Welcome to Moody Bible Institute

We are pleased that you have been led to study with us at Moody Bible Institute (MBI). We are committed to the preparation of ministry practitioners for leadership and influence in the body of Christ worldwide. This is achieved through rigorous academic and co-curricular programs that prepare our students with knowledge, relational skills, and practical skills to effectively minister the gospel to a needy world.

We look forward to the opportunity of serving you during your time as a student at MBI. It is our prayer that you will be enhanced in your knowledge and ministry skills during your time with us. However, our ultimate goal for your experience is that you develop a deeper walk with Christ.

Welcome to the Moody community!

Mission of Moody Bible Institute

As a higher education and media ministry, Moody exists to equip people with the truth of God's Word to be maturing followers of Christ who are making disciples around the world.

Core Values

- The Authority of the Word of God
- The Centrality of the Church
- The Worth and Dignity of the Individual
- The Priority of Servanthood
- The Practice of Integrity
- The Responsibility of Stewardship
- The Call of Evangelism

Mission Statement of MBI Undergraduate School

The mission of Moody Bible Institute is to provide a Bible-centered education that enables students to know Christ and serve Him through His Church. We educate students to think biblically, live christianly, and serve the church effectively.

Student Responsibility

The *Student Life Guide (SLG)* has been compiled to aid you in your time as a student. The *SLG* supplements the *Moody Bible Institute Catalog* with additional information concerning student policies, community life, campus services and other information of value to the student. It is intended to be a practical guidebook and will hopefully answer most of the questions that arise. For program and course information, please consult the *MBI Catalog*. The *SLG* is an official document of Moody Bible Institute that is essential and binding on all students. As an MBI student you agree to read and to abide by the policies of the Moody Bible Institute contained in the *Student Life Guide* and *Moody Bible Institute Undergraduate Catalog*.

Students agree to maintain scholastic, ethical, and moral standards of conduct according to Biblical standards (Eph. 5-6; Gal. 5; 1 Tim. 6). The student should avoid every form of dishonesty, deception, lack of integrity, immorality, abusive speech, and impropriety. Any disregard for the spirit or practice of these standards constitutes good reason for dismissal from MBI.

Student Development

As an integral part of the Educational division, the staff of Student Development serve as co-educators and spiritual leaders who love and lead the student body. We attempt to lead students through life-giving relationships that add value, deepen character, and encourage development in each student. Our residence hall program is intended to provide a training ground for leadership and ministry because we believe in students' potential as ministers and leaders. We seek to serve students from a posture of love and respect, not fear and control. This redeeming, relational love is the context in which we strive to maintain rules and exercise discipline.

Our mission is to serve as a catalyst for students to become complete in Christ (Col. 1:28-29) and to encourage them to become growing and complementary members of the body of Christ (Eph. 4:15-16). It is to this end that we care for students and help them to grow in every aspect of their lives. We desire to see students reach their full potential and take hold of the gifts that the Lord has given them. Our goal is that students would leave Moody as whole individuals

who love the Lord, love others, and serve for the advancement of the kingdom.

Successful growth as a student at MBI means maturing in Christ. We are intentional about helping you incorporate your spiritual growth with your academic, physical, and social growth. You will have many opportunities to apply your MBI learning in conversation, Scripture study, hospitality, practical ministry, creative expression, and worship.

We desire to see our students incorporate God into even the mundane areas of life. Students can expect to be challenged spiritually, emotionally, and relationally at MBI. We want to assist students in any way that we can to integrate what is learned in the classroom or chapel into their lives. We believe the choices that students make about the way they spend their time is part of maturing in Christ, and our hope is that our students would see how Christ can be glorified in all that they do and say and how the information they learn in the classroom can be applied in their everyday lives.

A Philosophy of Christian Life

The goal of Moody Bible Institute is that each facet of the students' academic and co-curricular experience contributes to the development of Christian maturity and Christ likeness. Christian maturity involves a commitment to the truth of God's Word and adherence to explicit statements, which govern behavior. The Bible contains both prohibitions (e.g., the Ten Commandments, warnings against drunkenness, sexual immorality, materialism and an impure thought life) and prescriptions (e.g., to love one another, to assemble or worship, to be helpful to the needy). A mark of spiritual growth is an increasing conformity to all biblical commands.

We draw special attention to the following practices, which we believe expressly violate scriptural absolutes:

- The use or possession of morally degrading literature or media
- Improper sexual behavior
- Dishonesty in any form, such as plagiarism
- Abusive behavior, such as alcoholism, substance abuse, addiction, or violence
- Theft or destruction of property

However, Christian maturity involves more than adherence to explicit scriptural statements of right and wrong. It involves a total commitment to the lordship of Christ, a life of dynamic discipleship, and a renunciation of self-centeredness. The mature Christian recognizes scriptural principles that govern conduct and applies these principles to attitude, conviction, and behavior.

The following biblical principles represent MBI's emphasis on Christian maturity:

- A personal responsibility to conduct ourselves in a manner worthy of the gospel of Christ, doing all for His glory (Rom. 14: 4-12; Phil. 1: 20-27; Col. 3:23; 1 Cor. 10:31).
- A personal desire to abstain from every form of evil (1 Thess. 5: 22).
- Because of the value placed on persons as those created in God's image (Gen. 1: 26-27; Col. 3:10; Matt. 22:39; Rom. 13: 8-10; 1 John 3: 13-18), a

controlling principle of Christian love demands the following:

- A genuine desire to please our neighbor for his good and for his edification (Rom. 15:1-3).
- A thoughtful consideration of others lest, in the exercise of Christian liberty, a brother is caused to stumble. A willingness to avoid that which is inexpedient or imprudent because of its damaging consequences, even though it may not be wrong in itself (Rom. 14:13-23; 1 Cor. 8:7-13; 10:23-33; 1 Tim. 2:9).
- A discriminating concern for our influence on the whole body of Christ that we serve, as well as the city and a larger society of which we are a part. A willingness to avoid that which is needlessly divisive or offensive to significant segments of the MBI campus or to the prevalent sensitivities of the evangelical community at large (1 Cor. 10:32-33; 9:22).
- A humble recognition that others in the Body of Christ may sincerely hold convictions in areas of social behavior that differs. A willingness to accept the convictions of others in a non-judgmental manner (Rom. 14:3-6).
- A willing submission to authority for the Lord's sake. This includes obedience to all governmental regulations to which a Christian can conform in good conscience (Rom. 13: 1-7; Heb. 13:17; 1 Pet. 2:13-17).
- An intelligent concern for the care and use of our bodies and our minds (1 Cor. 6:19, 20; Rom. 12:1-2; Phil. 4:8; 2 Cor. 10:5).
- A high standard of ethics in the area of separation from the ungodly system of the world (2 Cor. 6:14-18; Eph. 5:3-12; James 1:27; 4:4; 1 Thess. 2:15-18).
- Awareness that conformity to man-made regulations, which appear religious, does not guarantee spiritual maturity in and of themselves. (Col. 2:20-23).

Stewardship of Our Bodies

We are physical beings, and our bodies matter for two reasons: God created our bodies (Gen. 1:26; 2:4-7) and Jesus Himself came in bodily form (John 1:14; 1 Cor. 6:14-15). Our bodies aren't disposable soul-shells; they are destined for resurrection (1 Cor. 15:12-24). Being

that they are temples of worship (Rom 12:1-2; 1 Cor. 6:19-20), even bodily activities - like eating and sex - are spiritual pursuits. Because of Christ's resurrection, we take physical existence very seriously. Here are some practical ways for you to live out Christ likeness in your time at Moody.

Human Sexuality

The Moody Bible Institute's foundation for understanding human sexuality is rooted in our commitment to the Bible as the only authoritative guide for faith and practice. The first two chapters of Genesis constitute the paradigm and prerequisite of God's enduring creative intent for human personhood, gender and sexual identity, and sexual intimacy in marriage (Genesis 1:27, 2:24; cf. Matthew 19:4-5).

We affirm that humanity came from the hand of God with only two sexual distinctions, male and female, both bearing the image of God, and emerging from one flesh with the unique physical capacity to reunite as one flesh in complementarity within a marriage. God's creation design and intent for marriage as expressed in Genesis 2 is therefore exclusively between one man and one woman. Within this monogamous context, intended to be lifelong, sexual intimacy is a glorious blessing from God.

Based on biblical theology (cf. Leviticus 18, 1 Corinthians 5-6, and other passages), we conclude that non-marital sex, homosexual sex, same-sex romantic relationships, and transgender expressions are deviations from God's standard, misrepresenting the nature of God Himself. As such, these are wrong under any circumstances in God's eyes. We affirm the worth and relevance of human gender and sexuality as a distinctive of marriage. Consequently, we consider all other forms of sexual expression sinful, misaligned with God's purposes.

We affirm God's love and concern for all of humanity, a concern that compelled Him to offer His Son as a ransom for our lives, and we consider His biblically recorded and specifically defined guidelines for sexual practice to be enduring expressions of His love and protection of our human identity (Matthew 19:5-9).

Our expectation is that each member of the Moody community will honor the biblical obligation to surrender one's body to God. Non-marital sexual intimacy, homosexual sexual intimacy and same-sex

romantic relationships, and gender identification that is incongruent with one's birth sex are all violations of biblical teaching from which Moody derives its community standards. We willingly submit ourselves to these biblical mandates in light of our call to holiness and to self-surrender.

Relationships and Physical Expression

While at Moody, we encourage you to make all of your relationships reflective of God's character and love. We expect you to honor others and yourself both emotionally and physically, finding your identity and approval in Christ rather than a relationship. Relationships exist within the community and not only impact ourselves but also those around us. As a Moody community, we have an active responsibility to discourage exploitive and sinful behavior and encourage others towards healthy, sustainable, and God-honoring relationships.

