Dear Brothers and Sisters in Christ Jesus,

Ezra understood the nature of his times. He saw that the Word of God, specifically the Law of Moses embodied in the Torah, was part of the history of the people of Israel in exile but was not part of their practical, everyday lives. For one thing, few Jews read or understood the Hebrew text, and few spoke anything other than Aramaic. In response Ezra made a purposeful resolve: he would fervently study the law of God, practice it in his daily life, and then seek to teach others what he had learned (Ezra 7:10). The culmination of his resolve is seen, at least in part, in Nehemiah 8, where Ezra carried out a public reading of the law, translating it into the vernacular of God’s people (Aramaic) and giving the sense so that people could do something about it. Ezra exposed anew the relevance of the Word of God to his generation.

Our day is really not much different than Ezra’s day. The Word of God is in our history as a nation, but it often is not in our daily lives, even for those who call themselves the church. Moody Theological Seminary exists to assist you to stand in the gap as Ezra did in his day. We seek to train men and women to form the living bridge between God’s Word as it is (written in Hebrew, Aramaic, and Greek) and a world for whom the thought of a Word from God is foreign. Our programs are designed to help you not only to study the Word but also to apply it personally and then incarnate its truths, as Ezra did. It is only with these principal foundations securely in place that anyone is in a proper position to instruct others, whether through preaching, teaching, writing, counseling, or any other ministry form.

We at MTS are passionate about serving Christ in our service to you as you seek God’s will for your life. There is not time to do our own will and then merely “tack on” God’s will as an afterthought. Let us devote ourselves to finding God’s will and pursuing it wholeheartedly. Therein we shall find our greatest joy and only lasting satisfaction.

Our programs are designed to help you lay the foundation for a lifetime of service. Bound up with our emphasis on sound theological education is an emphasis on practical ministry skills for a variety of ministry settings. If God has led you to MTS, may you find that His people here serve Him with a joy prompted by the Holy Spirit and energized by faith.

In the bonds of His grace,

John A. Jelinek, ThD

MISSION STATEMENT
As a higher education and media ministry, Moody exists to equip people with the truth of God's Word to be maturing followers of Christ who are making disciples around the world.

CORE VALUES
The Authority of the Word of God
The Centrality of the Church
The Worth and Dignity of the Individual
The Priority of Servanthood
The Practice of Integrity
The Responsibility of Stewardship

ADMINISTRATIVE STRUCTURE
The Moody Bible Institute Education Group includes two divisions: the Moody Theological Seminary and the Undergraduate School. The deans, who report to the provost, administer their schools through their chairpersons and faculty. The Vice President and Dean of Moody Theological Seminary has overall responsibility for all graduate programs.

FOUNDER, DWIGHT LYMAN MOODY
D. L. Moody was a man of rare ability and vision. In many ways, he was far ahead of his time. The principles and techniques he employed in his work were often new and innovative. His dream to train lay men and women to do the work of evangelism resulted in the establishment of one of the first Bible institutes in the world. His intense desire to provide inexpensive literature to the public resulted in the founding of the Moody Institute Colportage Association, the first organization in North America to publish gospel books in paperback. Moody's emphasis on practical Christian work came in a day when few people knew much about personal evangelism. His methods of soul-winning have since inspired thousands of Christians to witness for their Lord.
Throughout its history Moody Bible Institute has without qualification held to the essentials of biblical orthodoxy. In addition it has defined itself in other distinct ways in terms of more specific interpretations of Scripture. Moody Bible Institute’s doctrinal statement was adopted by the Board of Trustees in 1928 to reflect the historic doctrinal position of the institution. In May 2000 the Trustees also approved an additional statement, Institutional Positions Related to the Moody Bible Institute Doctrinal Statement (1928), to clarify and make explicit the doctrinal positions of the institution.

While the Institute’s particular definitions are important to its position, it is readily recognized that they do not define orthodoxy for the whole body of Christ. Moody Bible Institute gladly embraces all who faithfully adhere to the essentials of biblical Christianity as fellow believers and colleagues in Christ’s cause.

Whereas biblical Christianity is defined by the central tenets of the faith, throughout the history of the church various groups have employed more specific definitions to define themselves. Historically Moody Bible Institute has maintained positions which have identified it as noncharismatic, dispensational, and generally Calvinistic.

To maintain continuity and consistency with the heritage entrusted to its care, the Institute expects faculty and administration to agree with, personally adhere to, and support the Institute’s doctrinal distinctives as set forth in the following:
DOCTRINAL STATEMENT

ARTICLE I
God is a Person who has revealed Himself as a Trinity in unity, Father, Son, and Holy Spirit—three Persons and yet but one God (Deuteronomy 6:4; Matthew 28:19; 1 Corinthians 8:6).

ARTICLE II
The Bible, including both the Old and New Testaments, is a divine revelation, the original autographs of which were verbally inspired by the Holy Spirit\(^1\) (2 Timothy 3:16; 2 Peter 1:21).

ARTICLE III
Jesus Christ is the image of the invisible God, which is to say, He is Himself very God; He took upon Him our nature, being conceived by the Holy Spirit and born of the Virgin Mary;\(^2\) He died upon the cross as a substitutionary sacrifice for the sin of the world;\(^3\) He arose from the dead in the body in which He was crucified; He ascended into heaven in that body glorified, where He is now our interceding High Priest; He will come again personally and visibly to set up His kingdom\(^4\) and to judge the quick and the dead (Colossians 1:15; Philippians 2:5–8; Matthew 1:18–25; 1 Peter 2:24–25; Luke 24; Hebrews 4:14–16; Acts 1:9–11; 1 Thessalonians 4:16–18; Matthew 25:31–46; Revelation 11:15–17; 20:4–6, 11–15).

ARTICLE IV
Man was created\(^5\) in the image of God but fell into sin, and, in that sense, is lost; this is true of all men, and except a man be born again he cannot see the kingdom of God; salvation is by grace through faith in Christ who His own self bore our sins in His own body on the tree; the retribution of the wicked and unbelieving and the reward of the righteous are everlasting, and as the reward is conscious, so is the retribution\(^6\) (Genesis 1:26–27; Romans 3:10, 23; John 3:3; Acts 13:38–39; 4:12; John 3:16; Matthew 25:46; 2 Corinthians 5:1; 2 Thessalonians 1:7–10).

ARTICLE V
The church\(^7\) is an elect company of believers baptized by the Holy Spirit into one body; its mission is to witness concerning its Head, Jesus Christ, preaching the gospel among all nations; it will be caught up to meet the Lord in the air ere He appears to set up His kingdom\(^8\) (Acts 2:41; 15:13–17; Ephesians 1:3–6; 1 Corinthians 12:12–13; Matthew 28:19–20; Acts 1:6–8; 1 Thessalonians 4:16–18).

(Board of Trustees, October 1928)
MOODY BIBLE INSTITUTE

INSTITUTIONAL POSITIONS RELATED TO THE MOODY BIBLE INSTITUTE DOCTRINAL STATEMENT (1928)

Notes elaborating the 1928 Doctrinal Statement

1 The Bible is without error in all it affirms in the original autographs and is the only authoritative guide for faith and practice and as such must not be supplanted by any other fields of human learning.

2 Jesus Christ, the only begotten Son of God, is fully God and fully man possessing both deity and humanity united in one person, without division of the person or confusion of the two natures.

3 An individual receives the benefit of Christ’s substitutionary death by faith as the result of responding to the message of the gospel. Salvation is the free gift of God’s grace through faith alone, therefore not dependent upon church membership, intermediaries, sacraments, or works of righteousness to attain or sustain it.

4 It is the Institute’s position that this refers to the premillennial return of Christ at which time He will set up His millennial reign during which time He will fulfill His promises to Israel.

5 This affirms that the first human beings were special and unique creations by God as contrasted to being derived from any pre-existing life forms. Further, God created everything, after its kind, which excludes any position that allows for any evolutionary process between kinds.

6 This statement excludes any position which asserts a temporary or complete cessation of consciousness, or merging with eternal oneness, or annihilation of the damned, or a “second chance” or a period of suffering or purification in preparation for entrance into the presence of God.

7 The church of Jesus Christ is a distinct entity from Israel in the ongoing program of God. Further, this universal church consists of all who possess saving faith in the death and resurrection of Jesus Christ from Pentecost to the Rapture of the church and which will represent every language, people, and nation.

