for more information.
Moody is honored to serve veterans and active-duty members of the US military and their dependents. Veterans new to the Chicago campus should email the VA Certifying Official at financialaid@moody.edu or go to the financial aid website at moody.edu to receive proper instructions to begin activation of benefits.

**Outside Scholarships**

If you receive any assistance from an organization outside Moody, this aid must be taken into consideration in calculating your financial aid award. Please send all outside scholarship checks* payable to:

Moody Bible Institute  
Dept. # 1018  
PO Box 6500  
Chicago, IL 60680-6500

Please note that outside scholarship awards become a part of the total financial aid award package and your financial aid may be reduced. Financial aid award packages cannot exceed the cost of attendance.

*Please include student name and ID # with all checks.

**Tuition Assistance/Vouchers**

Employers, governmental agencies and branches of the military sometimes provide Tuition Assistance, for students. Student Accounts and Financial Aid are available to provide verification or certification of a student’s eligibility benefits when necessary. For Vocational Rehabilitation and Employment for Veterans contact the VA certifying official at financial.aid@moody.edu. For all other TA benefits and vouchers contact student.accounts@moody.edu.

If the benefit is in the form of a voucher (which generally has a stated value) the student may apply that value to their school bill by emailing a copy to Student Accounts before the semester payment deadline. See Payment Policies section for deadlines. If the benefit covers 100% of a student’s school bill, no payment is necessary. For benefits that are less than 100%, students are required to pay the remaining balance by the payment deadline of the specific semester or to use a Moody payment plan.

Please note the following:

- Moody is bound by the rules of the agency or organization with regards to withdrawals, refunds and filing dates.
- Military Tuition Assistance regulations require accurate start and end dates on all TA authorizations. Please reference the appropriate dates for each enrollment period.
- Tuition assistance vouchers are specific to the courses and or periods for which they are offered and course substitutions cannot be made unless written authorization for such substitutions are provided by an authorized member of the participating agency.

ACADEMIC INFORMATION

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

The Family Educational Rights and Privacy Act of 1974, as amended, sets forth requirements regarding the privacy of student records. This document outlines Moody’s policies for the handling of student educational records, which are protected by this federal law. All educational officials requesting educational records on any student must read the following policies and demonstrate a legitimate educational interest in order to access FERPA-protected information.

This information is also provided to all students of Moody as required by federal law, in accordance with the Annual Notification Requirement. Students have three primary rights under FERPA: (1) the right to inspect and review their education records; (2) the right to seek to amend education records; and (3) the right to have some control over the disclosure of information from their education records.

Moody is in compliance with FERPA, which is designed to protect the privacy of educational records, to establish the right of students to inspect and review their records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with the FERPA office concerning alleged failures by Moody to comply with provisions of the act. Such complaints should be sent to the following address: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, D.C. 20202-4605.

Moody has adopted a policy that explains in detail the procedures used for compliance with the provisions of the act. Copies of the policy are available upon request in the Office of Academic Records or may be printed from the website.

CLASSIFICATION AND CREDITS

Credit Hour Definition
Credits at Moody are given in semester hours. A semester credit hour is defined as one 50-minute period and two to three hours of out-of-class student work per week for approximately 15–16 weeks. An equivalent or greater amount of work is required for internships, practice, studio work, and other academic work for which credit hours are awarded. Semester sessions that are less than 15–16 weeks provide a concentrated schedule to achieve the required semester credit hours.

Academic Semesters
Moody has three semesters during each academic year whereby students may complete credits toward their academic program through semester course offerings and alternative sessions in which dates may vary. Please see the academic calendars for specific session dates.

**Semester Grade Point Average**

A student’s semester GPA is determined by dividing the total number of grade points earned in a semester by the total credits taken toward GPA in a semester within a student’s academic career.

**Cumulative Grade Point Average**

A student’s cumulative GPA is determined by dividing the cumulative number of grade points earned by the cumulative credits taken toward GPA within a student’s academic career.