Our expectation is that all expression of physical affection be characterized by a commitment to mutual respect for each other and an awareness of the impact our actions have on the surrounding community. Please limit public displays of affection to hand-holding and brief hugs. Unmarried students are not permitted to be alone in an apartment or home with a member of the opposite sex. Students are encouraged to hold each other accountable by courageously and respectfully expressing their concern to their peers when they observe interactions that conflict with these values.

Sexual Addictions and Pornography

God designed our sexuality to be communal, drawing us to our spouse. That is why private, solitary sexual fulfillment such as fantasizing, use of pornography, masturbation, and self-exposure are all sinful and self-destructive.

In Student Development, we understand that many students already know sexual brokenness. We are here to aid you in your journey toward sexual wholeness. We encourage you to ask your RA or RS for prayer and guidance. In addition, we encourage you to take part in holistic accountability with other students where verbal confession and healing prayer is practiced (James 5:13-16).

Body Image and Eating Disorders

Our bodies were designed by God in His own image and as such should be cared for and respected. Our hope is that students will develop healthy eating, sleeping, and exercising habits that will continue into the future.

Bulimia, anorexia, and other eating disorders are destructive and can keep students from focusing on their true purpose.

Knowing that students may already be struggling with eating issues, we are here to help you as you strive to break unhealthy patterns. Please seek out your RA or RS or a member of the counseling staff for help and work at developing accountability with other students so that you can find support, encouragement, and healing.

Tobacco, Alcohol, and Illegal Drugs

As members of the MBI community, students must refrain from smoking any substance, using tobacco in any form, using any kind of nicotine or smoking device, non-medical narcotics, hallucinogenic drugs (including marijuana or hookah), consuming alcoholic beverages of any kind, or misusing any legal or prescribed substances for the duration of their time as enrolled students. In addition, these substances may not be possessed or distributed by students on or off campus. MBI complies with the Drug Free Schools and Community Act of 1989. A Drug and Alcohol Abuse Prevention Program is annually distributed to students and can be accessed at the following link

(<http://www.moody.edu/consumer-information/Alcohol-and-Drug-Free-Schools-and-Communities-Policy/>). If you find yourself addicted to any substance, please seek help through the Counseling Services Office.

Entertainment, Media, and Technology

Members of the MBI community are expected to use discernment in making choices concerning music, drama, dance, comedy, literature, television, movies, video games, and the Internet as our choices and decisions affect not only ourselves, but those around us. We want technology to have an appropriate place in your life. Technology is a resource that we encourage you to use and engage for all of the benefits it has to offer. However, we also desire that you would use technology as a means of freedom and not be a slave to it. As a result, we want our students to be good stewards of their time. Many forms of technology can be used excessively, and we encourage balance in how

students spend their leisure time. We recognize that the Internet has become a normal way to connect with friends, and we desire to see students go beyond the Internet and engage in authentic relationships with one another.

Understanding a wide variety of opinions exist within the Christian community regarding the many forms of entertainment and desiring to strike a balance between these views and provide an atmosphere best suited for student's development, we have chosen to prohibit certain forms of entertainment. Students are to refrain from gambling, viewing obscene or pornographic material, and patronizing pubs, bars, night clubs, dance clubs, comedy clubs, and similar establishments. There will be no on or off-campus dances sponsored or organized by Moody Bible Institute students or personnel.

Music

We ask that students use discernment about the music they listen to and are courteous with the volume of their music for those that live around them and may not share their preferences. Desiring freedom of musical taste and expression, we also require that music played or performed in public areas (hallways, lounges, or assemblies) keep with the spirit and standards of MBI. The Institute reserves the right to decide on the suitability of music played or performed on campus.

DVDs/Movies/Video Games

Decisions regarding both time invested and the content of movies watched, video games played, and social media sites visited should be governed by the values of prudence, moderation, and modesty. We encourage all students, not simply Residence Life staff, to hold each other accountable to these values when making entertainment choices.

We exhort students to be mindful of their academic pursuits and respectful of the needs of others as they set up their rooms. It is our strong desire that students not set their rooms up with entertainment equipment being the focal point of the rooms. Therefore, we strongly discourage students from bringing monitors that are larger than 32 inches.

Furthermore, Moody also recognizes that Federal Copyright laws restrict student groups and Residence Life staff from incorporating movies into programs and

events without purchasing a “public performance rights” fee to the copyright holder. Due to the high cost, in most cases, purchasing public performance rights for movies will not be a practical option for a student group or residence life staff member. All questions regarding obtaining rights to films should be directed to the Associate Dean of Student Programs for student groups and the Associate Dean of Residence Life for RAs.

Internet/Social Media Use

Students should exercise caution in the posting of information on the Internet. While the administration ordinarily will not seek this out, students can be held accountable for information found on Internet sites (i.e. Twitter, Facebook, Instagram, Pinterest, personal blogs, etc.) that is not consistent with the standards of MBI.

If you choose to engage in using Social Media, be sure to write in the first person, making it clear that you are speaking for yourself and not on behalf of MBI. If you are writing specifically about your time at Moody, identify yourself as a student and realize that by doing so you are creating perceptions about MBI to others.

Computer Use

Students are required to follow the standards published in the *Computer Use & Acceptable Use Policy* and *Copyright and Peer to Peer File Sharing Policy* found on the student portal and appendices of this guide. Downloading copyrighted material (i.e. software programs, music files, video files, or audio files) is illegal and disciplinary measures will be taken.

Recording Class Sessions and Events

Classes may only be recorded with the permission of the professor.

Students with disabilities who must record classes as an accommodation for their disability should make arrangements with the Student Resource Center.

Students wishing to video or audio record events, including panels, discussions, and presentations, must obtain approval from the designated faculty advisor or the Associate Dean for Student Programs.

Halloween

In an effort to honor the variety of convictions within the Christian community about celebrating Halloween,

students are not allowed to plan or participate in any on-campus activities that celebrate Halloween or activities associated with the holiday (i.e. trick or treating, costume parties around October 31, carving pumpkins, or using traditional decorations like ghosts, witches, spiders, etc. in the Residence Halls).

Campus Attire

What you wear matters; it’s symbolic. Because of this, Moody has historically required its students to live under a dress code that is relatively conservative. While our current dress code has been updated for contemporary relevancy, conservative standards of appearance are part of our received tradition.

Moody encourages students in their clothing choices to exercise responsible freedom while representing themselves as image bearers of God. The established dress guidelines reflect our commitment to our values of individual dignity, self-worth, and a humble awareness of other perspectives. Our desire is to empower students to make dress choices which honor God, others, and themselves.

As a community of Christians from many different backgrounds around the world, encountering differences within our community (e.g. culture, age, gender, and personal preferences) is natural. Because of the diversity present at Moody, we must intentionally communicate our community values, both verbally and non-verbally.

Dress is an expression of our non-verbal communication. The purpose of the dress guidelines is to ensure that we communicate by our dress the respect and dignity due each other.

Since we live in a community with differences in perspective regarding dress standards, these guidelines help students make decisions about personal appearance while enrolled at MBI. In an effort to support students and provide clarity, the following guidelines reflect the expectations for dress:

The following guidelines apply to the men and women of Moody Bible Institute:

- T-shirts with graphics or words that are in contradiction to Moody’s values (e.g. content

that is provocative in nature or promoting drug/alcohol culture) are not permitted.

- Shorts must reach mid-thigh in length.
- Dresses and skirts must come near the knee in length.
- Undergarments must be covered and must not be visible through clothing.
- Clothing which is strapless, sideless, backless, or which reveals the chest or midriff is not permitted.
- Tight-fitting clothing is not permitted including leggings, yoga pants, etc.
- In settings such as the residence halls and public spaces, casual attire (e.g. sweatpants, shorts, loungewear) is appropriate. In settings such as classroom and chapel, casual wear is not permitted.
- Hats are not permitted in chapel or in the classroom, as it is a traditional standard of respect.
- Swimwear must be consistent with Solheim guidelines (Women: 1 piece; Men: swim trunks) for MBI affiliated events and outings.

Faculty and Staff reserve the right to ask students to adjust their attire to better reflect our community standards. Professors, conductors, coaches, and on-campus employers may require a higher standard of dress as they deem necessary to appropriately represent MBI within their context.

This is not solely the responsibility of Faculty and Staff, but rather a commitment we are holding together as a community. Students are encouraged to respectfully and courageously initiate conversations with one another. We desire students to grow in approaching and receiving one another in gentleness and humility, speaking honestly and truthfully in love. Please keep this in mind as you enter into these conversations.

Community Expectations

Our relationships are sacred because we reflect God's image. We must honor each other by showing respect, shaping each other's character, speaking the truth in love, and exercising mutual submission and encouragement. As an institution, we desire to live and grow together in a safe environment. We provide this experience so that you can learn communal practices such as vulnerability, healthy boundaries, and mutual accountability.

Your experiences in the residence halls and on campus will be a vital part of your MBI education. Time spent on your floor or at other campus activities will provide opportunities for you to learn and grow from and with the people God has placed around you. By purposefully mixing major, ages, and academic years on each floor, our desire is that everyone will develop health relational skills by daily interacting with people who have different perspectives from their own. Another aspect of living within a community is the challenge of having to sacrifice personal convenience for the sake of those around you, whether you live on or off campus. Some of the expectations given here are for the good of the student body as a whole, rather than being personal convictions. As Christian, we believe that living in community is one of the ways that God refines and develops our character and personhood, and we are excited to walk alongside you during your time at MBI.

Cultural Competency

At MBI we have a rich cultural environment, which includes people from many countries, ethnic backgrounds, and worldviews. Students are encouraged to take advantage of this diverse environment and to learn about people and cultures different from their own, being intentional about becoming culturally competent. Our campus provides a wonderful opportunity to explore ethnic, cultural, and linguistic nuances. Rather than being afraid, critical, or rejecting these differences, our community should be one that embraces them - doing our best to learn about and respect them.