8 Christ will return in the air preceding the seven-year Tribulation at which time He will receive into heaven all believers who constitute His church. During that tribulation period God will bring salvation to Israel and the nations while exercising judgment on unbelievers.
ADDENDUM

INSTITUTIONAL POSITIONS IN ADDITION TO THE ELABORATION OF THE MOODY BIBLE INSTITUTE DOCTRINAL STATEMENT (1928)

In addition to distinctives derived from a historic understanding of the 1928 Doctrinal Statement, the Moody Bible Institute has historically been identified with the positions outlined below. Although trustees, education administrators, and faculty are expected to hold these positions, we recognize that we serve and minister with others whose traditions differ on these subjects.

GENDER ROLES IN MINISTRY
The Moody Bible Institute values the worth and dignity of all persons without distinction as created in God’s image. We affirm the priesthood of all believers and the responsibility of every Christian woman and man to take an active role in edifying the church. For that purpose, the Holy Spirit distributes ministry gifts to believers without distinction of any kind. That reality imposes the responsibility on every believer to fulfill ministry consistent with God’s grace.

The Institute distinguishes between ministry function and church office. While upholding the necessity of mutual respect and affirmation as those subject to the Word of God, Moody Bible Institute understands that the biblical office of elder/pastor in the early church was gender specific. Therefore it maintains that it is consistent with that understanding of Scripture that those church offices should be limited to the male gender.

SIGN GIFTS OF THE HOLY SPIRIT
The Institute maintains that there is one baptism of the Holy Spirit that occurs at the time a person is born again, placing that one into the body of Christ. MBI also distinguishes between spiritual gifts distributed to believers to equip them for ministry and the “sign gifts,” which are understood to have been manifestations of the Holy Spirit to authenticate the messenger and the gospel message during the foundational period of the church. Therefore, the Institute holds that “sign gifts” are not normative for the church today. While this institutional position is not and must not be a test of fellowship with those whose traditions differ, members of this community will neither practice nor propagate practices at variance with the Institute’s position.
DOCTRINAL QUALIFICATIONS FOR STUDENTS
To maintain continuity and consistency with the heritage entrusted to its care, Moody Bible Institute requires its faculty and administration to agree with, personally adhere to, and support all the school’s doctrinal distinctives. These identify what is believed and taught in our classes. However, the school also recognizes that its specific theological positions do not define orthodoxy for the whole body of Christ. For this reason, Moody Bible Institute accepts students from other theological traditions within conservative evangelicalism. However, to be admitted and to graduate, students must personally adhere to and support the following doctrinal positions:

the inspiration, authority, and inerrancy of Scripture,
the Trinity,
the full deity and full humanity of Christ,
the creation of the human race in the image of God,
the spiritual lostness of the human race,
the substitutionary atonement and bodily resurrection of Christ,
salvation by grace through faith alone in Christ alone,
the physical and imminent return of Christ, and
the eternal reward of the righteous and the eternal judgment of the lost.
EDUCATIONAL PHILOSOPHY

Moody Bible Institute endeavors to prepare individuals on the graduate level both academically and professionally for the tasks of evangelism, Christian education, and leadership training in evangelical churches, schools, missions, and other Christian agencies.

The mission of the Education Group at MBI is to educate students to think biblically, live Christianly, and serve the church effectively.

Underlying the educational philosophy of the Institute is the conviction that the Bible in its original manuscripts is the verbally inspired, inerrant, and authoritative Word of God. Consequently, a study of the Bible constitutes the most significant discipline for any person. This concept is reflected in the Institute’s motto: “Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth” (2 Timothy 2:15 KJV).

The Bible, therefore, is the central integrating factor of the total curriculum. All truth ultimately is related to and unified by the revealed Word of God.

The Bible reveals a triune God who is the Creator, Redeemer, and Source of all truth. He desires to communicate Himself to mankind and has done so throughout human history.

The Bible reveals that humans, created by God in His own image, were alienated from God by sin. Yet as beings of infinite worth, when regenerated, they are able to discover God’s plan for their individual fulfillment.

The Bible also reveals that education is a process in which a student, guided by a professor and in his or her own studies, receives knowledge by which he or she modifies his or her attitudes and behavior to conform more and more to God’s purpose and to the character of Jesus Christ.

Christian education at Moody Bible Institute is founded upon five basic principles. First, it is Spirit-directed. Education is the sum total of the experiences that shape a person’s mind and life. Distinctively Christian education is a process the Holy Spirit directs in a student’s life.

Second, Christian education is student-related. The students’ ultimate motive is to glorify God by fulfilling his or her place in God’s plan. Christian education, therefore, is consistent with instruction in God’s Word and other areas of knowledge that prepare a person for all aspects of life and direct him or her toward the realization of his or her God-given potential.

In areas not specified by the doctrinal statement, the student is free to hold and express individual convictions. While guidelines are provided through
this philosophy, students are encouraged to think for themselves and to make intelligent decisions based on principles in God’s Word.

Third, Christian education is faculty-guided. Students may receive guidance through classroom instruction, independent and self-directed study, counseling, and informal activities.

Every area of instruction is a calling of God necessitating the best in academic and spiritual preparation. Faculty members provide a model of Christian living while engaging in a discipling ministry with the students. Since the Bible is the underlying source of truth, faculty members are expected to meet the life standards that flow from the teaching of the Scriptures.

Fourth, Christian education is educationally balanced. The Institute strives to maintain a balance between theoretical subject matter and application. Students are expected to acquire knowledge and master skills. They learn to make value judgments, develop a sense of responsibility, and mature in every area of their personalities.

Fifth, Christian education is practically oriented. The primary focus of the curriculum is to strengthen and advance the local and universal church through an emphasis on worldwide evangelization and the edification of believers.

Opportunities to apply facts and concepts learned in the classroom are provided through a variety of field education experiences. Truths are taught through methods and resources that affect student attitudes and behavior and emphasize usefulness in Christian ministry.

EDUCATIONAL DISTINCTIVES

Delivering the unique blend of practical Christian training and sound biblical scholarship requires that we value and employ the following:

The Scholarship of Biblical Discovery
This is exegetical research that engages the biblical text in order to state new paradigms supported by biblical exegesis while engaging with contrary and complementary critical scholarship (STUDY THE WORD).

The Scholarship of Engagement
Also known as applied biblical research, this engagement takes a specific biblical/theological discovery and shows its application in life in varied settings (STUDY/LIVE THE WORD).

The Scholarship of Biblical Integration
Utilizing reflective observation of basic/applied Bible research, this discipline brings together two or more areas of biblical discovery in a creative synthesis (STUDY/LIVE THE WORD).
The Scholarship of Teaching and Preaching
Draws on other three scholarships in order to communicate and impart skills in a format that can be acquired, integrated, and applied within specific audiences (TEACH THE WORD).

Most seminaries focus on one or two characteristics for their students. Moody Theological Seminary seeks to produce balanced and exceptional leaders in all four vital areas of Discover, Integration, Engagement, and Teaching. Students come to MTS and discover scholarship that not only transforms but produces leaders who can integrate the balance of skills necessary to make them truly exceptional.

INSTITUTE MINISTRIES
Approximately 90,000 people have attended Moody Bible Institute's Undergraduate School since it began; about 1,500 are currently enrolled. Moody Theological Seminary has an active resident student body of about 300, while over 150 students are actively enrolled in its nonresident, modular program.

Moody Distance Learning has provided college courses for over 110 years to those unable to uproot and attend school in a residential setting. Today, venues include independent studies, regional classrooms, and online courses in 16-, 8-week, and self-paced formats. Courses may be taken to supplement a residential curriculum or to earn a certificate, an associate degree, or a bachelor's degree in several fields of biblical and ministry studies.

The Institute currently owns and operates over 30 radio stations, and 752 stations are linked to the Moody Broadcasting Network by satellite.

Moody Publishers currently has approximately 700 titles and annually prints almost three million books and Bibles.

There are approximately 600 current full-time and over 1,000 part-time employees of the Institute. Moody Theological Seminary was founded in 1985.

MISSION STATEMENT
The Moody Theological Seminary and Graduate School exists to train Bible interpreters who will apply and incarnate biblical truth and minister and communicate that truth to others.

ADMISSIONS

GENERAL ENTRANCE REQUIREMENTS

Students admitted to Moody Theological Seminary are chosen on the basis of spirituality, ministry zeal, character references, and scholastic ability. Applicants should possess qualities that give evidence of usefulness in the Lord’s service that will make them desirable members of the Institute family. For these reasons, candidates for admission must give evidence of acceptance of the Lord Jesus Christ as Savior, good Christian character, and a sincere desire to win others to Him. Active participation in an evangelical Protestant church and agreement with the Institute’s doctrinal statement are also required.

All applicants to Moody Theological Seminary are evaluated for admission on the basis of the following four criteria: all academic records of postsecondary work, personal ministry history, character references, and statement of purpose for applying to the program.