**Scholastic Honors**

Honors at graduation are based on a student’s cumulative GPA and evidence of Christian character. Honors are not automatically granted to graduates. Honors are granted by the faculty and may be withheld or modified, based on the processing of final grades. The following guidelines are used to determine scholastic honors:

ACADEMIC TRANSCRIPTS

Students may request a transcript of their academic record through the Office of Academic Records. Moody will not issue a transcript or release other non-public information except on the written request of the student. Transcript requests may not be processed for students who have a hold on their account or a past-due balance. If a request for a transcript is submitted between the completion of a course and the release of grades, the Office of Academic Records will send out that transcript without the latest course grade(s) unless otherwise requested by the student.

The following fees are applied to transcript requests per transcript:

- 3–5 business days’ processing ($10.00 U.S.; check, cash, or credit card)
- 1–2 business days’ processing ($15.00 U.S.; check, cash, or credit card)
- Overnight within the continental U.S. ($40.00 U.S.; check, cash, or credit card)

Processing time does not include delivery time. Please make checks payable to “Moody Bible Institute.” Only MasterCard or Visa are accepted. For additional information, contact the Office of Academic Records at (312) 329-2020 or academicrecords@moody.edu.
ACADEMIC POLICIES

Students are responsible for satisfying the requirements of their academic program as documented in the catalog for the academic year in which they were admitted or readmitted. However, academic information and policies are subject to change and will be updated in the current academic catalog. Students are responsible for adhering to the policies below.

Academic Credit Policies (Undergraduate)
Undergraduate academic credit includes credits earned at Moody, transfer credit, and credit by examination. Institutional credit contributes to the student’s grade point average, while transfer credit and credit by examination do not contribute to the student’s grade point average. The cumulative total of transfer credit and credit by examination cannot exceed 75 percent of a student’s program requirements. Final approval of academic credits is under the authority of the registrar. Moody Bible Institute Distance Learning does not grant academic credit for non-academic prior experience.

Transfer Credit
Undergraduate courses being considered for transfer credit must meet the following criteria:

- The course must be taken at an institution of higher learning that is regionally accredited, accredited by the Association for Biblical Higher Education (ABHE), or accredited by the Transnational Association of Christian Colleges and Schools (TRACS).
- The course must be equivalent in content and credit hours (i.e. 4.5 quarter hours = 3 semester credit hours).
- The student must earn a grade of C or better for the transfer of undergraduate courses completed within the past fifteen years or the student must earn a grade of B or better for the transfer of undergraduate courses completed within the past thirty years. A course graded on a pass/fail basis will not transfer.
- The total of transfer credits cannot exceed 75 percent of a student’s program requirements.
- The course fulfills one of the student’s academic program requirements.
- Records must be submitted on official transcripts.

Credit by Examination
Moody Bible Institute Distance Learning accepts Advanced Placement (AP) Examination, College-Level Examination Program (CLEP), International Baccalaureate (IB), and other credit by examination testing recognized by the American Council on Education (ACE). Official test scores must be submitted two semesters (fall and spring) prior to a student’s expected graduation date. The total of credit by examination cannot exceed 25 percent of a student’s program requirements. For a list of courses and the established acceptable scores, contact the Office of Academic Records.

Earned Degree Credit
Credits used to fulfill the requirements of a degree program will not apply toward the completion of a second, equivalent-level degree at Moody.

Academic Credit Completion Deadlines
Graduating students must successfully complete transfer credit and credit by examination two semesters (fall and spring) prior to graduation as indicated below:

<table>
<thead>
<tr>
<th>Graduation Date</th>
<th>Academic Credit Deadline</th>
</tr>
</thead>
<tbody>
<tr>
<td>Spring (May)</td>

</tr>
</tbody>
</table>

Statute of Limitations
Undergraduate academic credits that exceed thirty years from the date of admission are not applicable to current academic program requirements.

Academic Credit Policies (Graduate)
Graduate academic credit includes credits earned at Moody, which contributes to the student’s grade point average. Moody Bible Institute Distance Learning does not accept transfer credit, advanced standing credit, or validation examination credit for its graduate programs. Final approval of academic credits is under the authority of the registrar. Moody Bible Institute Distance Learning does not grant academic credit for non-academic prior experience.