Because of the many ethnic groups that comprise our student body, Student Development supports the following special interest groups on campus and

encourages students to pursue these opportunities for personal and communal growth: *Embrace, International Students Fellowship, MuKappa, Voices of Praise, Keshet, and Puente.*

Becoming culturally competent within our world is our duty and demands a conscious effort on our part. We know that this is difficult and can be uncomfortable, but as we work together, we can create an environment that is beneficial to everyone.

Vandalism, the use of evil symbols, racial slurs and jokes, and sexually explicit language and illustrations are not representative of our values as followers of Christ and this behavior is not acceptable at Moody. Such actions are offensive to those within our community and they grieve the heart of the Lord and harm the cause of Christ.

Harassment

MBI is committed to providing a learning environment that respects the worth and dignity of each member of its community and that is pleasant, healthful, comfortable, and free from all forms of harassment. Accordingly, it is the policy of MBI that no student shall be the object of harassment, and MBI reserves the right to take actions that are consistent with its policies and procedures to deal with students found to have engaged in harassment.

Except for sexual harassment as defined in Moody's Title IX Policy, harassment is unwelcome conduct and is prohibited where (1) enduring the offensive conduct becomes a term or condition of one's academic or living environment, or (2) the conduct is severe or pervasive enough to create an academic or living environment that a reasonable person would consider intimidating, hostile, or abusive. Minor or isolated incidents (unless sufficiently severe) generally will not rise to the level of prohibited conduct.

Depending on specific circumstances and impact on the academic environment, examples of harassment in violation of this policy include, but are not limited to, verbal abuse, offensive innuendo, derogatory

comments, or the open display of offensive objects or pictures.

For Moody's policies and procedures for disciplining harassment that is not sexual harassment as defined in Moody's Title IX Policy, see the Discipline section of this Student Life Guide.

For Moody's policies and procedures, including discipline, related to sexual harassment, see Moody's Title IX Policy available at <https://www.moody.edu/about/reports-and-policies/title-ix/>.

Liability for Harassment

A student who harasses another student is personally liable for such actions and their consequences. Moody accepts no liability for harassment of one student by another student. Moody will not provide legal, financial or any other assistance to any student accused of harassment.

Sexual-Based Misconduct

Moody's Title IX Policy and Complaint Procedure provides an avenue for those who have been the target of or who witness Sex-Based Misconduct (as defined by Moody's Title IX Policy) to report such Sex-Based Misconduct, without fear of Retaliation (as defined by Moody's Title IX Policy). Please refer to Moody's Title IX Policy at <https://www.moody.edu/about/reports-and-policies/title-ix/> for policies and procedures specific to Sex-Based Misconduct.

MBI Sex Offender Registration

Any student who is identified as a registered sex offender (as defined by the Illinois State Law 730 ILCS 150) is required to register in person with the Office of Public Safety within 3 days of their successful enrollment at Moody Bible Institute. The registration process and requirements necessitated by registration will be distributed to the student by the Office of Public Safety. Failure to comply with this process will be cause for immediate withdrawal of the student.

Hazing

The Institute does not encourage or allow "hazing" as a part of our school culture. No one is to be forced or pressured to be involved in activities which pose a risk of physical injury, cause embarrassment, require

unwelcomed conduct or dress as a condition of joining or being admitted to a group or participating in a school activity. The Institute does recognize that in residence hall life and normal student creativity in building floor or team spirit may result in spontaneous group actions. However, nothing should be carried out which poses any risk of harm, embarrassment, or coercion. Questions as to whether an activity violates this policy should be directed to a Resident Assistant or Residence Supervisor.

Student Grievances

It is the aim of the faculty, staff, and administration of the Moody Bible Institute to provide an increasingly improved curricular and co-curricular program for our students. In addition, it is our desire that the community environment be conducive to student's academic and personal growth. Therefore, input from students is greatly encouraged.

Students who have a specific concern or complaint regarding their experience as a student at MBI are encouraged to use the "Student Grievance Form" to seek to resolve the issue. Grievances that will be addressed through this grievance process include issues related to student safety, interpersonal conflict or behavioral issues, classroom procedures, and/or adverse department decisions. The Student Grievance process does not cover grade complaints, which are addressed in the Grade Appeals section of this Student Life Guide, or issues of Sex-Based Misconduct (as defined by Moody's Title IX Policy), which are addressed in Moody's Title IX Policy.

The "Student Grievance Form" may be completed on the Student Development page located on a student's myMoody portal on the Chicago Campus tab. Once submitted, the Student Grievance Form will be received by the Vice President and Dean of Student Life to determine the best course of action to address the grievance. The report submitted will be held confidential to the extent possible. Grievance information may be shared with college officials in order to conduct a thorough investigation. As appropriate to the grievance reported, the Vice President and Dean of Student Life may forward the report to the Academic Dean, Vice President of Human Resources, or Title IX Coordinator.

The Student will receive a response from the Vice President and Dean of Student Life within two weeks of the date the form is submitted. This will either give an answer to the grievance or inform about the measures being taken to address the grievance.

A student may file an appeal within 48 hours of notification of the final outcome. The appeal must be received by the Vice President and Dean of Student Life in writing and state clearly the grounds that justify reconsideration. General dissatisfaction with the outcome of the investigation or related proceedings is not a basis for appeal. The appeal will be considered by the Provost and a final outcome communicated within two weeks unless otherwise notified.

If after completing the Student Grievance Form and receiving the outcome from the Vice President and Dean of Student Life, a student believes the issue has not been resolved, the student has the option of filing a complaint with one of Moody's accreditation agencies.

A list of accreditations agencies can be found at <http://www.moody.edu/accreditations-affiliations/>.

Student Life accepts anonymous reports of grievances and will follow up on such reports. The individual making the report is encouraged to provide as much detailed information as possible (similar to that requested in the online form). To assure anonymity, please type the information, print and submit to the Student Life office via campus mail. The Vice President and Dean of Student Life may be limited in the ability to investigate and respond to an anonymous report unless sufficient information is furnished to enable the conduct of a meaningful and fair investigation.

Any questions related to the completion or use of the "Student Grievance Form" should be directed to the Vice President and Dean of Student Life, Dr. Timothy Arens. He can be reached at timothy.aren@moody.edu.

Discipline Processes

God places authorities over all of us. Whether it is the government, a parent, a pastor, or an institution, we should recognize authority as such and willingly submit to the authorities in our lives. Student Development is responsible for providing you with leadership and oversight while you are a student at Moody. It is our goal that students would mature and develop self-discipline which leads to godliness and is profitable in this life and that will reap rewards in eternity (1 Tim 4:7b-8).

Throughout the course of a student's time at MBI, encountering a discipline situation may be a part of his or her maturation process. This discipline is always done out of love for the individual and a desire to see them reach their full potential in Christ (Proverbs 2:11-12).

Biblical discipline is redemptive in that it seeks to warn, instruct, and correct the member of the community in a way that offers forgiveness and ushers the individual back into a restored relationship with the community. While forgiveness does not mean an absence of consequences, it does mean that the relationship is mended and restored.

Scope

The policies and procedures related to discipline in this Student Life Guide apply to all student misconduct except Sex-Based Misconduct (as defined by Moody's Title IX Policy). See Moody's Title IX Policy available at <https://www.moody.edu/about/reports-and-policies/title-ix/> for policies and procedures specific to Sex-Based Misconduct.

Loving Confrontation

As members of the MBI community, we all share the responsibility for maintaining a Christ-centered environment. Keeping our "Community Life Agreement" may also require that on occasion it is necessary to hold one another accountable through loving confrontation (Gal. 6:1, Matt. 18:15-17). Confrontation is difficult and uncomfortable, yet it serves to fulfill community responsibility, personal restoration and builds godly character for all involved.

Our process involves following the guidelines which are set forth in Matthew 18:15-17. This passage prescribes that the "concerned person" speaks with the "offender" on an individual level. If the person fails to respond, the "concerned person" then takes another with him or her to speak with the "offender" about the matter. Finally, if there is still no change in the "offender's" actions or attitudes, the "concerned person" hands the situation over to the appropriate authority. It is our prayer that individual confrontation be at the level at which matters are resolved. The goal in this is always restoration, and it should never be about bringing shame or punishment upon a brother or sister in Christ.

If you are in a situation where you believe you need to confront a community member and are unsure about how to proceed, please seek counsel. The Student Development staff is always available to provide advice and support for students who are uncertain as to how they should proceed in confronting someone.

Disciplinary Procedure

Reports of misconduct should be referred to the Residence Supervisors, the Associate Dean for Residence Life, or the VP & Dean of Student Life who will investigate the alleged incident(s). As a result of this research, the appropriate staff member will interview the students and appropriate action will be taken. All disciplinary decisions are made after careful consideration of what is best for the student, the community, and maintaining consistency in dealing with the particular infraction or situation. Every precaution is taken to ensure that students are able to fully represent their perspective in disciplinary matters.

Consequences may include fines, work duties, formal reprimand, warning, disciplinary probation, dismissal, accountability groups, counseling, or whatever else is deemed necessary by the VP & Dean of Student Life, Residence Life staff, or the Discipline Committee. However, any student conduct deemed as criminal activity involving minors will be dealt with in a zero tolerance manner. Please see Appendix A for a full description of each discipline consequence.

At MBI we believe we are in a partnership with parents as we aid students in their developmental process.

Therefore, parents of dependent children may be notified when their student is subject to significant disciplinary actions.

Disciplinary Appeal Process

The student has the right to appeal major disciplinary actions taken by the VP & Dean of Student Life or Student Development staff. Appeals will be heard by the Disciplinary Appeal Committee comprised of two student leaders, two faculty members, a faculty member of the students' choice, two Associate Deans, and chaired by the VP of Student Life or his designee.

Appeals are to be made in writing, to the VP & Dean of Student Life or the Associate Dean for Residence Life within 48 hours of the original decision. The written appeal shall consist of a statement of detailed facts, which make the appeal necessary.