A bachelor’s degree from an accredited college or university is required. Each student must provide transcripts verifying a 2.5 grade point average (on a scale of 4.0). An individual with a lower GPA may be considered for admission as a nondegree student. A student admitted to the nondegree status is limited to taking a total of twelve credits (typically four courses). Once these twelve credits have been successfully completed, the student is eligible to reapply for admission to a degree program.

Nationals from non-English-speaking countries as well as permanent residents, foreign-born American residents, and international students for whom English was not the first language, must take the Test of English as Foreign Language (TOEFL) and achieve a minimum score of 575 paper-based, 233 computer-based, or 85 Internet-based.

By completing and signing the application, the student promises to respect and adhere to the standards of MBI. The applicant also stipulates that he or she subscribes to the doctrinal statement of the Institute as found in this catalog. Since Moody is an interdenominational school, the applicant agrees not to teach his or her own special views of doctrine or practice, nor to press them on fellow students.

STUDENT CLASSIFICATIONS

REGULAR
This classification is for a student who has met all of the entrance requirements.

NONDEGREE
Students who wish to take theology courses but who do not intend to seek a degree at Moody may study as a nondegree student. The student may take up to 12 hours as a nondegree student. Students who wish to continue studies beyond this point must apply to a degree or certificate program.
AUDIT
This classification is for a student who wants to take classes for personal enrichment. The student can take up to a maximum of 12 hours. If at a later date, the student enrolls as a regular student, credit will not be extended for any course taken as an audit student. Repeated courses will incur all expenses as outlined in the financial section of this catalog. Online courses cannot be taken for audit.

READMISSION
Students who have officially or unofficially withdrawn or have been released for academic or moral reasons from MTS will need to apply for readmission through the Admissions office. Students who are readmitted will be subject to the catalog requirements in effect at the time of readmission. Readmission is never automatic or guaranteed.

NONDISCRIMINATION POLICY
Moody Bible Institute admits students of any race, color, nationality, and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students. It does not discriminate on the basis of color, race, nationality, or ethnic origin in the administration of its educational policies, scholarship and loan programs, and athletic and other school-administered programs.

Moody Theological Seminary admits male and female students to all programs to be trained for the many opportunities that exist to minister. The Institute distinguishes between ministry function and church office. While upholding the necessity of mutual respect and affirmation as those subject to the Word of God, MBI understands that the biblical office of elder/pastor in the early church was a male gender-specific office. Therefore it maintains that it is consistent with the understanding of Scripture that those church offices should be limited to the male gender.

DIVORCE
Moody Theological Seminary considers on an individual basis persons who have been divorced or married to a spouse previously divorced.
ADMISSIONS

INTERNATIONAL STUDENTS

The Institute welcomes the presence of qualified students from countries outside the United States. MBI believes that such individuals enhance the cultural, intellectual, and spiritual atmosphere of the Institute by adding a diversity of experiences and perspectives. International students who wish to come and study with F-1 status as a full-time student cannot pursue the nondegree program.

International applicants should consult the nearest American consul or embassy regarding study in the United States. All international applicants must be able to read, write, speak, and understand the English language with a high degree of proficiency. Academic success at Moody will depend on the student’s level of fluency in English. Therefore, all candidates coming from non-English-speaking countries or where English is not the primary language must take the Test of English as a Foreign Language (TOEFL) and have the scores submitted directly to the Moody Bible Institute Admissions office. A minimum TOEFL score of 575 on paper-based tests, 233 on computer-based tests, or 85 on Internet-based tests is required. Applicants who do not meet a minimum English proficiency requirement will not be admitted.

Exception to the required TOEFL test scores will be made in the following two instances only: 1) the applicant is a citizen of Australia, the British West Indies, Canada, Great Britain, or New Zealand and is a native speaker of the English language; or 2) the applicant has been admitted to and studied at an accredited educational institution in one of the countries mentioned above or in the United States within the past two years and has earned an accredited postbaccalaureate degree.

Applicants should be aware that several attempts may be necessary before the minimum score is achieved. Furthermore, the TOEFL test is offered only at certain times during the year. For more information on test dates and testing sites, write directly to TOEFL, Educational Testing Service, C N6151, Princeton, NJ 08541-6151, USA; or call 609.921.9000. Web site: www.toefl.org (school code: 1486).

ACADEMIC/SEMESTER COURSES

ORIENTATION/REGISTRATION
As MTS anticipates the arrival of new graduate students to the Moody campus, an orientation is scheduled each semester. MTS strives to provide an atmosphere of Christian unity and fellowship as students are familiarized with the campus and various ministries.

New students can register online through Moody's my.moody.edu student portal if the admissions acceptance enrollment deposit has been received by July 1 for the fall semester and December 1 for the spring semester. However, official registration for the semester will be completed during orientation, through consultation with a faculty advisor.

COURSE LOAD
The average course load is 12 to 15 hours per semester, including field education. A minimum of 9 hours per semester must be maintained in order to be classified as a full-time student.

A student enrolled for fewer than 9 academic hours is classified as a part-time student. Students may take as few hours as they desire. Part-time students must also complete the self-managed application.

International students (with F-1 status) are required to meet with an academic advisor from Academic Records in their first semester to ensure that their academic road map is in place and that they graduate within the given amount of time. It is important that F-1 students complete all their coursework, including field education, by the end of their final semester.

ACADEMIC POLICIES AND PROCEDURES

CLASS REGISTRATION
Registration for all classes (semester, modular, and online) is handled through our Web-based registration system (my.moody.edu).

ON-SITE ENROLLMENT CONFIRMATION
On the first day of class, completion of the registration process is required. Each student must pay the remainder of the school bill and obtain needed information for the week.

ORDERING TEXTBOOKS FOR MODULAR SESSIONS
Textbooks for a modular course may be obtained several ways:

1. Lifeway Christian Store—You can order books via phone at 312.664.0799 (Chicago location) or visit the Web site at www.lifewaystores.com to make a purchase online or to check for the locations nearest you.

2. Interlibrary loan—Students may obtain the books through interlibrary loan at local public libraries.

3. Internet—You may want to purchase your books online.

MODULAR SCHEDULE CHANGES
Occasionally a scheduled class must be canceled due to lack of enrollment, professor illness, or some other unforeseen circumstance. Enrolled students are typically notified at least 30 days prior to the first day of the residency week, if possible, leaving the student time to transfer to another course. Fees, tuition, or deposits will be refunded without penalty to the student. Students flying to the city where the course is taught should not make airline reservations that cannot be canceled prior to 30 days before the class.

If the student chooses to cancel enrollment in a course, he or she must submit a written request to the Academic Records office (see refund policy page 48). This may be sent to academicrecords@moody.edu using your Moody e-mail account.
ACADEMIC POLICIES

GRADING SYSTEM
The following letter grades and their achievement equivalents are used by instructors at Moody Theological Seminary to reflect a student’s performance in a course. Quality points corresponding to each letter grade determine a student’s academic average and eligibility to graduate. Each grade, A through F, has a specific quality point value. The quality points earned in any course equal the quality point value of the grade multiplied by the number of semester hours credited. The grade point average (GPA) is determined by dividing the total quality points earned by the total number of semester hours credited in those courses for which quality point grades have been assigned. All seminary students must maintain a grade point average of at least 2.5 to graduate.

INCOMPLETE GRADES
All grade reports submitted to the Academic Records office must have a grade assignment for every student. If, at the discretion of the MTS Academic Standards Committee, a seminary student is granted an assignment extension, a grade of incomplete will be recorded in the grade book. A faculty member has authority to change a grade within six weeks after grades are released to the student (see Grade Reports section for release dates). If this grade is not changed within the appropriate time frame, it will be replaced automatically with a failure mark by the Academic Records office. This grade is binding, unless changed by the Registrar with a formal, written request outlining unusual circumstances. The student has four months from the day grades are issued to appeal the earned grade. After four months, grades are considered final.

REPEATING COURSES
Students may only repeat failed courses taken previously at MTS. When a course is repeated, the most current grade will be used to calculate the current and cumulative grade point average. The original grade will be noted with an “X” mark on the student’s transcript but will remain.

Note: Advanced Standing, Transfer, and Validation credit combined cannot exceed 50% of the total credits required for any program.
Directed Study Credit
Students enrolled in a graduate certificate program are allowed a maximum of three credits of directed study. Students enrolled in a master's degree program are allowed a maximum of six credits of directed study. Students enrolled in the Master of Divinity degree program are allowed a maximum of nine credits of directed study. Students should consult with an academic advisor to begin the directed study approval process.

GRADE REPORTS
Semester grades are required to be posted by the instructor two weeks after the last day of each semester session.