Earned Degree Credit
Credits used to fulfill the requirements of a degree program will not apply toward the completion of a second, equivalent-level degree at Moody.

Statute of Limitations
Graduate academic credits that exceed ten years from the date of admission are not applicable to current academic program requirements.
**Academic Dismissal**

The Academic Standards Committee determines academic dismissal on a case-by-case basis. Students may appeal their academic dismissal status within ten calendar days from the time the dismissal notification is received. Students must submit a written, formal letter of appeal to the Office of Academic Records stating the reason for the appeal. The committee will act on the appeal and the registrar will communicate the final decision.

Students academically dismissed are ineligible to apply for readmission. As stated above, any appeal for an exception to the dismissal policy must be submitted to the Academic Standards Committee within ten days of receiving the dismissal notification. The Academic Standards Committee will then act on the appeal. The decision of the committee is considered final.

**Academic Probation**

**Undergraduate Probation**

Students admitted to Moody are assumed to have the preparation, desire, and ability to make satisfactory progress toward the completion of the academic program in which they have active status. Undergraduate students whose cumulative GPA is less than 2.00 after 12 attempted credits will be placed on academic probation. The Academic Standards Committee has the responsibility of reviewing and determining students’ academic status each semester based on academic proficiency.

Undergraduate students on academic probation must keep a continual enrollment until a cumulative GPA of at least 2.00 is achieved. Students must follow the instructions and guidelines of academic probation administered by the Academic Standards Committee. Undergraduate students may be removed from academic probation when they achieve a cumulative GPA of at least 2.00. Removal of academic probation is decided by the committee and will be evaluated on a case-by-case basis. The committee may determine to place students on a final semester of probation in which students are subject to academic dismissal.

**Graduate Probation**

Students admitted to Moody are assumed to have the preparation, desire, and ability to make satisfactory progress toward the completion of the academic program in which they have active status. Graduate students whose cumulative GPA is less than 2.50 after 9 attempted credits will be placed on academic probation. The Academic Standards Committee has the responsibility of reviewing and determining students’ academic status each semester based on academic proficiency.

Graduate students on academic probation must keep a continual enrollment until a cumulative GPA of at least 2.50 is achieved. Students must follow the instructions and guidelines of academic probation administered by the Academic Standards Committee. Graduate students may be removed from academic probation when they achieve a cumulative GPA of at least 2.50. Removal of academic probation is decided by the committee and will be evaluated on a case-by-case basis. The committee may determine to place students on a final semester of probation in which students are subject to academic dismissal.

**Academic Program Time Limits**

Students are required to meet all academic requirements within their academic program time limit as listed below:

<table>
<thead>
<tr>
<th>Program</th>
<th>Maximum Years to Complete Program</th>
</tr>
</thead>
<tbody>
<tr>
<td>Undergraduate Certificate of Biblical Studies</td>
<td>5 years</td>
</tr>
<tr>

<td>10 years</td>
</tr>
<tr>
<td>Master of Arts degree</td>
<td>5 years</td>
</tr>
</tbody>
</table>

Students who fail to complete their program requirements within their program’s time limit must submit a written appeal to the registrar.

**Change of Program**

**Undergraduate**

Undergraduate students may request a change of program through the Office of Academic Records. This may include a concentration change, to be effective for the current semester. If approved, a student’s program requirements may change to the requirements documented in the corresponding academic catalog. Students enrolled in a certificate or degree program must apply through the Admissions office to be admitted to a Spokane or Chicago campus degree program. Students enrolled in a nondegree program must apply through the Admissions office to be admitted into a certificate or degree.

**Graduate**

Graduate students may request a change of program through the Office of Academic Records to be effective for the current semester. If approved, a student’s program requirements may change to the requirements documented in the corresponding academic catalog. Students enrolled in a degree program must apply through the Admissions office to be admitted to a Moody Theological Seminary and Graduate School certificate or degree program. Students enrolled in a nondegree program must apply through the Admissions office to be admitted into a certificate or degree.
Course Attendance
Course attendance and participation is essential to academic achievement and the successful completion of a course. Faculty members have the prerogative to establish their own attendance and participation policies in regard to academic requirements. Students needing to drop a course must follow the course drop policy.