Upon receiving the appeal, the VP & Dean of Student Life or his designee will:

1. Assemble the Disciplinary Appeal Committee (DAC) which will meet with the student at the earliest possible time after the appeal has been requested.
2. Advise the DAC of the rationale for the original disciplinary decision.
3. Provide the student's written statement to the DAC.
4. The decision on the appeal will be rendered within two working days of the appeal and considered final.

A detailed explanation of the appeal process will be given to the student prior to his or her involvement. Only one appeal will be heard on a single disciplinary case.

Information for Crime Victims about Disciplinary Proceedings

In accordance with federal law, HEOA Sec. 493 (a) (1) (A) amended HEA Sec. 487 (a): added HEA Sec. 487 (a) (26), Moody Bible Institute must, upon written request, disclose to the alleged victim of any crime of violence, or a non-forcible sex offense, the results of any disciplinary proceeding conducted by Moody Bible Institute against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of the crime or offense, the information shall be provided to the next of kin of the alleged victim.

Mental Health Issues

Occasionally students are faced with life circumstances and issues which cause significant mental, physical, or emotional distress, making it necessary for the students to cooperate with the counseling and administrative staff to obtain appropriate care. Students experiencing such difficulties are encouraged to contact their families and are expected to notify their RA, RS, or the VP & Dean of Student Life's office or to schedule a counseling appointment with Counseling Services. A student dealing with mental or emotional health issues who refuses to cooperate in obtaining the prescribed counseling, therapy, or medical treatment will not be permitted to continue as a student, especially as his or her actions begin to negatively affect the community or pose a risk to health or safety.

On occasion, it is necessary for a student to be hospitalized as a result of their mental or emotional circumstances. The Counseling and Residence Life staff will do everything possible to aid the student in this unique recovery process. At the time when the student is to be released from the hospital, it will be necessary for a consideration hearing to be conducted by the VP & Dean of Student Life. The purpose for this hearing is to determine whether or not the student will be permitted to return to the residence hall. Any hearing decision may be appealed by the student using the disciplinary appeal process.

Student Involvement

Spiritual Enrichment

We desire that students at MBI would integrate their spiritual development with all other aspects of their life. MBI offers multiple opportunities for students to gather for corporate worship, which includes MBI's chapel program that is intended to spiritually challenge students on a weekly basis.

Sabbath

At MBI we encourage students to get into the routine of setting time aside each week to refresh themselves physically, emotionally, and spiritually. Regular attendance of worship services at a local church is required to make it a special day of renewal set apart from other activities of the week. While we do not prohibit employment on particular days, we caution students from allowing work to encroach on their participation in regular worship services.

Chapel

The chapel program is an important part of the MBI undergraduate educational experience and is subject to the educational values and outcomes outlined in the Undergraduate catalog found in the "Student Center" of your my.moody.edu student portal. The ultimate goal is to be part of providing a Bible-centered education that enables students to know Christ better and to serve Him through His church in vocational ministry. Therefore, the chapel program is committed to the following goals:

1. Chapel seeks to enhance Christian life and character by encouraging the discipline of corporate worship and addressing issues related to Christian living.
2. Chapel is designed to enhance biblical and theological literacy through expositional preaching and theological lectures.
3. Chapel is a forum for articulating a Christian worldview and showing how Christians address current cultural issues.
4. Chapel teaches ministry skills by modeling and by providing hands-on opportunities for student involvement.

5. Chapel improves critical thinking by providing a context for important spokespersons to raise critical points of view.
6. Chapel builds a sense of community through corporate gatherings.
7. Chapel provides a forum for addressing important community issues such as: cultural awareness, sexuality, alcohol/drugs, politics, campus issues, etc.

Chapel Absences/Attendance

Chapel and conference attendance is housed in the Office of Student Programs located on ASC 2. Chapel is held in Torrey Gray Auditorium Tuesday through Thursday and on specified Fridays at 10:00 a.m. Attendance is taken through the fob system. Attendance at assemblies held on Fridays is strongly encouraged but not required. Please check the MoodyCaster for the current chapel schedule.

All students are permitted eight absences per semester. Students have one day after each recorded absence to appeal it. Students are responsible to track their own absences on the chapel website, which can be found on your my.moody.edu student portal. To access the chapel attendance record, complete the following: log in to your my.moody.edu student portal, click on the Chicago tab and click on Chapel Attendance under Chicago Student Forms.

Chapel Behavior

Students are expected to show respect to chapel speakers by being active participants and listeners. Students, who need to study, sleep, talk, or text should take a cut.

Chapel Exemptions

Chapel exemption is granted to those students who regularly work or attend an off-campus class during the chapel hour. Students seeking work exemptions must arrange their work schedule to comply with the minimum requirement of attending a Tuesday, Wednesday, or Thursday chapel. The student must complete and submit the online Chapel Excuse Request Form located on the Chicago Campus tab of your student portal at the beginning of each semester. Each

day for which a student is granted a semester long exemption from chapel will automatically result in the deduction of two permitted absences.

Commuter and part-time students are expected to attend chapel if they have classes immediately before (including 8:00 a.m. classes that end at 9:45 a.m.) and /or immediately after chapel (including 11:00 a.m. classes). Exemptions will not be given for illness, PCM, off campus class trips, or meeting with faculty and staff.

Tardiness to Chapel

Students will be able to FOB in between 10:01 & 10:10 a.m. but students who FOB during this time will be recorded as tardy. If a student is tardy three times he or she will be charged with one absence.

Chapel Probation

Students exceeding their allotted absences by one will be placed on chapel probation for the balance of the semester.

Those students who exceed their allotted absences by two or more will not be allowed to return the following semester. If a student exceeds their allotted absences by three, he or she will forfeit the current semester, be required to leave school immediately, and will not be allowed to return the following semester. Any requests for additional emergency absences must be submitted in writing to the Associate Dean for Student Programs within two weeks of the emergency. Students on chapel probation are not allowed excused absences from chapel for athletic or music responsibilities. Students who falsify attendance records will be placed on chapel probation immediately, forfeit their remaining absences for the semester, and may be referred for disciplinary action.

Seniors in their last semester on chapel probation for the second time will not be allowed to graduate, and those on chapel probation for the first time will have their diploma held until the last day of the following semester. Students, upon accumulation of two (2) conference and/or chapel probations during their MBI enrollment will be asked to withdraw at the end of the semester.

Missions Conference

The annual Missions Conference (required attendance) is a three day conference held in the fall, on which

major areas and issues in worldwide missions are focused and emphasized. ***This year's conference will be held October 10-13, 2017.***

Founder's Week

Our annual Bible Conference (required attendance) is held during the first week of February (February 5 is DL Moody's birthday) for the edification of students, alumni, staff, and friends of the Institute. ***This year's conference will be held February 5-9, 2018.***

Required Attendance for Founder's Week and Missions Conference

No commitments should be made which will keep you from attending any required sessions of Founder's Week or Missions Conference. Undergraduate students will be excused from attendance only for regularly scheduled employment, off-campus classes, or PCM assignments. An online excuse form should be submitted to the Associate Dean for Student Programs. To access the excuse form, complete the following: log in to your my.moody.edu student portal, click on the Chicago tab and click on Excuse Form under the conference forms.

Discipline from Founder's Week and Missions Conference

Penalties for unexcused absences include a Formal Reprimand or Conference Probation. This action is used specifically for excessive absences for Founder's Week and Missions Conference. Students exceeding their allotted conference absences by two (2) will be placed on conference probation during their MBI enrollment. Students missing all of the conference will forfeit the current semester, be required to leave school immediately, and will not be allowed to return the following semester. This disciplinary action, does not, in any way, affect the student's chapel record.

Day of Prayer

Each year, the Wednesday before Spring Break is set aside for MBI's annual Day of Prayer. Students, faculty, and staff members meet corporately and privately throughout the day for intercessory prayer. Since these times of prayer take the place of some classes, attendance for undergraduate students will be taken for the 8:30am morning and 2:30pm afternoon sessions. Students who already have a Wednesday Chapel

exemption must still file an exemption for the Day of Prayer via the Chapel Excuse Form.

Communion

Students wanting to incorporate communion into any campus-related activity must receive prior approval from the VP & Dean of Student Life. Such communion services must be led by an ordained minister or someone functioning as an elder in a local congregation. The service must be conducted so that it shows respect for the students, who for conscience sake, object to participating in communion services outside of a local church.

Student Organizations

At Moody Bible Institute there are many opportunities for a student to develop leadership skills in extracurricular organizations. The following information is essential for a student desiring to take full advantage of these leadership experiences.

Qualifications for Student Offices

Candidates for student offices are chosen based on the following criteria:

1. Consistent Christian character evidencing spiritual growth.
2. Willingness to serve, characterized by dedication and humility.
3. Grade point average consistent with the requirements stated under "Eligibility for Student Offices."
4. Commitment to the spirit and standards of MBI.
5. Not on any type of probation or warning status.

Eligibility for Student Offices

For a student to be eligible to run for office, he or she must have the specified grade point averages (GPA) for the type of office:

Major Office - 2.50 cumulative GPA and a 2.00 semester GPA (previous semester)

Intermediate Office - 2.25 cumulative GPA and a 2.00 semester GPA

Minor Office - 2.00 cumulative GPA and a 2.00 semester GPA

All students holding offices will be asked to resign if their semester GPA falls below 2.00 or if their cumulative GPA falls below the requirement for that

office. It is the responsibility of the office holder to check his or her GPA and report to the appropriate faculty advisor if his or her resignation is forthcoming. Freshmen may only hold a major office in their class organization, one intermediate or two minor offices in their class and /or other student organization. The necessary cumulative grade point averages will be required for the student to continue in office.