Modular grades are due two weeks after the end of the fifteen-week modular course session.

Students are able to view the grades in the self-service portal as soon as they have been entered.

GRADUATION
All seminary degree work must be completed within three years of admission for any of the graduate certificate programs, five years for Master of Arts and Master of Theological Studies degree programs, and within seven years for the Master of Divinity degree program. Students who fail to complete all requirements within the allotted time must apply for readmission to the program, and, if readmitted, will be subject to the requirements set forth in the catalog that is current at the time of readmission.

Students who anticipate graduating must submit a completed Application for Graduation to the Academic Records office by the stated deadline (please contact Academic Records for these dates at advising@moody.edu). Students who submit their application after this date may not be able to participate in the commencement ceremony.

Students not approved for graduation for nonacademic reasons may appeal such action to and through the Dean of Students (Chicago) or the Associate Dean of Student Services (Michigan) offices. The appeal must be made in writing and must be submitted within 10 days of the written notification of the action. In order to participate in commencement exercises, the student may have no more than two courses remaining toward completion of the degree and must be registered to complete those hours in the next term. Students who are in a Master of Arts degree program must have an approved final draft of their thesis completed prior to graduation.
ACADEMIC POLICIES

GRADUATION HONORS
Honors at graduation are based on grade point average, evidence of Christian character, and completion of all requirements. Honors are not automatically granted to graduates. Honors are granted by the faculty and may be withheld or modified, based on the processing of final grades.

The following GPA guidelines are used:

- Summa Cum Laude (With Highest Honors) .......... 3.90–4.00
- Magna Cum Laude (With High Honors) ............. 3.80–3.89
- Cum Laude (With Honors) ............................. 3.70–3.79

ACCESS TO RECORDS
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974—FERPA

The Family Educational Rights and Privacy Act of 1974 (FERPA), as amended, sets forth requirements regarding the privacy of student records. This document outlines the Moody Bible Institute policies for the handling of student educational records, which are protected by this federal law. All educational officials requesting educational records on any MBI (MTS) student must read the following policies and demonstrate a legitimate educational interest in order to access FERPA-protected information.

This information is also provided to all students at Moody Bible Institute and Moody Theological Seminary as required by federal law, in accordance with the Annual Notification Requirement. Students have three primary rights under FERPA. These rights include 1) the right to inspect and review their educational records, 2) the right to seek to amend educational records, and 3) the right to have some control over the disclosure of information from their education records.

Moody Bible Institute is in compliance with the Family Educational Rights and Privacy Act, which is designed to protect the privacy of educational records, to establish the right of the students to inspect and review their records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Students also have the right to file complaints with the Family Educational Rights and Privacy Act Office concerning alleged failures by Moody Bible Institute to comply with the provisions of the Act. Such complaints should be sent to Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-4605.
ACADEMIC PROBATION/DISMISSAL

The MTS Academic Standards Committee has the responsibility of determining students' academic status each semester.

A minimum grade point average of 2.5 is required for graduation. Students whose semester grade point average drops below 2.5 will be placed on academic warning. This status will be communicated to the student to enable appropriate action that may be needed to maximize the opportunity for grade improvement.

Students who have a cumulative grade point average below 2.5 after nine hours will be placed on academic probation. If after one semester on academic probation the student's cumulative grade point average remains below 2.5, he or she may be placed on academic restriction. The total credits attempted by the student may be limited at this time.

Students who have a cumulative average below 2.5 for two consecutive semesters may be asked to discontinue their studies at Moody.

The committee uses the following criteria to guide this process:

<table>
<thead>
<tr>
<th>ACADEMIC STATUS</th>
<th>SEMINARY DEFINITIONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Good Standing</td>
<td>No restrictions</td>
</tr>
</tbody>
</table>
| Probation              | 1. Cumulative GPA below 2.5  
                          | 2. Student will be monitored each semester until GPA is above 2.5                    |
| Academic Restriction   | 1. Cumulative GPA still below minimum for Satisfactory Academic Progress            |
|                        | 2. Credits attempted may be limited. This limitation may affect the student's eligibility to maintain full-time student status |
|                        | 3. Student will continue to be monitored until GPA is above 2.5 or Academic Dismissal.|

Academic Program Dismissal  
Student is academically dismissed from certificate/degree program.

READMISSION

Academically dismissed students are ineligible to apply for readmission to Moody Theological Seminary. Any appeal for an exception to the dismissal policy must be submitted to the Academic Standards Committee within ten days of receiving the dismissal notification. The Academic Standards Committee will then act on the appeal. The decision of the Academic Standards Committee is considered final.
ACADEMIC POLICIES

ACADEMIC TRANSCRIPTS

Students may request a transcript of their academic record or certification of student status through the Academic Records office. The Academic Records office will not issue a transcript or release other nonpublic information except on the written request of the student.

If a request for a transcript is submitted between the completion of a course and the release of a grade, the Academic Records office will send out a transcript without the latest course grade(s), unless requested otherwise by the student.

The following fees (per transcript) are applied to transcript requests:

- 3–5 business days’ processing ($10.00 U.S., check, cash, or credit card)
- 1–2 business days’ processing ($15.00 U.S., check, cash, or credit card)
- Overnight within continental U.S. ($40.00 U.S., check, cash, or credit card)

Please make checks payable to “Moody Bible Institute.” Only MasterCard or Visa are accepted. For additional information, contact the Academic Records office at 312.329.2087 or academicrecords@moody.edu.

CHANGE OF PROGRAM

After an enrollment of 12 hours, a nondegree student who wishes to pursue a certificate or degree program should contact the Admissions office for an assessment of his or her application status.

Changes from one MA program to another MA program or from one MDiv program to another MDiv program can be processed entirely in the Academic Records office. Changes from any of the certificate programs to any MTS or MA programs or to any MDiv program begin in the Academic Records office and are forwarded to the MTS Admissions Committee for review. The MTS Admissions Committee will evaluate the student’s progress and will assess the request accordingly. A reply will be mailed to the student within one month of the request. Students who change degree programs will be subject to the requirements current at the time of the change.

ATTENDANCE REQUIREMENTS

Students are expected to participate fully in the academic and spiritual programs at Moody. Students who are absent from 25% or more of scheduled class sessions may not receive academic credit for the course. Faculty will inform students of additional policies at the beginning of each course.

NONCREDIT COURSES

Students may elect to take any seminary class for either credit or noncredit. The cost for noncredit classes is one-half the regular tuition rate. Noncredit courses may be repeated for credit at a later date; however, the fees for credit courses will be applied.
WITHDRAWAL FROM SCHOOL
Students who are transferring to another school or simply permanently
discontinuing their status as an MTS student must process an Enrollment
Discontinuation form through the Academic Records office. Failure to process
this form prior to discontinuing enrollment may result in failing grades for the
courses in which the student is enrolled.

APPLICATION FOR GRADUATION
All candidates seeking graduation must request candidacy by completing an
Application to Graduate Form and submitting it to the Academic Records
office. Students who have no more than six hours outstanding will be per-
mitted to participate in the commencement ceremony, as long as they are
registered to complete the coursework during the summer.

INCOMPLETES
A student who is unable to complete the requirements of a course by the
end of term due to extreme circumstances beyond the student’s control may
appeal to the Academic Standards Committee through the Academic Records
office. Please contact this office for appeal procedures and deadlines. If
approved, up to five-week extensions (five calendar weeks from the end of a
current term) may be granted. A grade of “Incomplete” will be entered by the
Academic Records office for the courses receiving an approved extension. A
failing grade may result if the student does not complete the course require-
ments by the extension deadline.

PLAGIARISM
Plagiarism is taking the ideas or words of another person and presenting
them as one’s own. Sometimes plagiarism is an intentional act of deception.
Sometimes it is simply the result of ignorance, carelessness, or sloppy work.
In either case it is unethical and constitutes a serious infraction of Seminary
policy. When the words or ideas of others are used, proper credit must be
given, either in a footnote or in the text.

Consequences of plagiarism will follow a three-step process:

- First offense – a grade of F is given for the assignment; the professor must
  notify the Academic Dean, the Dean of Students (Chicago) or the Associate
  Dean of Student Services (Michigan), and the Registrar. A record of the
  violation goes into the student’s file.

- Second offense – a grade of F is assigned for the course; the professor must
  notify the Academic Dean, the Dean of Students (Chicago) or the Associate
  Dean of Student Services (Michigan), and the Registrar. The Dean of Stu-
  dents and/or the Registrar will notify faculty of students who incur a second
  offense in this area. A record of the violation goes into the student’s file.