Course Audits
Students may request to audit a course using the audit form available on the my.moody.edu student portal. Instructors approve course audits. Students are required to attend the course and adhere to course attendance policies, but are not required to complete course assignments unless requested by the instructor. Courses required for the student’s academic program cannot be audited. Audits are permitted for extension sites and are not permitted for online or independent study courses.

Course Cancelations
Moody reserves the right to cancel a course due to lack of enrollment or extenuating circumstances. In the event that a course cancelation inhibits students from meeting their expected graduation date, Moody will provide an opportunity to satisfy the course requirement. This may include transfer credit, a replacement course, or the opportunity to register in a directed study course. If the canceled course is an elective, the student will be presented with other elective options.

Course Drops
Students may drop a course at any time prior to the end of the course on the my.moody.edu student portal. Grades will be assigned based on the date the course is dropped, according to the schedule below (dates are subject to change). Specific dates for the course drop schedule may be found on the my.moody.edu student portal. Students needing to drop from all courses in a semester must follow the term withdrawal policy prior to dropping courses (see Term Withdrawal). Courses dropped after the halfway point of the course will be assigned a withdrawal failing grade (WF), which will negatively affect the GPA. Students dropping courses may be permitted refunds according to the refund policies (see Financial Information).

Course Extensions
Students unable to complete the requirements of a course by its end date, due to extenuating circumstances beyond the student’s control, may request a course extension from their faculty member. The reason for the extension needs to be valid and documented. Extension forms may be obtained from the Office of Academic Records and must be submitted two weeks prior to the end of the course. If an extension request is approved, the student will receive additional time according to the table below. All coursework must be completed by the end of the extension. Students who do not complete and submit all final coursework to their instructor by the end of the extension will receive an official grade based on the coursework submitted. This may result in a failed grade (F).

Course Repeats
Students may repeat a course in which they have previously received a failed grade (F), withdrawal failing grade (WF), or unofficial withdrawal grade (FN). When a course is repeated, the most current grade will be used to calculate the current and cumulative GPA. The previously attempted course will remain on a transcript in the semester when taken, but the grade for the previously attempted course will be noted with the respective replacement grade (i.e., X, WX, or XN), which will not affect a student’s GPA. Students will be required to pay tuition for a repeated course.
Grade Appeals
Faculty members are responsible for issuing official grades to students. Students have four months from the date a grade is issued to appeal it. Students may appeal a grade if the student believes that the grade has been miscalculated or graded unfairly. In order to appeal a grade, the student contacts the faculty member and attempts to resolve the issue. In the event the issue is not resolved, the student should follow the Grade Appeal process outlined in the Moody Bible Institute Distance Learning Student Handbook. After four months, the grade will be considered final and may no longer be appealed.

If at any point a student is no longer on track to meet the Graduation Requirements, commencement eligibility will be revoked.

For additional information and instructions regarding Graduation and Commencement, contact the Office of Academic Records.

Non-enrollment

Undergraduate
Undergraduate students are permitted to retain active status in an academic program for two consecutive fall or spring semesters of non-enrollment from the date of admittance without being discontinued. Non-enrollment at the beginning of the third fall or spring semester will result in discontinuation. Undergraduate students persisting in a program, will be permitted four consecutive fall or spring semesters of non-enrollment without being discontinued. Non-enrollment at the beginning of the fifth fall or spring semester of non-enrollment will result in discontinuation. Once discontinued, students will be required to apply for readmission through the Office of Admissions.

Graduate
Graduate students are permitted to retain active status in an academic program for two consecutive fall or spring semesters of non-enrollment at any point during their program. Non-enrollment at the beginning of the third fall or spring semester will result in discontinuation. Once discontinued, students will be required to apply for readmission through the Office of Admissions.