Classification of Student Offices

To encourage the distribution of leadership opportunities, a student may hold one major office or one intermediate office and one minor office or three minor offices. Offices are classified and regulated as follows:

Major Offices

- Presidents of classes and music groups
- Student Government Association president and vice president
- Student Missions Fellowship president and vice president
- Residence Activities Council president and vice president
- Resident Assistant
- ARCH and Moody Standard editors-in-chief

Intermediate Offices

- Class officers other than the president
- Student Government Association executive officers other than the president and vice president
- Student Missions Fellowship executive officers other than president and vice president
- Big Brother/Sister executive officers
- All organizational presidents not listed above
- Junior/Senior banquet chairpersons
- Residence Activities Council secretary and treasurer

Minor Offices

- Class committee chairman and members
- Student Government Association representatives
- Student Missions Fellowship floor representatives
- Student Missions Fellowship Prayer Focus Leaders

- Student Government Association ad hoc committee members (non-representatives)
- All other organizational offices not listed above.

Note: Employees of the student publications will meet the grade point average required by the faculty advisors, except for the editor-in-chief, which is a major office

New Student Organizations

Students seeking to form a new student organization must see the Associate Dean for Student Programs concerning the guidelines for establishing an organizational charter.

Resigning from a Student Office

If a student has accepted the responsibility of an office or membership on a committee, he or she must discharge the responsibility to the end of the term of office, except as follows:

1. The student will be allowed to resign from a major office to become president of the Junior or Senior class, but only with the approval of the faculty advisors involved and the Office of Student Programs.
2. In case of ill health or unforeseen circumstances, a student may be permitted to resign if the faculty advisors involved and the Office of Student Programs give approval.
3. Students placed on academic or disciplinary probation will not be allowed to hold office and must resign.

4. If a student receives a stipend, upon resignation or dismissal, the stipend will be forfeited on a prorated basis.

Faculty Advisors

A faculty advisor is appointed for each extracurricular organization and is to be consulted when information is needed by the organization. All details concerning each activity must be cleared in advance with the advisor.

Program Standards for Curricular & Extracurricular Activities

Student performances, whether curricular or extracurricular are expected to conform to the following standards:

1. Biblical or sacred themes are to be handled reverently. Humorous or fanciful songs based on biblical or sacred themes may not be used.
2. Nothing is to be used which would reflect unfavorably on any individual, group, church, denomination, school, or other Christian organization.
3. Everything must be in good taste.
4. No music is to be used which would violate the standards and testimony of the Institute. All scripts, music, costumes, etc. are to be approved by the faculty advisor early in the planning stages.

Residence Life

Residence Requirements

Undergraduate students enrolled in the BA and BMUS programs at Moody's Chicago campus are required to live in the residence halls or apartments throughout their educational experience. The only exceptions to this requirement are students who are married or who have obtained off-campus approval from the Residence Life office.

Moody's commitment to maintaining an environment in which students are required to live on campus is rooted in the Institution's desire to prepare exceptional Christian students for ministry by developing them into whole and effective servants of Jesus Christ. A guiding philosophy and fundamental characteristic of Christian student development is that Christian character and growth which occurs within community.

Therefore, we believe students holistically develop and integrate their faith, learning, and practice best when immersed in community living which integrates students regardless of age or year of study. In community, students give and receive, are shared by and contribute to campus life, and are challenged to integrate their classroom learning with their life experiences. In accordance with this belief, Moody is committed to providing a residence life environment in which freshmen, sophomores, juniors, and seniors live and learn together in community.

Your experiences in the residence halls and on campus will be a vital part of your MBI education. Time spent on your floor or at other campus activities will provide opportunities for you to learn and grow from and with the people God has placed around you. By purposefully mixing majors, ages, and academic years on each floor, our desire is that everyone will develop healthy relational skills by daily interacting with people who have different perspectives from their own. Another aspect of living within a community is the challenge of having to sacrifice personal convenience for the sake of those around you, whether you live on or off campus. Some of the expectations given here are for the good of the student body as a whole rather than being personal convictions. As Christians, we believe that living in

community is one of the ways that God refines and develops our character and personhood, and we are excited to walk alongside you during your time here at MBI.

Residence Hall Staff Residence Supervisors (RSs)

The RSs are full-time professionals, live on campus, provide leadership to the Resident Assistants (RAs), and oversee the residence halls for all on-campus students. There is always an RS on call to respond to emergencies and other concerns that may arise. The RS on call may be contacted through the front desks of each residence hall.

Resident Assistants (RAs)

The RAs are student leaders who serve the floor on which they live. RAs assist the RSs, the Associate Dean of Residence Life and VP & Dean of Student Life in upholding Moody values and providing peer support and care to students. They seek to foster a floor culture that helps students mature in Christ.

Graduate Resident Advisors (GRAs)

The GRAs are graduate students enrolled in Moody Theological Seminary, who provide spiritual formation leadership to undergraduate Campus Ministries. The GRAs also oversee the move-in and move-out process for Jenkins Hall.

Residence Hall Living

Shared Living Spaces

Because of the number of people living on our campus, you are asked to help promote a positive and pest-free living experience by being sure to keep your room, floor lounges, kitchens, bathrooms, and other shared living areas clean and picked up. Please be careful to bring in items that are pest-free. You are also asked to be considerate of the volume of your music, computer, conversations, and the like.

The Residence Life staff deeply values the active nature of personal, face-to-face interaction over the passive nature of electronic communication and community. Therefore, as a community we have chosen to limit

watching movies, streaming programs, and playing video games to only student rooms in the Residence Halls, not in floor lounges.

Quiet Hours

In an educational environment, students must be able to study and sleep without unnecessary distractions. Because of this, the residence hall floors have quiet hours from 11:00 p.m. – 7:00 a.m. Monday – Thursday and midnight - 7a.m. Friday – Sunday.

Floor Funds

Your RA will ask you to contribute \$10 to a floor fund each semester. This money is used to help foster a sense of community on the floors by providing funds for floor or bro-sis socials. Please see your RA if you would like to have input into how these funds are used.

Pranks

Believing that we should take care of the buildings and facilities we have been given, be good neighbors to our surrounding community, and honor one another's dignity, we expect that pranks not be malicious, damage property, compromise life-safety to self/others, or pose any risk of injury to individuals.

Hallways

The hallways are to stay clear of all items. Under no circumstances should hallways or doors be obstructed (City of Chicago fire code).

Storage

Limited storage is available. MBI is not responsible for any items that are lost or stolen while in MBI storage. Items left in storage will be shipped at the student's expense.

Laundry

Each residence hall has a 24 hour laundry facility. Please be prudent in removing your laundry from the washers and dryers to enable the next person to use them in a timely manner. Unattended laundry left on top machines and countertops will be bagged and dated by Facilities personnel and will be disposed of the following day.

Your Room

Students are responsible to maintain the room they are occupying in its present condition. This includes both the movable items and all items which are affixed to the

room. Students are responsible for the cost of repairs or replacement of property that is defaced, damaged, or removed. Under no circumstance are repairs to be undertaken by residents.

Decorations

Because MBI is a tobacco, drug, and alcohol free institution, advertisements of these industries are prohibited in any form. Any material exploiting either sex is not allowed.

Poster putty is the only substance to be applied to the walls in the residence hall. Any other substances or methods used to hang decorations on residence hall walls (including using spray or liquid starch to apply fabric) are not permitted and must be removed immediately. Both fines and repair costs will be charged to the student responsible. You may use 3M hooks at your own risk, but you will be responsible for any damages.

Only LED Christmas lights may be used for decorative purposes. They must not be hung on or around any fire safety equipment (sprinkler system, smoke detectors, etc.), neither can they be used excessively in room or hallways.

Pets

Fish are the only pets that are allowed in the residence halls. Aquarium tank sizes must not exceed 10 gallons. If a student is discovered to have an unauthorized pet, the pet must be removed from campus within 24 hours and a \$250 fine will be assessed to the student's account. If a second infraction occurs, a \$500 fine will be assessed. In addition, Facilities will conduct an assessment of the living space to determine if any damages have occurred. The cost of any necessary repairs will be assessed in addition to any fines.

Furniture

1. No Moody owned furniture is to be removed, improperly stacked or taken apart, even if there is only one student in a double room. Bunk beds may be separated within the room.
2. Students are not allowed to bring their own upholstered furniture into the Residence Halls (except Jenkins Hall). Bringing furniture into the Residence Halls without special approval may incur a fine of up to \$100 and be immediately removed.

3. Lofts (other than Moody provided lofting kits) are prohibited in the Residence Halls and in Jenkins.
4. Halogen lamps are not allowed because they are a fire hazard.

Door Unlock Policy

In the event that a student is locked out of his or her room, the RA is supplied with a master key for the floor and may be available to open the door. The RA may set a specific door unlock policy for the floor. If the RA or roommate is not available, you may contact the residence hall desk to have the door unlocked. A \$25 fee will be charged for this service.

Keys

If keys are lost, a \$15 charge will be incurred to replace one key or \$25 to replace a complete set. If the keys are found within 14 days of the order, everything but the cost of the keys will be refunded. Cracked or bent keys that are brought to the residence hall desk before they break will be replaced without charge. Students are not allowed to possess or make duplicate keys, master keys, or any other unauthorized Institute keys. Replacement keys can be ordered at the Houghton or Culbertson Residence hall desks.

Because our residence halls are often used for conferences, we collect all residence hall room keys during major break periods (Christmas, spring and summer break). This procedure helps to reduce key replacement costs and keep security intact. Students who neglect to turn in their keys at the specified closing dates will be charged \$75.00.

Personal Property

Moody Bible Institute cannot assume responsibility for students' belongings or possessions under any circumstances. Students must assume the complete responsibility for the security and risk of their personal property.

Personal Property Insurance

The Institute shall not be liable for loss or damage of student possessions resulting from accidents, acts of God, or actions of any third party. Students are strongly encouraged to carry personal property and liability insurance in their own names or under a parent's policy.

Use of Institute Rooms

Requests for the use of rooms may be made through my.moody.edu under student resources or you may call Student Programs at 312-329-4206.

Room Entry

Authorized MBI staff reserve the right to enter student rooms at any time for the purposes of emergency care, maintenance, repair, health inspection, safety, or violation of regulations. Exercise of this right will be used with restraint.