- Third offense – the professor must notify the Academic Dean, the Dean of
  Students (Chicago) or the Associate Dean of Student Services (Michigan),
  and the Registrar. The student may be suspended or dismissed from MTS.
  A record of the violation goes into the student’s file.
ACADEMIC POLICIES

Upon recommendation of the Academic Standards Committee, consequences for plagiarism may include dismissal from the Seminary or the revocation of a degree.

PROBATION
Students may be admitted to MTS on academic probation or academic restriction as a result of a low college grade point average or graduation from a nonaccredited institution. A student admitted on academic restriction may be limited to no more than 12 total credit hours at this status. The student must maintain the minimum GPA required for graduation in order to maintain satisfactory academic progress after the first twelve hours of course work.

PROGRAM STATUS
Classification of seminary students by year of study is determined by the following standard:
• 1st year ...... 1–30 credit hours
• 2nd year ...... 31–62 credit hours
• 3rd year ...... 63+ credit hours

REGISTRATION POLICIES
Students will be notified when registration for a new semester is available and will be given the deadline for registration. Students will not receive final grades or diplomas or be permitted to register for classes until their student records are complete and accounts are paid in full. Students who have been discontinued for failure to remain active in their degree program must apply for readmission to MTS prior to taking additional classes.

RESIDENCY REQUIREMENTS
An academic residency of eighteen (18) credit hours is required for all academic programs.

Once admitted to a degree program, a student must take all courses at MTS unless the course will not be offered during the time allotted for completion of their degree program or if there is a compelling reason to take it elsewhere. Requests for approval to take the courses at another accredited institution must be submitted in writing to the MTS Instructional Supervision Committee in sufficient time to be considered prior to a scheduled registration time for the next semester.

SATISFACTORY ACADEMIC PROGRESS
Satisfactory academic progress is defined as completion of a minimum number of credits per semester or per year, depending on the degree programs, as illustrated in the following table:

<table>
<thead>
<tr>
<th>DEGREE PROGRAM</th>
<th># CREDITS PER SEMESTER</th>
<th># CREDITS PER YEAR</th>
<th>CUMULATIVE GPA</th>

</tbody>

ACADEMIC POLICIES

The Registrar will review each student’s progress annually through viewing their credit hours and GPA, at which time students will be given a warning if they have not made satisfactory academic progress that school year. The student then has until the next review to make up extra credit hours and/or to bring up his or her GPA. If the student still fails to make satisfactory academic progress by the next review, according to the standards listed above, he or she will be placed on probation, during which the student has the opportunity to reestablish satisfactory academic progress.

The Academic Standards Committee, on behalf of the Academic Dean and the Registrar, will review student progress each semester to determine if they are moving toward satisfactory academic progress. Students who are able to reestablish satisfactory academic progress within a year’s time will be removed from academic probation and resume their academic schedule.

After the Registrar has determined which students should be put on probation, students will be notified of their progress (or lack of progress) through a letter. A copy of the letter will be placed in the student’s file to document the notification of the student. At the end of their year of probation, students should receive another letter informing them whether or not they have reestablished a satisfactory status.

STUDY IN ISRAEL OR GREECE AND TURKEY

Because MTS recognizes the importance of history, geography, and culture in studying the Bible, all students, especially Master of Divinity students, are strongly encouraged to take BI-5511 History and Theology of the Missionary Journeys or BI-6610 Historical Geography of Israel, which include a study tour. While trips are open to student spouses and area church members, academic credit can only be earned by MTS students who are registered for the course.

RECORDING OF LECTURES

The student is not allowed to record any lecture by any audio or video devices without the professor’s permission. Recordings may be used for study purposes only and may not be duplicated, sold, or distributed.

THESIS REQUIREMENTS

The following requirements and deadlines apply to students writing a thesis in a master's program:

• The student must enroll in PY-6614 Research Methods and Thesis.
• The student must obtain a written approval of a thesis topic within the first two weeks of the Research Methods class. Approval of the formal prospectus, which will include an expanded outline and bibliography, must be obtained from the thesis advisor by the end of the class.
• The student must register for the appropriate thesis course.
• The student must submit a first draft of the thesis in duplicate to the
ACADEMIC POLICIES

advisor by January 30 of the year of anticipated graduation. At this time, the student must also schedule a review of the thesis draft with the thesis advisor.

- The student must submit an Application for Graduation to the Academic Records office.
- The student must submit a final draft of the thesis in triplicate by April 30 of the year of anticipated graduation. The thesis must conform to the stipulated style guidelines.

Further details are contained in the thesis handbook.

PROGRAM TIME LIMITS
Students are required to meet all their academic requirements within their program time limit. The time limits for Moody Theological Seminary programs are as follows:

- Certificate programs—3 years
- Master of Arts or Master of Theology degrees—5 years
- Master of Divinity degree—7 years

A formal petition for additional time must be submitted to the Academic Standards Committee through the Academic Records office. An extension fee is required. Extensions are seldom approved for more than one year.

NONENROLLMENT
Students will be permitted up to two consecutive semesters of nonenrollment at any point during their degree program. If students are not enrolled in any classes during an academic term, they may be required to take heavier credit loads in future terms in order to meet their program time limit. Nonenrollment for more than two consecutive semesters will result in discontinuation of the student’s status. A discontinued student will need to reapply through the Admissions office and be reaccepted into the current curriculum before continuing studies at Moody Theological Seminary.

A student who is on probation or academic restriction must keep a continual enrollment until a 2.5 GPA is achieved. Failure to keep a continual enrollment will result in academic dismissal and the student will have to reapply.

TRANSFER CREDIT
Students may receive transfer credit for appropriate graduate-level work done at other accredited institutions within the past ten years, upon approval from the Registrar. Credit transferred from other institutions must be validated by official transcripts. The student may also be required to submit course syllabi and course descriptions before the transfer credits will be considered. Course materials may also be required. The student must have received at least a grade of B- (2.7 GPA) for any course to be eligible for transfer. Requests for transfer of credit should be submitted to the Academic Records office. New students have one calendar year from the time they begin taking classes at
Moody Theological Seminary to apply for transfer of previously completed credits. The amount of time the applicant is permitted to complete the degree program will be reduced in proportion to the hours of transfer credit the individual receives.

Transfer credit is limited for all programs. Students are expected to fulfill the requirements for the degree through MTS. Any exceptions for meeting the requirements by taking outside coursework need prior approval by the Instructional Supervision Committee and will only be granted for compelling circumstances.

WITHDRAWAL (DROPPING A CLASS)
Due to the class session options within a semester (16-week, 8-week, Modular and Directed Study), we encourage students to refer to their my.moody.edu student center registration page if considering dropping a class. The dropping-date restrictions are noted to the left side of the course by using the “Academic Calendar Deadlines” icon. Students needing to withdraw from classes between the “Drop with Penalty” and “Drop with Greater Penalty” periods must do so through the Academic Records office. There is a fee of $10.00 for courses dropped or withdrawn from when processed in the Academic Records office.
FINANCIAL

FINANCIAL
All students are expected to become familiar with the financial obligations they will incur through attending Moody Theological Seminary. There are a number of ways to complete a degree, including attending on-campus in a semester format in Chicago, IL, or Plymouth, MI; modular classes; or online courses. The fees associated with each of these venues is detailed below. The following information provides the essential data; if in doubt, however, a student should make inquiries at the Treasury Operations office (312.329.4368).

Medical Insurance
All residential students are required to be covered by a health insurance plan that provides for hospitalization and medical-surgical coverage in the event of sickness or accident for the entire time they are enrolled as a student, including breaks between semesters. All students are personally responsible for any health care expenses not covered by their insurance (deductibles, copayments, excluded items and services, etc.). Students are responsible for knowing and following the procedures of their insurance company, including remaining current with any forms to be submitted, and for following the payment policy of the health care provider, office, clinic, or hospital from whom they receive services; this may mean that payment is required at the time of service.

A student may choose to enroll in the MBI Student Insurance Plan or be covered by another insurance plan. If a residential student chooses another insurance plan, the student must provide the Institute with evidence that insurance is in effect by submitting a completed Student Insurance Waiver through his or her student portal. This form must be submitted with a copy of both sides of the student's current insurance card once each school year, prior to the fall semester (or the first semester of the school year during which the student is enrolled). Commuter students are eligible to participate in the MBI Student Insurance Plan, provided that they are full-time.

All international students, their spouses, and dependent children are required to purchase the MBI Student Insurance Plan. Exceptions may apply. Consideration will be given on an individual basis and must be handled through Treasury Operations. Canadian students are required to carry supplemental coverage in addition to their provincial plan, as Canadian provincial plans offer only limited coverage for health care in the United States.