Plagiarism
Plagiarism is taking the ideas or words of another person and presenting them as one’s own. Sometimes plagiarism is an intentional act of deception. Sometimes it is simply the result of ignorance, carelessness, or sloppy work. In either case it is unethical and constitutes a serious infraction of academic policy. When the words or ideas of others are used, proper credit must be given, either in a footnote or in the text.

The procedure for determining penalties for plagiarism is processed in the following manner:

- First offense: a minimum penalty of a failed grade (F) is given for the assignment; the instructor must notify the academic dean and the registrar. A record of the violation goes into the student’s file and may be reviewed by the Academic Standards Committee.
- Second offense: a minimum penalty of a failed grade (F) is assigned for the course; the instructor must notify the academic dean and the registrar. The dean of students or the registrar will notify faculty of students who incur a second offense in this area. A record of the violation goes into the student’s file and may be reviewed by the Academic Standards Committee.
- Third offense: the instructor must notify the academic dean and the registrar. The student will be suspended or dismissed from Moody Bible Institute Distance Learning. A record of the violation goes into the student’s file.

Faculty members reserve the right to refer matters of academic dishonesty to the Academic Standards Committee for their review and determination. Upon recommendation of the committee, penalties for plagiarism may include dismissal from the school or the revocation of an academic program.

Term Withdrawal
Students who must withdraw from all courses during a semester for any reason are required to complete the term withdrawal process through the Office of Academic Records.

Unofficial Term Withdrawal
Failure to officially withdraw may result in the student receiving unofficial withdrawal grades (FN). Students are issued an unofficial withdrawal grade (FN), indicating unofficial withdrawal from a course, when they cease to attend or participate in academically related activity. The unofficial withdrawal grade (FN) negatively affects GPA. When a student receives unofficial withdrawal grades (FN) in all courses for a session, it results in unofficial term withdrawal and the return of Federal Title IV aid (see Financial Aid).
STUDENT SERVICES

EDUCATIONAL SERVICES

Crowell Library
The purpose of Moody’s library services is to provide support for the global vision and biblical mission of Moody. The library provides resources and services that promote the curricular and information needs of all undergraduate students (including those enrolled in Distance Learning) through the Crowell Library in Chicago and the Spokane Branch Campus Library in Washington.

The Chicago Crowell Library provides access to 164,000 books, 11,000 e-books, 300 print serials, 24,000 online serial titles, and 16,000 film, video, and sound recordings, as well as 90 electronic databases. In addition to over 80,000 books dedicated to Bible and theology in its main collection, specialized resources are provided through its media collection, music collection, education curriculum lab, reference section, and archives room, all of which is managed by a dedicated professional and support staff in a 42,000-square-foot, two-floor facility.

The Spokane Branch Campus Library provides access to 9,000 books, 11,000 e-books, 14 print serials, 13,000 online serial titles, an assorted array of video and sound recordings, and 60 electronic databases and has reciprocal borrowing agreements with nearby Gonzaga. The library is managed by a dedicated staff in a recently redesigned 2,500-square-foot area located on the second floor of the main campus facility of Fourth Memorial Church.

The Association of Theological Schools has commended the Michigan Campus Library for its 77,000 resources, which include 12,101 e-books, 8,453 print serials, 14,134 online serial titles, 3,431 film, video, and sound recordings, 33 electronic databases, and both an in-depth reference and specialized counseling section, all managed by a dedicated professional and support staff in a 7,500-square-foot, one-floor facility.

Chicago, Spokane, and Michigan library resources are accessible through an online catalog, a website, and an on-campus wireless connection. Comfortable lounge and study chairs, desks and carrels, printers, photocopiers, and computers are available in each location, and each provides services in circulation and reserves, interlibrary loan, reference and research, and information literacy and other special programs, as well as acquisitions, cataloging, processing, and preservation of resources.

Information Technology Services
Information Technology Services provides classroom technology support to students and faculty. This support includes assistance in connecting to and using the smart desks in the classroom environment. Students can check out cameras, projectors, and other technology devices for use in classes and PCM service. ITS also supports Blackboard, computer labs, and the campus printing system. For further information about ITS services, please visit the ITS website at ets.moody.edu.