Room Inspections

Your RA will schedule times for room inspections throughout the semester. Room inspections are conducted when a student departs from school, leaves for a recess period, or changes rooms.

Windows

The Facilities Department routinely cleans the outside windows of each residence hall during the summer.

For safety reasons, items of any kind are not to be hung, dropped, or thrown from the windows. Please do not yell out of the windows. Students who exit through a window will be immediately dismissed. Damage or removal of a screen will result in a \$100.00 fine.

Candles/Open Flames

Incense, sealing wax, lighters, candles, candle warmers, and open flames of any kind are prohibited. Birthday candles in the floor kitchen are the only exception.

Doors

Due to City of Chicago Fire Codes, doors must not be propped open.

Electrical Appliances

Semester Breaks in the Residence Halls

As MBI has a variety of education venues, students are sometimes asked to share their living spaces with other parts of the MBI community during breaks. Please clean your room before leaving campus and help clean your floor as your RA requests. This cleaning allows you to come back to a clean room and floor.

The following guidelines are to make sure that our students and your guest have a positive experience:

Children, who are part of the Big Bro/Big Sis, church youth group or a PCM program, are allowed on the first floor of each residence hall and must remain with their student host. Students can only have one under-aged visitor at a time and are responsible for the child's behavior. No babysitting is allowed in the residence halls. The only exception to the above rule is a student's brother or sister, but the student must get approval from the Associate Dean of Residence Life and notify his or her RA **before** the visitor comes.

Can I Live Off Campus?

Undergraduate students enrolled in the BA and BMUS program on the Chicago campus are required to live in Moody's residence halls throughout their educational experience. The only exceptions to this requirement are students who: 1) are married 2) have obtained off-campus approval from the Residence Life Office, or 3) are participating in the Urban Cohort. Residence Life and Urban Cohort only approve off-campus housing for a limited number of students who meet the following requirements:

1. Obtain a senior academic standing (90 credit hours) by the time they enter the semester which they desire to live off-campus.
2. Maintain a 2.50 or 2.0 GPA respectively
3. Exhibit responsible Christian character

Students who meet the requirements must obtain an official campus application from the Residence Life office and submit it by the due date prior to the semester they desire to live off-campus. Senior off-campus approval is given to students with the highest number of credit hours earned at the time of applying. Information regarding off-campus application due dates can be obtained through the MoodyCaster during the first month of every semester. Questions regarding senior off-campus applications can be directed to the Assistant Dean of Housing, Hannah Cospers, 312-329-4189. Questions regarding Urban Cohort applications can be directed to Clive Craigen, 312-329-4422.

New Student Temporary Curfew

A temporary curfew for new students is intended to facilitate the transition between home life and life in an urban context. We understand a curfew's necessity varies from student to student, but we appreciate and expect every new student's participation.

New Student Temporary Curfew has a two-fold purpose. We place a high value on new students' safety and want to give them an opportunity to learn how to navigate the city in a healthy and wise manner. We also

believe that having some boundaries at the beginning of your Moody experience can help you establish healthy student life patterns.

New students have curfew for the first six weeks of the semester as part of Extended Orientation. Curfew hours are midnight until 6 a.m. Monday through Thursday; 1:00 a.m. until 6 a.m. Friday through Sunday. Any new student who arrives to a residence hall after curfew during the first six weeks of the semester is required to sign in at the desk.

Extended Orientation consists of three meetings with your RA and new students on your floor for training related to safety, urban living, and campus life. These meeting times are determined by your RA and will occur prior to Missions Conference in the fall and Founder's Week in the spring semester. Our goal with Extended Orientation is to teach helpful life skills, promote student safety and awareness, and develop new student community in the residence halls.

Safety Guidelines

Fire Drills

When the fire alarm sounds, you must vacate the building. Instructions are posted on the floors and your RA will give additional explanation. False alarms set off by students will result in a \$100-\$500 fine.

Emergency Evacuations:

1. Leave lights on
2. Open blinds
3. Leave door unlocked
4. Stay with your group, class or floor
5. Do not use elevators
6. Calmly proceed to the nearest stairwell exit
7. Remain 30 feet away from the building until the 'all clear' is stated
8. Follow Floor Monitors (wearing orange vest) and emergency personnel's directions

Fireworks

Fireworks of any kind are illegal in Illinois and are prohibited on campus.

Hallways, Stairwells, & Elevator Lobbies

Keeping in accordance with the City of Chicago fire ordinances, these areas must be kept free of all furniture, luggage, clothes, boxes, appliances, etc. This

also helps avoid safety hazards and a cluttered appearance. Halls and stairwells must be free of all boxes and personal belongings the first Friday after classes begin through the Friday before finals begin.

Lockdown

A lockdown is when a building (academic or corporate) is secured in order to prevent individuals from getting in or out until an emergency situation has been resolved. If a Floor Representative receives a call from Public Safety or a public address announcement occurs stating a lockdown is in effect, the following procedures should be followed:

Lockdown procedures

1. Lock all doors
2. Move all individuals and items out of view
3. Remain quiet – silence all electronic devices
4. Open exterior blinds and turn lights off
5. If a phone is in a secure area, call 911 then call HELP (x4357) and inform them of your location and the number of people in the area (use land line if possible).

Shelter-in-Place Procedures

If a Floor Representative receives a call from Public Safety or hears a public address announcement stating to Shelter-in-Place, everyone should:

1. Remain as calm and quiet as possible
2. Move to the lowest levels (tunnels), innermost hallway, or enclosed area of the building
3. Stay away from windows
4. Avoid auditoriums, gymnasiums, or other large rooms
5. If outside, seek shelter indoors.

Other Community Guidelines

Plaza

The Plaza is a community environment. For the safety and consideration of others, playing ball, skateboarding, rollerblading, cycling, and Frisbee throwing are not allowed at any time.

The Associate Dean of Student Programs must pre-approve the use of amplified instruments and/or equipment one week before the date of the scheduled activity. Please observe community quiet hours.

Elevators

Please observe posted elevator guidelines. Be considerate of others using the elevators and take the stairs whenever possible. Any tampering or misuse of elevators may result in a fine of up to \$1,000 for all offending parties. When possible, if there are multiple people on the elevator, only stop at every other floor and then proceed up or down one flight of stairs as needed. This will prevent long travel times in the elevators.

Sprinkler System

The MBI residence halls are equipped with sprinkler systems for fire protection. Tampering with or hanging items from this fire safety equipment is strictly prohibited by law and by MBI rules. Any student violating these rules will be subject to discipline and possible legal action.

Moody Bible Institute will not be liable for loss or damage to students' personal belongings caused by activation of the sprinkler system if such an act is caused by student negligence or intentional act. Further, the Institute will seek restitution from students, and/or their insurance carriers, their parents, or their parents' insurance carriers for any damage to Institute property caused by student actions.

Bicycles

If bicycles are found in the residence halls at any time, you will be charged a \$15 fine and will have to take the bike to the parking garage. You must register your bike with the Facilities office and park and lock your bike in designated areas.

Rollerblades & Skateboards

Rollerblades and skateboards are not to be worn or used inside any buildings. Please put on and take off your rollerblades in the first floor lobby of your residence hall. Rollerblading and skateboarding are prohibited on the ADA entrances of Culbertson Hall and the Alumni Student Center.

Commuter Students

General Information

Even though commuting students are not in residence at MBI, adherence to the Community Life Standards set forth in this Student Life Guide is expected. This pertains to activities both on and off campus. After reading the SLG, a Community Life Agreement must be electronically signed on the student portal each academic year. Failure to do so will result in a hold placed on your account and jeopardize your status as a student at MBI.

Campus Post Office

All commuter students are assigned a campus post office (CPO) box. Report to the CPO window for your assignment and lock combination. Post office services will include sale of stamps and other mailing supplies, as well as handling lost and found items.

Parking

The MoodyCaster will publicize the date and time for obtaining parking permits. See Student Parking information on page 50.

Snack Room & Commuter Lounge

A commuter lounge is located on the second floor of the Academic Student Center (ASC II). The lounge provides a place of relaxation, rest, and study. The snack room contains microwave ovens, a refrigerator, vending machines and ample space for eating. This commuter area also includes lockers designated for use by commuting students. See Lockers on page 31 for more information.

Excuse from Chapel

All students are expected to be in chapel if they are on campus at the 10:00 a.m. hour. Commuting students may be excused from chapel provided the 8:00 – 8:50 a.m. class is their only class of the day, the 12:00 p.m. class is their first class of the day, or students who do not have class on that day. Chapel Excuse Request Forms are available online in the student portal and must be submitted at the beginning of each semester.

Reporting Illness

All students have the choice of receiving care from Health Services or seeking their own physician. It is not possible for Health Service to care for students' children. The Student Development department appreciates and requests the knowledge of serious illness of not only the student, but of family members as well.

Change of Address

All changes of address and phone numbers should be changed online through my.moody.edu immediately.

Residence Hall Visitation

We encourage interaction of commuting and residence students, but please be reminded that it is necessary for commuting students to sign in at the respective residence hall desk before proceeding to visit an on campus student. Off Campus students must vacate the residence halls by the start of 12 a.m. Off Campus students staying the night on campus are considered guests of the resident and must adhere to the overnight guest policy (see page 26).

Married Students

Student Wives Fellowship

Mission Statement: 'To strengthen women to know and love Christ more deeply, encourage them through caring community, and equip them for ministry.'

Student Wives Fellowship (SWF) provides fellowship and spiritual support as well as biblical instruction and training to the students who are wives and the wives of students at Moody Bible Institute and Moody Theological Seminary. The program meets on Thursday evenings and gives wives an opportunity to encourage each other as well as be encouraged by administration, faculty, and employee wives. Student wives who live on or off campus are welcome.

The Student Wives Fellowship Coordinator is responsible for maintaining the Fellowship and is available for advice and assistance. The Coordinator can be contacted through the Student Development department at 312-329-4193 on Culbertson 2.