Listed below are the prices for student health insurance for the 2012–2013 academic year. A separate insurance handling fee (see fees) is assessed to each student regardless of type of coverage.

STUDENT LIFE

STANDARDS OF CONDUCT

In a changing world, the Christian has an unchanging standard, God’s Word. Moody Bible Institute’s standards of conduct are based on the teaching and principles of Scripture, seeking to develop personal holiness and discipline exemplified in a lifestyle glorifying to God. For these reasons, students enrolled at the Institute are required to refrain from the following activities: use of any tobacco products, consumption of alcoholic beverages and non-medicinal narcotics and hallucinogenic drugs, gambling, and the reading of obscene or pornographic literature. Members of the MBI community are expected to use discernment in making choices concerning music, drama, dance, comedy, literature, television, and movies. The student should avoid every appearance of dishonesty, deception, lack of integrity, immorality, abusive speech, and impropriety.

Students are expected to conduct themselves in a manner that is in keeping with a good Christian testimony, including modesty in dress and appearance. Classroom dress should be fitting for those who are preparing for professional ministry.

The Institute reserves the right to require the withdrawal of students whose behavior is in conflict with these standards. Individuals who do not fit in with the objectives and ideals of the Institute may be asked to withdraw whenever the general welfare demands it, even though there may be no specific breach of contract. More detailed explanations are provided in a handbook distributed to all semester students upon matriculation at Moody Theological Seminary.

ALUMNI ASSOCIATION

Purpose
The Alumni Association exists to facilitate mutually beneficial relationships based upon common Moody experiences and to serve as a vehicle for a relevant ministry to alumni around the world.

Membership
Former students are considered alumni when they have completed at least 15 hours of college-level work. Some benefits are restricted to graduates of Moody Bible Institute. There is no membership fee for the Alumni Association, though there are various opportunities in place for alumni to contribute to specific MBI projects and alumni awards.

Alumni Gatherings
Gatherings give alumni the opportunity to fellowship together and to interact with Institute staff. Events are planned by office staff along with the assistance of Alumni Board members and local alumni. Often the events coincide with other Institute functions or music touring group's schedules both across the United States and abroad. All alumni and prospective students are welcome and are encouraged to participate in gatherings held in their geographical area.

Alumni Board of Directors
The Alumni Board, made up of 11 to 15 individuals, is a diverse representation of alumni from all programs offered by Moody Bible Institute. They serve as an advisory board to the Alumni staff regarding policy matters, communications, and special projects, and also give insight to the administration based on their own experiences in ministry and relationships with alumni. Members serve a term of three years, with the option of a second three-year term. The missionary representative on the board serves a single three-year term.

Alumni Brick Walkway
The walkway surrounding the Alumni Student Center is a visible tribute to alumni and employees throughout the history of MBI who have had an impact on or have been impacted by the ministry of Moody. The initial phase of the Alumni Walkway campaign funded a significant portion of the construction cost of the Alumni Student Center. Currently brick sponsorships are donated to the Faculty Travel Endowment Fund.

Faculty Travel Endowment Fund
The Faculty Travel Endowment Fund was created to help professors gain more experience in cross-cultural ministry opportunities. The fund provides the means for professors to serve on ministry trips during summer breaks and sabbaticals. For every $500 gift received for this fund, the name of an alumnus or employee to be honored will be engraved on a brick and placed in the Alumni Walkway.
Alumnus of the Year
Each year one alumnus is chosen to receive the Alumnus of the Year award based on a lifetime of exemplary Christian character, service, and loyalty to the Word of God. This recipient is recognized on Alumni Day of Founder's Week. The recipient's name is placed on the Wilbur Smith trophy on display in the Alumni Office, and he or she receives a crystal trophy for personal use and an engraved commemorative desk chair. The Alumnus of the Year is nominated by alumni, endorsed by others in the ministry, selected by the Alumni Board of Directors, and affirmed by the administration.

Distinguished Service Awards
The Distinguished Service Award is given to several recipients every year to recognize the achievements and service of Moody alumni. In this vein, graduates are selected and honored who have distinguished themselves through faithfulness to Christ, perseverance in service, and contributions to advance the cause of Christ around the world. Recipients are nominated by alumni, endorsed by others in the ministry, selected by the Alumni Board of Directors, and affirmed by the administration.

Faculty Citation Award
A $3,000 grant is awarded annually to an outstanding faculty member based on attitude, writing achievement, public ministry, classroom effectiveness, and involvement with students. The recipient is nominated by his or her department or the senior class council, chosen by a selection committee, and approved by the Alumni Board of Directors. The award is announced on Alumni Day at Founder's Week.

Founder's Week
Founder's Week provides the Alumni family with opportunities to reconnect with former classmates and to hear from alumni across the globe through a variety of reunions and events. Alumni Day allows for the opportunity to award special recognitions, host our Annual Alumni Banquet, and hold class reunions. These special days are equivalent to Homecoming at other colleges and universities, and celebrate our founder D. L. Moody.

ACADEMIC PROGRAMS

CLASS FORMATS
All programs may be completed through semester, modular, or online course offerings. Some courses are only offered in a modular format.

SEMESTER FORMAT
The academic year consists of two semesters of 16 weeks each. The semester hour, representing one class period of 50 minutes per week for one semester, is the unit of academic credit. Semester classes meet once per week in a 3-hour block format. Currently, classes are offered on Mondays, Tuesdays, Wednesdays, and Thursdays.

EVENING FORMAT
Courses are offered in the evening on a year-round basis. Classes are offered in 3-hour blocks in both of the semester sessions (fall and spring) and in two different summer sessions. Any of the programs except the MDiv can be completed entirely in the evening format.

MODULAR FORMAT
Each course is three credit hours and consists of three parts: an intensive, one-week modular educational experience augmented by pre- and post-class assignments. The one-week class is conducted Monday afternoon through Friday noon. Pre-class work varies with the course in its nature and scope but includes reading textbooks and writing reports. The post-class work also varies, but assignments are based on the content of the class and related to the ministry in which the student is engaged.

The amount of study and preparation a student should expect per course is about 135 hours. These hours are divided as follows: 30 hours of on-campus structured class time and approximately 105 hours of pre- and post-class work.

ONLINE FORMAT
MTS offers several courses online. Online courses may be applied to any of the MTS degree programs. All degree programs offered at the Chicago campus may be completed by combining online and modular coursework.

### INTERNSHIP REQUIREMENTS

For all Field Education courses, students must use the forms, guidelines, and online video instruction provided by the MTS Department of Field Education. These forms, as well as the Internship Handbook, are available on the MTS Web site under Internship Information ([www.moody.edu/GenMoody/default.asp](http://www.moody.edu/GenMoody/default.asp)). All internships should begin by meeting with the Director of Field Education; this should be done before any documentation is submitted. SF-5506 Biblical Spiritual Formation is a prerequisite to any internship. The new curriculum requires two internships for MDiv, MAML, and MAIS/US students and one internship for MABS, MACE, MACP, MAPM and MASF/D. The student’s first internship must correlate with the emphasis of his or her program and the second internship can be either an emphasis or an approved internship through the Department of Field Education. Students must have a minimum of 15 credit hours before they can register for an internship course. All internships will have practicum content built into the curriculum.

Moody Theological Seminary has made it possible for modular and online students to fulfill the requirements of internship through an online format of the internship course. However, internships are not offered in the Directed Study format. All pre-course work must be completed before registration can be processed.

1. Students are required to schedule a consultation with the Director of Field Education to talk about the logistics of the internship program. They should present their internship plan a semester prior to the semester of internship, and the process is to be followed in an orderly
fashion. It is best to have some internship options in mind. These should be places a student has researched and believes to have potential as an internship site.

2. Download the Internship Approval Form, the Covenant, the Handbook, and the syllabus. Complete all pre-course work and submit it to the MTS Director of Field Education.

3. Registration for all internships takes place only through the Field Education office after the consultation and not through the online Moody Portal registration.

4. Make internship arrangements with the potential Field Instructor. Have this person read the Intern Handbook and internship syllabus. Have the Field Instructor complete and submit the Field Instructor Application. The Field Instructor is also required to help the intern find two Field Observers, who are to act as an additional source of encouragement, evaluation, and reflection for the intern.

5. After registration, all assignments and additional documentation can be accessed via Blackboard.

6. International students with an F-1 visa are required to complete their internship requirement a semester prior to their graduation.
ACADEMIC PROGRAMS

The Master of Divinity (MDiv) degree is described below, as are its program objectives and requirements. In addition, a suggested schedule of classes is provided.