Student Advocacy Team
The student advocacy team exists to encourage student success by actively working with the student to understand and make full use of all of the student services provided by Moody. A student advocate is assigned to the student at the time of admission to MDL and will continue with the student through completion of their program.

Where many student service departments provide resources to students as they have need, the student advocacy team is primarily concerned with the student themselves. Student advocates can assist students with goal setting, time management, troubleshooting of registration, elevating student concerns to the appropriate supervisors, among many other things. Moody Bible Institute Distance Learning provides each degree seeking student with a student advocate. If you are unsure of who your student advocate is after you have been admitted, please contact mdlc@moody.edu to find out.

DISABILITY SERVICES

It is the goal of Moody to ensure that all college services, activities, facilities, and privileges are accessible to qualified persons with disabilities. Reasonable accommodations will be made on an individualized basis. It is the responsibility of persons with disabilities, however, to seek available services and make their needs known to the Student Resource Center.

Students who believe they have a disability which might affect their academic performance and require accommodations or auxiliary aids and services, should email the Student Resource Center at studentresourcecenter@moody.edu. For more information please visit the website, moody.edu/disability-services.
ALUMNI ASSOCIATION

Purpose
The Alumni Association exists to facilitate mutually beneficial relationships based upon common Moody experiences and to serve as a vehicle for a relevant ministry to alumni around the world.

Membership
Former students are considered alumni when they have completed at least 15 hours of college-level work in a degree or certificate program. Some benefits are restricted to graduates of Moody. There is no membership fee for the Alumni Association, though there are various opportunities for alumni to contribute to specific Institute projects and alumni awards.

Alumni Board of Directors
The Alumni Board, made up of ten to fifteen individuals, is a diverse representation of alumni from all programs offered by Moody. They serve as an advisory board to the Alumni Association staff regarding policy matters, communications, and special projects, as well as give insight to the administration based on their own experiences in ministry and relationships with alumni. Members serve a term of three years, with the option of a second three-year term. The missionary representative on the board serves a single three-year term.

Alumni Brick Walkway
The walkway surrounding the Alumni Student Center is a visible tribute to alumni and employees throughout the history of Moody who have influenced the ministry of Moody or benefited from it. The initial phase of the Alumni Walkway campaign funded a significant portion of the construction cost of the Alumni Student Center. Currently, brick sponsorships are donated to the Faculty Travel Endowment Fund.

Alumni Gatherings
Gatherings give alumni the opportunity to fellowship together and to interact with Institute staff. Events are planned by office staff along with the assistance of Alumni Board members and local alumni. Often the events coincide with other Institute functions or music touring groups’ schedules both across the United States and abroad. All alumni and prospective students are welcome and are encouraged to participate in gatherings held in their geographical area.

Alumni Directories
The Alumni Association produces a printed directory every four to five years and maintains a secure online directory, via the Moody Alumni portal, in which alumni can interact. To register for the online directory, go to moody.edu/alumni/ and select the link for the “Alumni Portal.” Alumni may also contact the office to update their contact information and locate former classmates at (312) 329-4412 or mbialum@moody.edu.

Alumni Online
In addition to the online directory, the Alumni Association has a growing internet presence. The official website, moody.edu/alumni, features alumni stories, campus news, event information, and more. Alumni have the opportunity to develop a professional network with each other through the LinkedIn group, while the Facebook fan page activities and Twitter updates and links offer alumni more relational opportunities.

Alumni Photo Identification
The Alumni Association has established a photo ID policy for those alumni in good standing who frequently visit the campus. This may be obtained through visiting the Alumni Office and must be renewed every 4 years. This ID will serve as your Solheim Center alumni pass as well.

Alumnus of the Year
Each year one alumnus is chosen to receive the Alumnus of the Year award based on a lifetime of exemplary Christian character, service, and loyalty to the Word of God. This recipient is recognized on Alumni Day of Founder’s Week, has his or her name placed on the Wilbur Smith trophy on display in the Alumni Office, receives a crystal trophy, and is awarded an engraved commemorative desk chair. The Alumnus of the Year is nominated by alumni, endorsed by others in the ministry, selected by the Alumni Board of Directors, and affirmed by the administration. Nominations can be submitted through the Alumni Association website at moody.edu/alumni.