On-Campus Married/Family Housing

There are a limited number of apartments available for married/family students in Jenkins Hall. These are provided to students on a first-come, first-served basis. All questions related to these apartments should be directed to the Assistant Dean of Housing at 312-329-4189.

Students living in Jenkins Hall are expected to participate in floor meetings and abide by the conditions of their housing contract.

Campus Buildings

Alumni Office

Before graduating, take a minute to visit the Alumni Office located on the 1st floor of Smith Hall, across from the Welcome Desk. The friendly staff can give ideas how you can stay connected to MBI and your classmates for years to come. Visit our website at www.moodyalumni.org or follow us on Twitter, Linked In or become our friend on Facebook, at Moody Alumni Association. Remember to send us your class news to be included in the Moody Alumni News magazine (marriages, births, moves, updates). Look for future notices of class reunions or Alumni events scheduled in your area. The Alumni website allows you to make plans to visit campus, locate a fellow classmate and read about how Moody graduates are impacting our world for Christ. Through the Alumni portal, you have access to the Astra Religion Database and the Career Finder Service of Career Development. You may contact the Alumni office with questions at mbialum@moody.edu or by calling 312-329-4412.

Alumni Photo ID

The Alumni Office offers our alumni the opportunity to secure a photo ID that will allow them to visit campus and serve as a pass to the Solheim Center facilities (additional cost of \$2 per person, per visit). This is especially nice for alumni who frequently visit campus.

To receive an alumni photo ID, please stop by the Alumni Office and a representative will assist you in making those arrangements. These ID's are good for a period of 4 years.

Moody Bible Institute seeks to maintain a safe campus environment and reserves the right to regulate visitor access as they deem appropriate. Only alumni who are in good standing will be issued an ID.

Alumni Student Center

The Alumni Student Center provides a central, informal setting for students, faculty, employees, alumni, and guests to interact. The center provides the following services: informal meeting areas, computer kiosks, game room, conference rooms, the Commons, Joe's Coffee shop, student organization offices and the Office

of Student Programs. For liability reasons, the use of lighters, matches, candles, and open flames of any kind are prohibited. These are the anticipated hours of operation and may be subject to change:

<u>Alumni Student Center</u>	
Monday – Friday	6:30 a.m. – Midnight
Saturday	9:00 a.m. – Midnight
Sunday	3:00 p.m. – Midnight
<u>The Commons</u> (see page 43 for more information)	
Monday – Friday	7:00 a.m. – 11:00 p.m.
Saturday and Sunday	Closed

Although the Alumni Student Center may be open, certain areas within the building may not be available due to scheduled functions.

Lockers

On the second floor of the Alumni Student Center, there are lockers designated for use by commuting students. Any commuter student desiring a locker must apply in the Office of Student Programs. Only locks issued by the Office of Student Programs can be used. A \$25 deposit will be billed to the student's account. At the end of the student's use of the locker each semester, the lock must be returned to the Office of Student Programs. Failure to return the issued lock will forfeit the \$25 deposit.

Room Reservations

The following areas can be reserved for group functions through the Office of Student Programs: on ASC 2, the Activity Center, Conference Rooms, and Fellowship Hall and in Culbertson Hall, the Great Room. Since classes already have an assigned room location, requests for academic related events will be denied. Out of class study groups are welcome to reserve a room.

Activity Center

The Activity Center offers a private setting for group functions such as brother/sister events, special

organization presentations, etc. Along with a serving area, the tables and chairs can seat approximately 50.

Conference Rooms

There are three conference rooms to choose from in the Alumni Student Center. Two conference rooms seat 12 and the other seats 10. Two have 70" TVs for Computer hook-up. All of these rooms have a dry erase board, on campus phone capability, and internet hook-up. These rooms are for group meetings and are not to be used for individual study.

Fellowship Hall

The Fellowship Hall is comprised of clusters of casual seating. The Hall's wireless internet capability makes it a place for studying as well as a place for casual conversation among students, employees, and faculty.

On occasion, special community wide events such as concerts, film showings, drama presentations, conference displays, etc., will occur in the Hall. Also, within the confines of the Fellowship Hall is Joe's, MBI's Campus coffee shop. Joe's offers a variety of coffees, smoothies, as well as various other beverages and snacks.

During the evening hours, the Fellowship Hall transforms to a more casual atmosphere. Soft lighting, good music, friends, and the aroma of fresh brewed coffee make the Fellowship Hall an inviting place to be during Chicago's cold nights.

The following areas cannot be reserved:

Game Room

The Game Room has two billiard tables, three table tennis tables, and three foosball tables. A small seating area for board games is provided as well. Table usage is limited to 60 minutes per group. However, if there is no one waiting, participants can continue playing. Payment for damaged or lost equipment, accidental or otherwise, is the responsibility of each student.

Fireplace Room

Unlike the other parts of the Alumni Student Center, the Fireplace Room has a more serene atmosphere. Incandescent lighting, overstuffed chairs and sofas, and a fireplace, is where activities such as pleasure reading, quiet conversations, and reflection on the day's events

can be experienced. Drinks & snacks (not meals) are allowed in the Fireplace Room.

Ask a Librarian & Interlibrary Loan

The *Ask a Librarian* web form found on our homepage can be used for research questions and database help. The *Interlibrary Loan* web form can be used to order books that our Library does not currently own but is able to borrow from other libraries. This process takes 2-3 weeks. The form can be found on our website.

The lower level of the Library has been designated as a "Quiet Zone." Please be considerate of other individuals who are studying. The first floor is not a "Quiet Zone."

Cell Phones & Other Electronic Devices

The sound setting on cell phones must be set to *silent* or *vibrate*, and the volume level on listening devices using headphones must be kept low, to avoid disturbing patrons.

Talking on cell phones at a moderate volume is permitted on the first floor of the Library except in the Music/Media Lab and near the stairwell. Per library staff discretion, any patron talking loudly on their cell phone will be asked to finish the call outside the Library.

Talking on cell phones is not allowed on the lower level. If you need to answer a call, please do so in the designated areas of the first floor or in the Sweeting lobby outside the Library. Cell phones may not be used in the restrooms.

Doane Memorial has 23 practice rooms. Practice rooms on Doane 3 are accessible to all undergraduate and graduate students as well as employees, and are equipped with a piano, a music stand, and a mirror.

Grand piano practice rooms on the 4th floor of Doane can be used and reserved as needed by those taking private piano lessons for credit. Keys for these rooms are available at the front desk; please bring appropriate

collateral to exchange for the key (something of value that identifies you; examples include government-issued ID, driver's license, or your phone). Receptionists will not accept student IDs, passports, or credit cards; we reserve the right to determine appropriate collateral given the situation.

Rehearsal Spaces

The following large-rehearsal rooms are available for key check-out at any time provided an event is not scheduled in Astra (reservation is encouraged):

- Doane 101
- Doane 201
- Doane 202
- Fitzwater 405
- Fitzwater 408

Torrey-Gray Auditorium and Alumni Auditorium are available on a reservation basis only.

Reservations can be made through rooms.moody.edu; please allow one week for processing. The Music Department reserves the right to cancel a reservation in certain cases when an institutional need warrants that cancellation.

All rooms are equipped with at least one piano, and several have sound system capability (please contact ITS to make use of sound systems in TG or AA). Use of the concert grand pianos in TG and AA is contingent upon reading and signing the piano usage policy available at Doane Desk. Contact ITS for use of the sound system in TG or AA.

Locker and Equipment Checkout

1. Lockers are available on the 3rd and 4th floors for music storage. A \$5 non-refundable rental fee and a \$5 refundable security deposit are required for usage. Small, medium, and large instrument lockers are also available for a \$5 non-refundable rental fee and a \$10 refundable security deposit. If your locker key is lost, the deposit will be used to make a new key.
2. The chapel drum set is available for use with permission from the VP & Dean of Student Life. The drum set in Fitz 405 is available for use with permission from the director of Voices of Praise.
3. Music stands are available for checkout with collateral and are free of charge.

Large Instrument Storage

Storage of very large instruments, such as harps or string basses, if available, is free of charge for students who have an emphasis in that particular instrument or are playing that instrument in a music department ensemble. On a "space available" basis, students wanting to store instruments not covered by the conditions mentioned above may be able to do so for \$100 per semester or summer. The Music Department unfortunately does not have room to store drum sets except for those belonging to students who have an emphasis in percussion.

Music Ensembles

There are four large ensembles at Moody Bible Institute: Chorale, Men's Collegiate Choir, Women's Concert Choir and the Symphonic Band. These ensembles participate in music ministry tours domestically twice each year and internationally every two to four years at churches, schools, concert halls and a variety of other venues. Ensemble membership is open to students in all majors by means of audition. Auditions are held during Orientation Week in August, or may be scheduled at a later date at the discretion of the individual conductors.

Music Lessons

Private and group music lessons for most orchestral instruments, piano, organ, voice, and guitar are available for credit; current fees are posted in the course catalog. To register, contact the Office Coordinator at musicdept@moody.edu or in Doane 204.

Concerts and Music Job Opportunities

Chicagoland concerts, summer camp and competition information, and music job opportunities are posted on the bulletin boards on Doane 2. If you are looking to hire or collaborate with a musician, you can submit a request at the Doane front desk and it will be posted on the second floor.

On-campus degree and non-degree recitals and concerts are free and open to the public. Visit www.moody.edu/concerts for an updated schedule of Music Department events, or check us out on Facebook (www.facebook.com/moodymusicdepartment) for more information.

Counseling Services

One of the vital ministries of the Student Development Department is Counseling Services. MBI's staff of professional counselors is prepared to assist full time enrolled students through a variety of issues and challenges.

The counselor's offices are located on the third floor of Smith Hall, in the North Wing. Counseling Services provides assistance with struggles including (but not limited to): abuse/trauma recovery, depression, anxiety, spiritual development, relationships, grief, and stress management. Counseling Services also offers several educational and growth groups each semester.