DESCRIPTION

The MDiv is a 96-hour* program designed to provide an in-depth biblical and practical preparation for those desiring to minister in churches or parachurch organizations, whether in the United States or abroad. The program offers four emphases: Pastoral Studies, Spiritual Formation, Intercultural/Urban Studies, and Ministry Leadership. Each specialty area consists of 12 hours of coursework and 6 hours of internship credit.

The program is focused upon Bible and ministry. Attention is given to courses in Bible analysis, biblical and systematic theology, church history, ministry, preaching, and an approach to biblical languages that combines the rigors of traditional training with the benefits of modern computer technology. It features the academic application of biblical truths to the practical problems graduates face in ministry around the world. By providing an understanding of the Scriptures followed by the integration of knowledge with modern strategies for ministry, the program seeks to provide the capabilities needed for ministry. Ministry skills as well as effective written and verbal expression are highlighted.

GOALS

The program seeks to attain three types of outcomes in the life of the student: academic, professional, and relational.

ACADEMIC

The program enables the student to develop intellectually. The criteria to determine intellectual ability include the student’s capacity to demonstrate practical expression, to have a working knowledge of the Hebrew and Greek biblical texts, and to articulate traditional evangelical doctrinal beliefs.

PROFESSIONAL

The criterion to determine professional ability is the capacity to incorporate biblical knowledge with preaching skills, so that the Scriptures are communicated with accuracy and relevance. Also, students will have opportunities to develop their skills under guided supervision through internships.

RELATIONAL

The program enables the student to develop relationally. The criterion to determine relational ability is the capacity to demonstrate satisfactory character for a vocational Christian field worker during internship experiences.

*Advanced standing, validation, and transfer credit are available; see chart on page 34.

MASTER OF ARTS IN BIBLICAL STUDIES (Chicago)

The Master of Arts in Biblical Studies (MABS) degree is described below, as are its program objectives and requirements. In addition, a suggested schedule of classes is provided.

DESCRIPTION
The MABS is a 60-hour* program designed to provide a broad biblical base for those who have graduated from a secular college or university.

The program applies biblical truths to the practical problems students face in life and ministry around the world. By providing an understanding of Scripture and systematic theology, followed by the integration of this knowledge with modern strategies for ministry, the program seeks to provide the capabilities needed for ministry and personal growth. Evaluation skills as well as effective written and verbal expression are emphasized. The student is expected to attain comprehension of a foundational framework of biblical and theological truths, a commitment to a lifestyle based on Christian character, and capabilities in research and communication that are critical in ministry.

GOALS
The program seeks to attain three types of outcomes in the life of the student: academic, professional, and relational.

ACADEMIC
The MABS program will give the student a practical and biblical worldview. This worldview will serve as a foundation for explaining and defending traditional evangelical doctrinal beliefs.

PROFESSIONAL
The student will know how to interpret and communicate biblical truth and how to impact others in the church and in the world. Furthermore, students will have opportunities to develop their skills under guided supervision through internships.

RELATIONAL
The MABS program will attempt to stimulate spiritual growth by providing opportunities for fellowship with God and other believers and fostering the integration of faith and practice.

*Advanced standing, validation, and transfer credit are available; see chart on page 34.

MASTER OF ARTS IN MINISTRY LEADERSHIP
(Chicago)

DESCRIPTION
The Master of Arts in Ministry Leadership (MAML) degree is a 60-hour* academic program. It is designed to prepare students for effective and exemplary Christian leadership in a variety of settings through biblical, theological, professional, and spiritual life training. The program provides advanced training in leadership for current and future pastors, ministry leaders in churches, managers in Christian organizations, business-as-mission entrepreneurs, missionaries, teachers, administrators, and evangelists. The MAML is for students interested in leadership who desire to sharpen their skills, be challenged, and make a significant impact for Christ and His kingdom around the world.

The program is flexible because it welcomes students with secular or Bible college degrees, with or without ministry experience. Graduates are equipped to plan, organize, lead, counsel, resolve conflicts, assess, manage change, and direct a variety of church and parachurch ministries. Through the MAML, MTS endeavors to produce competent ministry leadership practitioners in a local or global setting.

GOALS
The program seeks to attain three types of outcomes in the life of students: academic, professional, and relational.

ACADEMIC
The academic outcome is a graduate who is biblically and theologically grounded and a maturing follower of Christ who can engage in critical and constructive theological reflection and develop biblical and practical strategies for effective ministry leadership. This outcome is based on a solid foundation of biblical, theological, and leadership studies that will enable students to articulate, critically analyze, and evaluate the historical, theoretical, practical, legal, and ethical aspects of ministry leadership, including the principles, processes, and strategies of ministry leadership in a local or global context.

PROFESSIONAL
The professional outcome is a graduate who is biblically and theologically grounded and a maturing follower of Christ who possesses developed and honed leadership skills. This outcome is based on a solid foundation of biblical, theological, and leadership studies that will enable students to appraise the giftedness of self or others, exegete contexts and audiences, effectively communicate the Word of God, develop basic knowledge and skill in the use of modern technology in ministry, and analyze and build strategies for innovation and/or transformation of individuals, groups, and organizations.

*Advanced standing, validation, and transfer credit are available; see chart on page 34.

MASTER OF ARTS IN INTERCULTURAL AND URBAN STUDIES (Chicago)

DESCRIPTION
The Master of Arts in Intercultural and Urban Studies degree is a 60-hour* program designed to equip maturing followers of Christ serving in various cultural and urban contexts to relate with people in Christlike ways, to learn from them, and to teach and embody the truth of God’s Word for the sake of making disciples around the world.

GOALS
The program seeks to attain three types of outcomes in the life of the student: academic, professional, and relational.

ACADEMIC
Based on careful study of Scripture and in dialog with published research and current practitioners, the student will develop a biblical worldview centered in Jesus Christ and informed by the global church. This will shape the student’s theology of intercultural ministry that addresses issues that arise from specific contexts of intercultural and urban ministry.

PROFESSIONAL
Taking the position of a learner, the student will develop advanced skills to identify specific intercultural and urban issues, analyze them within a biblical framework, and formulate ministry strategies in partnership with a network of researchers and practitioners within a local context of ministry. The student will practice what is being learned through internships, living interculturally in Chicago, or blending coursework with ministry by alternately spending time on campus and in the field.

RELATIONAL
The program intends as an outcome that the student embraces the life of a disciple of Christ (Luke 14:25–35), being empowered by the Holy Spirit to produce the fruit of the Spirit and the attributes recorded in 1 Timothy 3 and Titus 1. Special attention will be given to cultivating a heart of compassion as recorded in Matthew 9:13, particularly toward those who are poor.

*Advanced standing, validation, and transfer credit are available; see chart on page 34.

MASTER OF ARTS IN SPIRITUAL FORMATION AND DISCIPLESHIP (Chicago)

DESCRIPTION
The MASF/D is a 60-hour* program designed for the university graduate or the Bible college graduate.

Over one hundred years ago, D. L. Moody urged the church to return to the training of “soul physicians.” These are men and women who have learned to lean upon the Holy Spirit in both diagnosing the condition of the soul and in aiding others to experience the blessing that can be found in the Lord Jesus Christ. True ministry flows from the inner person (John 7:3–39), and genuine growth involves a strengthening of our spirits (Luke 1:80; Eph. 3:16). This program is designed to allow God to do a work in students that He may freely work through them. It is aimed at equipping students to meet the spiritual needs of others and to shepherd, exhort, and guide God’s people. Training people to be soul physicians involves obeying Paul’s instruction to Timothy to first “pay close attention to yourself and your teaching,” which results not only in one’s own sanctification and becoming a living epistle but also an overflowing to others in fulfilling the Great Commission. It may be a pathway to vocational employment as a minister of discipleship, of small groups, or of other aspects of the educational ministries of the church throughout the world.

GOALS
The program seeks to attain three types of outcomes in the life of the student: academic, professional, and relational.

ACADEMIC
The objectives of the program are to enable the student to articulate and defend a biblical worldview that is centered in Jesus Christ and the essentials of the Christian faith. This includes the ability to articulate the basic doctrinal conclusions of the historical, evangelical, Protestant tradition consistent with literal interpretation of the Scriptures and a worshipful understanding of the attributes of God. The student will survey every book of the Bible and every area of systematic theology as well as learn to study the Scriptures themselves.

PROFESSIONAL
The student will construct a personal philosophy of ministry with a special emphasis on shepherding and discipling God’s people. This ministry is to come out of one’s own disciplined pursuit of God. Furthermore, students will have opportunities to develop their skills under guided supervision through internships.