Distinguished Service Awards
The Distinguished Service Award is given to several recipients every year to recognize the achievements and service of Moody alumni. In this vein, graduates are selected and honored who have distinguished themselves through faithfulness to Christ, perseverance in service, and contributions to advance the cause of Christ around the world. Recipients are nominated by alumni, endorsed by others in the ministry, selected by the Alumni Board of Directors, and affirmed by the administration. Nominations can be submitted through the Alumni Association website at moody.edu/alumni.

Faculty Citation Award
A $3,500 grant is awarded annually to an outstanding faculty member based on attitude, writing achievement, public ministry, classroom effectiveness, and involvement with students. The recipient is nominated by his or her department or the senior class council, chosen by a
selection committee, and approved by the Alumni Board. The award is announced on Alumni Day during Founder’s Week.

**Faculty Travel Endowment Fund**
The Faculty Travel Endowment Fund was created to help professors gain more experience in cross-cultural ministry opportunities. The fund provides the means for professors to serve on ministry trips during spring or summer breaks and sabbaticals. For every $500 gift received for this fund, the name of an alumnus or employee to be honored may be engraved on a brick and placed in the Alumni Walkway.

**Founder’s Week**
Founder’s Week provides the alumni family with opportunities to reconnect with former classmates and to hear from alumni across the globe through a variety of reunions and events. Alumni Day allows for the opportunity to hear alumni speakers, award special recognitions, host our annual alumni banquet, and hold class reunions. These special days are equivalent to homecoming at other colleges and universities and celebrate our founder, Dwight L. Moody.

**Moody Alumni News**
The Moody Alumni News magazine is printed three times a year. It highlights campus news and upcoming events and provides alumni updates and photos. It is distributed to all alumni, unless otherwise requested, and is also made available in digital format via the Alumni Association website at [moody.edu/alumni](http://moody.edu/alumni).

**Student Grants**
The Alumni Association awards five grants of $1,000 each year: three are awarded to undergraduate juniors who will be returning as seniors and two to seminary students. The criteria for the awards include Christian character, academic achievement, extracurricular activities, and financial need.

## CAREER DEVELOPMENT CENTER

**Purpose**
The Career Development Center is a ministry of Moody. Its purpose is to serve the current students and alumni of Moody and the church of Jesus Christ by connecting students and alumni primarily with ministry opportunities and prospective employers in ministry and secondarily in the marketplace. All students enrolled in a certificate or degree program and alumni of Moody may use the Career Development Center’s services, with the only restriction of church pastoral staff positions where a minimum level of training is required. To use the referral service to connect to church pastoral staff positions, a person needs to have graduated from one of Moody’s undergraduate or graduate academic programs.

**Website**
The website for the Career Development Center is the main portal of entry for those seeking career assistance. Helpful assistance may be arranged depending on the need and location of the student or alumni. The website address is [moody.edu/careerdevelopment](http://moody.edu/careerdevelopment). There is a great amount of helpful information to assist students and alumni in ministry/job transitions or if they are contemplating a change of employment. Some of the services are career counseling, self-assessment, career research, job-search skills, and job opportunities.

**Contact Information**
Patrick Friedline, Associate Dean of Career Development, 820 N. LaSalle Blvd., Chicago, IL 60610, patrick.friedline@moody.edu or (800) DLMOODY (356-6639) and ask for Career Development.

BACHELOR OF SCIENCE IN THEOLOGY AND CULTURAL ENGAGEMENT

The Bachelor of Science in Theology and Cultural Engagement is designed to provide a theologically grounded, culturally savvy skillset for engaging the world. Drawing from theological studies, cultural and global studies, and economic and political theory the program prepares students to engage in ministry that is relevant to and effective within today’s global environment. The degree program is especially designed for students with a desire to develop and lead ministries that address the challenges of the church and the world.

