Total Credit Hours: 180.40

The course sequence for the maintenance specialist emphasis during the fourth and fifth years will vary based on the scheduling of available rebuild projects. Students should consult with the Director of Advanced Maintenance Training before scheduling classes.

* All "ARCFT" courses are offered through the Spokane Community College on a quarter-hour basis.

** FE 4400, Ministry Internship, may be accomplished any time after the completion of the first year of A&P training during an appropriate break which must be of sufficient length to accomplish the 8 week internship. In the normal program flow, a break exists during the summer between A&P training or after the completion of the maintenance specialist technical curriculum in the Fall of the fifth year of training. A student may also opt to take a year off after completing the A&P certification to accomplish the internship and return to complete the maintenance specialist technical training.

*Specific applied lesson numbers for piano, organ, composition or instruments are published on the Music Department Blackboard site.

Composition students take four credits of piano and four credits of composition. All other students must take a minimum of eight credits in one applied area.

*** ME 1131, 1132, 1133, 1134 will satisfy each semester's large ensemble requirement.

+ Take two electives from the following three: Bible elective (N.T.), Bible elective (O.T.), and/or Theology elective.

□ Students must sign up for MU3300 half hour recital (zero credit hours) in either the 7th or 8th semester.

Two of the five music electives must be at the 3000 or 4000 level. Students who do not pass a piano proficiency test at the end of Music Theory IV will need to use elective credits to take piano lessons until proficiency is achieved.