*Advanced standing, validation, and transfer credit are available; see chart on page 34.
RELATIONAL
Graduates will embrace a lifestyle of obedience and servanthood flowing out of a passionate understanding of one’s position in Christ and a continual dependence on the Holy Spirit. They will be committed to incarnating the gospel and equipping other believers to reach their full maturity in Christ. This will include the ability to accept God’s design for their life and living a life of faithfulness and purity. They will develop a plan to practice the spiritual disciplines, which will be reinforced through small group interaction, community worship, and service.

MASF/D REQUIREMENTS
In order to graduate from this program, a student must fulfill the following requirements and secure the approval of the faculty:

1. Successfully complete all the coursework described in the schedule below, with a minimum grade point average (GPA) of 2.5 and within the time allotted (five years). MASTER OF THEOLOGICAL STUDIES (Michigan)

DESCRIPTION
The Master of Theological Studies (MTS) is a 60-hour* program. Students planning to teach the Scriptures on an institute or undergraduate level, or who want to conduct research on scholarly writing, or who simply desire to specialize in an area of biblical or theological study choose the Master of Theological Studies program. The MTS program is founded on the scholarly fields of education, biblical studies, and theology. The curriculum attends to various academic areas within theological studies, while allowing the student the flexibility to focus on a single area within the larger field of study. Students complete the degree with a master's thesis or degree seminar.

GOALS
The Master of Theological Studies degree is designed to prepare students through a biblical and theological foundation for various kinds of ministries within the local church or in parachurch ministries. The general theological training of this degree can serve students interested in pursuing specialized or doctoral studies.

The program seeks to attain three types of outcomes in the life of the student: academic, professional, and relational.

ACADEMIC
The program enables the student to develop intellectually. The criteria to determine intellectual ability include the student's capacity to demonstrate biblical exegesis and exposition starting with one of the original languages and to articulate and scripturally defend biblical orthodoxy. Students will also uphold godly living through personal practice and by encouraging others to the same goal.

PROFESSIONAL
The criterion to determine professional ability is the capacity to apply Scripture to the issues of life practically, soundly, and with compassion, utilizing primary documents where relevant. Students are expected to access scholarly literature in English from books as well as professional journals, to use these with critical judgment, to evaluate issues critically and theologically, and to distinguishbiblically consistent doctrines and practices from those that deviate.

*Advanced standing, validation, and transfer credit are available; see chart on page 34.
MASTER OF THEOLOGICAL STUDIES (Michigan)

RELATIONAL

GRADUATE CERTIFICATE IN BIBLICAL STUDIES
(Chicago and Michigan)

DESCRIPTION
The GCBS is a 30-hour* program designed to provide a broad biblical base for those who have graduated from a secular college or university. The program applies biblical truths to the practical problems students face in life and ministry around the world. By providing an understanding of the Scriptures and systematic theology, followed by the integration of this knowledge with modern strategies for ministry, the program seeks to provide the capabilities needed for ministry and personal growth. Evaluation skills as well as effective written and verbal expression are emphasized. The student is expected to attain comprehension of a foundational framework of biblical and theological truths, a commitment to a lifestyle based on Christian character, and capabilities in research and communication that are critical in ministry.

GOALS
The program seeks to attain three types of outcomes in the life of the student: academic, professional, and relational.

ACADEMIC
The GCBS program will give the student a practical and biblical worldview. This worldview will serve as a foundation for explaining and defending traditional evangelical doctrinal beliefs.

PROFESSIONAL
The student will develop skills in interpreting the Bible, using basic Bible study tools, applying and communicating biblical truth, and impacting others in the church and in the world.

RELATIONAL
The GCBS program will attempt to stimulate spiritual growth by providing opportunities for fellowship with God and humanity and through the integration of faith and practice.

*Advanced standing, validation, and transfer credit are available; see chart on page 34.

GRADUATE CERTIFICATE IN INTERCULTURAL STUDIES (Chicago)

DESCRIPTION
The GCIS is a 21-hour* program designed to equip maturing followers of Christ serving in intercultural contexts to relate with people in Christlike ways, to learn from them, and to embody the truth of God's Word for the sake of making disciples around the world.

GOALS
The program seeks to attain three types of outcomes in the life of the student: academic, professional, and relational.

The program intends as an outcome that the student embraces the life of a disciple of Christ (Luke 14:25–35), being empowered by the Holy Spirit to produce the fruit of the Spirit and the attributes recorded in 1 Timothy 3 and Titus 1.

*Advanced standing, validation, and transfer credit are available; see chart on page 34.

GRADUATE CERTIFICATE IN SPIRITUAL FORMATION AND DISCIPLESHIP (Chicago)

DESCRIPTION
The GCSF/D is a 19-hour* program designed for university or Bible college graduates. Over one hundred years ago, D. L. Moody urged the church to return to the training of “soul physicians.” These are men and women who have learned to lean upon the Holy Spirit in both diagnosing the condition of the soul and in aiding others to experience the blessing that can be found in the Lord Jesus Christ. True ministry flows from the inner person (John 7:3–39), and genuine growth involves a strengthening of our spirits (Luke 1:80, Ephesians 3:16). This program is designed to allow God to do a work in students that He may freely work through them. It is aimed at equipping students to meet the spiritual needs of others and to shepherd, exhort, and guide God’s people. Training people to be soul physicians involves obeying Paul’s instruction to Timothy to first “pay close attention to yourself and your teaching,” which results not only in one’s own sanctification and becoming a living epistle but also overflowing to others in fulfilling the Great Commission. It may be a pathway to vocational employment as a minister of discipleship, of small groups, or of other aspects of the educational ministries of the church throughout the world.

GOALS
The program seeks to attain three types of outcomes in the life of a student: academic, professional, and relational.

ACADEMIC
The objectives of the program are to enable the student to articulate and defend a biblical worldview that is centered in Jesus Christ and the essentials of the Christian faith. This includes the ability to articulate a worshipful understanding of the attributes of God.

PROFESSIONAL
The student will develop skills in interpreting the Bible, using basic Bible study tools, applying and communicating biblical truth, and impacting others in the church and in the world. Furthermore, out of his or her own disciplined pursuit of God, the student will construct a personal philosophy of ministry with a special emphasis on the shepherding and discipling of God’s people.

*Advanced standing, validation, and transfer credit are available; see chart on page 34.
GRADUATE CERTIFICATE IN SPIRITUAL FORMATION AND DISCIPLESHIP (Chicago)

RELATIONAL
Graduates will embrace a lifestyle of obedience and servanthood flowing out of a passionate understanding of one's position in Christ and a continual dependence on the Holy Spirit as seen in the biblical attributes of 1 Timothy 3 and Titus 1. They will be committed to incarnating the gospel and equipping other believers to reach their full maturity in Christ. This will include the ability to accept God’s design for their life and living a life of faithfulness and purity. They will develop a plan for practicing the spiritual disciplines, which will be reinforced through small group interaction, community worship, and service.

GCSF/D REQUIREMENTS
In order to graduate from this program, a student must fulfill the following requirements and secure the approval of the faculty.

1. Successfully complete all the coursework described in the schedule below, with a minimum grade point average (GPA) of 2.5 and within the time allotted (three years). Students who have no more than six hours outstanding will be permitted to participate in the commencement ceremony as long as they are registered to complete the coursework during the summer.

2. Participate in the exit interview process.

3. Sign a statement of agreement with the Institute’s doctrinal position.

DESCRIPTION
The GCUS is a 21-hour* program designed to equip students to think biblically and theologically about the city and its people, to access and understand the urban environment, and to formulate viable ministry strategies in cities around the world.

GOALS
The program seeks to attain three types of outcomes in the life of a student: academic, professional, and relational.

ACADEMIC
The first intended outcome of the GCUS program is that the student will be able to articulate and construct a personal philosophy of ministry conducive to an urban, multicultural environment and to defend a biblical worldview that is centered in Jesus Christ and the essentials of the Christian faith.

PROFESSIONAL
The student will develop skills in interpreting the Bible, using basic Bible study tools, applying and communicating biblical truth, and impacting others in the church and in the world. Furthermore, the student will be able to live out an incarnate gospel in a diverse, cross-cultural urban setting, reflected in the ability to exegete effectively the community and its people and then implement a contextualized, holistic urban ministry strategy within the religious pluralism of the city.

RELATIONAL
Third, the program intends as an outcome that the student be able to embrace a lifestyle of obedience and servanthood, consistent with the Christian's position in Christ and the empowerment of the Holy Spirit to produce the attributes recorded in 1 Timothy 3 and Titus 1. Students will be progressing in cultivating a heart of compassion (Matt. 9:13), particularly toward the urban poor.

*Advanced standing, validation, and transfer credit are available; see chart on page 34.