Student Learning Outcomes

- Analyze various cultures identifying their unique problems, values, distinctives, strengths, and weaknesses.
- Develop sustainable, viable, and theologically informed proposals for engaging cultural challenges.
- Synthesize information from a variety of disciplines and sources through primary and secondary research.
- Utilize appropriate techniques and disciplines to foster spiritual growth and development.

Distinctive Areas of Interest

The combination of theology and cultural studies infused with an entrepreneurial, forward-thinking spirit makes the program unique within the context of Christian higher education. The program recognizes the challenges facing believers as they interact within an increasingly global, multicultural environment and seeks to provide the resources for approaching cultural challenges from a theological perspective that is both theoretical and practical.

In addition, the program recognizes that religious systems are not the only systems with a theological base. Economic and political realities are rooted in an understanding of God and creation. Such realities often hinder human capacity to see new possibilities.

Potential Careers & Educational Paths

Because of its broad coverage of areas impacting institutions of all sorts, as well as the inclusion of biblical and theological coursework, those graduating from the program would be well prepared to adapt to almost any setting.

Within the church, graduates would be well prepared for roles such as associate, non-preaching pastoral roles. Graduates would be well prepared to work with parachurch organizations, Christian think-tanks, and entrepreneurial ventures. Though the program is not limited to international studies, students would be uniquely prepared for service with international agencies due to the cultural studies aspects of the program.

Graduates would also be prepared to pursue academically oriented Master of Arts programs including, but not limited to the Master of Theological Studies and Master of Divinity degrees, as well as more practically oriented programs such as the Master of Arts in Applied Biblical Studies.

Requirements

A total of 121 credits must be completed to receive the Bachelor of Science in Theology and Cultural Engagement degree. This program is offered through Moody Bible Institute Distance Learning and is effective for students admitted in fall 2015 through summer 2016.

GRADUATE PROGRAMS

MASTER OF ARTS IN APPLIED BIBLICAL STUDIES

The Master of Arts in Applied Biblical Studies has been designed as a cohort program. Students entering the program will begin and end the program together, walking through a predetermined sequence of courses. Courses must be taken in order, as each course is a prerequisite to the one preceding it. In addition to the courses listed below, students will participate in online formation groups that meet at various points throughout the program. The program may be completed in two years taking the majority of courses one at a time with continuous enrollment. At least a one week break is scheduled after each course, excluding the 1-week non-credit component Christian character requirements. The program also requires the completion of a student portfolio which includes the completion of a case study.

Student Learning Outcomes

• Identify one’s own pre-understandings and their linkage to personal identity and cultural context.
• Construct expository, contextualized and applied interpretations of situations, relationships, and biblical texts.
• Analyze major interpretive positions from and in conversation with the history of interpretation of the Old and New Testaments.
• Explain one’s interpretations in relation to key elements within the history of biblical studies.
• Exercise judgment in the formulation of Christian practice collaborating critically with a variety of sources within diverse contexts.
• Articulate the linkage between one’s interpretations or actions and one’s dispositions and Christian habits.

Distinctive Areas of Interest

The degree offers a concentrated study of the Scriptures through an analysis of the various literary genres of the Old and New Testaments. In addition to the development of interpretive skills, students will be introduced to action research as a tool for effectively applying the Scriptures in real life settings.

Potential Careers & Educational Paths

After graduating from the degree you would be prepared to serve in various capacities within the church. Some positions might include, but are not limited to, associate pastor, missions or outreach pastor, small group pastor, or children and youth pastor.

Those working in para-church ministries or in a secular environment would also benefit from the degree in disciplines of biblical interpretation as well as through critical thinking skills and contextualized understanding. Students from the program have also been accepted into doctoral level programs.

Requirements

A total of 36 credits must be completed to receive the Master of Arts in Applied Biblical Studies. This program is offered through Moody Bible Institute Distance Learning as a cohort program and is effective for students admitted in fall 2015 through summer 2016. This curriculum will remain in effect for students who remain active and do not change programs. Students who fail to complete this program within five years will be discontinued and required to apply through the Office of Admissions into the current academic catalog’s requirements.