The initial assessment is free of charge with subsequent sessions costing \$5 each. Services will not be denied if a student is unable to afford the fee.

You may schedule an appointment by calling or emailing the Associate Dean for Counseling Services at steve.brasel@moody.edu. However, counseling availability is limited and is not guaranteed for every student.

Student Resource Center

Disability Services

It is the goal of MBI to ensure that all college services, activities, facilities, and privileges are accessible to qualified persons with disabilities.

Reasonable accommodations will be made on an individualized basis. It is the responsibility of persons with disabilities, however, to seek available services and make their needs known to the Student Resource Center (SRC) at MBI.

Students who believe they have a disability which might affect their academic performance at MBI and require accommodations or auxiliary aids and services, should visit the Student Resource Center which is located on the third floor of Smith Hall, to meet with the Assistant Dean to discuss possible accommodations.

Procedures for Accommodations

Prior to receiving any accommodations, students must register with the SRC by contacting their SRC representative. In order to register, a student must complete a registration form, provide documentation detailing his/her disability and be interviewed by SRC staff. Documentation may include the following:

- A standardized measure of general intelligence (i.e., WISC-II)
- Results of academic achievement test (i.e., Woodstock – Johnson Psycho Educational Battery revised; Tests of Achievement, etc.)
- Results of specialized testing in perceptual, processing, and motor skills, as appropriate.
- A case history including input from parents, teachers, previous records, and/or the student.
- A description of any recommended accommodations(s). MBI will require some or all of the above at the student's expense. There must be sufficient, competent evidence of a specific learning disability. Individual "learning style" and "learning differences" in and of themselves do not constitute a learning disability. If necessary, a student can be referred to community agencies for comprehensive testing (at the cost/responsibility of the student).

Documentation should be directed to:

Gayla Gates, Assistant Dean for the Student Resource Center
820 N. LaSalle Blvd Smith 3
Chicago, IL 60610

Or faxed to 312-329-4479

For additional information and policy, you may request the complete Moody Disabilities Service Manual from the above or view a copy online.

Specific accommodations/services for all students with disabilities include:

- Information about special test administration and classroom adaptations
- Time extensions
- Letters to instructors discussing classroom and testing accommodations

- Referrals to Moody counseling services or outside counseling agencies
- Advising and guidance on academic, social, and personal needs

The SRC will not provide any assistive devices of a personal nature (i.e., hearing aids). The SRC will provide letters for verification of disability to the student. This process should be repeated at the beginning of each new semester and it is the student's responsibility to deliver these letters to the necessary personnel (i.e. faculty, program directors, academic advisors, etc.) After a class begins, if the student finds that additional or different accommodations are needed, the student must contact the SRC as soon as possible to make appropriate changes. The SRC will remain a liaison between the student and the rest of the Institute's community through the duration of the student's enrollment.

Dispute Resolution

If a student or faculty member disagrees with a proposed accommodation or feels that the accommodation is not being properly implemented, either party must:

- Submit the dispute in writing to the Assistant Dean of SRC. The Assistant Dean will consult with the faculty member(s) involved and the student to come up with an amicable solution. The solution will be put in writing and sent to all parties involved.
- If this fails, the dissatisfied party can appeal any decision made by the first resolution by contacting the VP & Dean of Student Life, in writing, requesting an appeal. The VP & Dean of Student Life will make any final ruling with the best interests of the Institute and the student in mind.
- Accommodations will be provided during the dispute process.

Peer Tutoring

As part of the Student Resource Center, Moody offers academic tutoring to all students free of charge. Students are allowed (2) hours of tutoring per week, per subject throughout the semester. Peer tutors are Moody students who have outstanding GPA's and have a B+ or higher grade in the specific courses in which the student may need assistance.

How to Request a Tutor

Fill out an online Tutor Request Form found on the Student Resource Center page, or contact the Student

Resource Center at studentresourcecenter@moody.edu.

The Writing Center

The Writing Center at Moody (WCM) is a free resource that can help students strengthen their papers and grow as writers. Our highly trained peer writing tutors can help with any part of the writing process, from getting started, to working with sources, to organizing an argument, or polishing for grammar and style.

Students can drop by our headquarters in the Crowell Library (Sweeting 101) with questions about a paper, or they may make an appointment by clicking on the "Writing Center" link on the Blackboard homepage.

Employment Resources

Part Time Jobs

Listings of available jobs are found at the "Chicago Campus" tab of my.moody.edu. In the Chicago Student Resources box, scroll down to the heading "Student Employment Services" and then notice the "On-Campus Jobs" or "P/T Off-Campus Jobs" links found under the Student Employment Services heading. Each link will take you to the respective job database.

With on-campus jobs you need to follow the instructions for applying and you are looking only for "Part Time Student" jobs on the listing.

When you click on the "P/T Off-Campus Jobs" you get to the CareerFinder Job Board. Under "Students and Alumni" click on "Register" and use your myMoody username and password to register. You will be sent an email that you have to respond to so that your account is validated and activated. Then you can search the jobs.

If you need advice or ideas, please see the Associate Dean of Career Development, located on Culbertson Hall 2. You can contact him by email at patrick.friedline@moody.edu or by phone at 312-329-4414 to set up an appointment.

Maximum Hours of Employment

During the semester, full-time students are permitted to work a maximum of 24 hours per week on or off campus. International students with F-1 status are allowed to work 20 hours per week on campus. We

understand that students often must work to pay for college expenses. We recommend that students carefully assess the number of hours they must work while still giving proper attention to their academic responsibilities. Any questions regarding the maximum hours of employment should be addressed with the Associate Dean of Career Development by email at patrick.friedline@moody.edu.

On Campus Student Employment and Intermission

It is the Moody Bible Institute of Chicago's Human Resources' policy that all part-time student jobs on campus are only available for students currently enrolled in on campus classes. Therefore, a student on Intermission status and not enrolled in on campus classes, though still an "active" student, is not eligible to hold a part-time student employment on campus. If you have questions about this policy, please stop by Human Resources on Crowell One on the Chicago campus, or give them a call at 312-329-4237.

Babysitting

Childcare opportunities are provided through the Career Finder Job Board that is part of the Career Development Center. Other opportunities available to students would be:

1. Church sponsored activities in the church facilities
2. MBI faculty and staff or married student's families

Babysitting is not to be done by unmarried couples, nor is it permitted on campus.

Safety

Students must be concerned about their safety when they accept employment requiring travel after dark. Women are to have a male student accompany them (if walking) to or from work during dark hours. They may choose to take a cab but should be dropped off in front of the work place or the Institute.

Students are not to take jobs which involve the use or sale of pornographic materials, bartending, or that require Sunday employment. Questions about employment policy and exception requests should be directed to the Associate Dean of Career Development.

International Student Employment

US Citizenship and Immigration Services (USCIS) is very restrictive in its regulations concerning employment of

international students. The basic requirements for all types of employment for F-1 status are the following:

1. A student must maintain a lawful status by being enrolled on a full-time basis (at least 12 hours per semester for undergraduate students and 9 hours per semester for graduate students).
2. A student must be in good academic standing.
3. A student may not engaged in illegal employment.

On campus employment is automatically authorized by the USCIS for any student in lawful F-1 status. F-1 International students are allowed to accept on-campus employment on a part-time basis (20 hours a week or less) during the semester. However, students may be employed full-time during vacations and recess periods, so long as they are registered for the next semester. If at any time, the student is engaged in any type of F-1 employment and fails to maintain lawful F-1 status, the student's authorization to work is automatically terminated. Students must terminate their on-campus employment by the last day of their study program.

Students may be allowed to accept off-campus employment (outside Moody) with proper approval from USCIS and only in unique circumstances. To apply for approval to be employed off campus, obtain forms and consult with the Assistant Dean of International Students.

After securing on campus employment, international students must apply for a social security number with the Social Security office. Once the social security card is received, students must report to Human Resources, located on Crowell 1, with the card. Students are not allowed to start their on-campus employment until after they file the SSN application.

All international students are required to file an IRS Form 8843 during the calendar year whether they have worked or not. Additionally, students who earn income are required to file Federal and State tax return forms. The International Student Office holds basic tax assistance workshops in February and March. Times for the workshops will be in the MoodyCaster and on posters around campus.

Further information is described in detail in the *International Student Handbook*. All international students are required to read the International Student Handbook as a part of their orientation requirements. The Assistant Dean of International Students can

answer any further questions about the handbook or any employment questions the international student may have. Email iso@moody.edu or stop by the International Student Office (ISO) located on Culbertson 2. You may also call the ISO at 312-329-4199.

Selling of Merchandise or Solicitation

Students who desire to sell merchandise or services on campus are required to secure permission from the Associate Dean of Residence Life. Examples would be Mary Kay cosmetics, cutting hair, providing car maintenance, etc.

Fundraising

The Office of Student programs does not question the validity of the agencies for which students desire to raise funds. Fundraising is not permitted for special interests, such as internships, covering medical expenses, financial hardship, mission trips or relief efforts, by individuals or groups. Door to door solicitation for any purpose within the Institute’s community is not permitted.

Food Service

Food Service exists to motivate the MBI community to serve Christ by exceeding expectations with fresh, wholesome meals while displaying Christ-like service and attitude as we follow through in our responsibilities. Food Service is made up of the Student Dining Room (SDR), the Commons, Joe’s Coffee and Catering.

For further information regarding menu, hours, special dates and events, please read the MoodyCaster or foodservice.moody.edu. If you have any additional questions, please direct them to the Food Service Office at 312-329-4324.

Only one piece of fresh fruit may be taken out. If books are needed to be brought into the dining room, for everyone’s safety please keep those under your chair so that the aisle ways are clear for the other students.

The 20-Meal Card is for commuter, graduate, or married student allotting 20 meals to use in the SDR at your own discretion. It is available for purchase from the Food Service Office Coordinator 312-329-4324.

Meal Replacements

All on campus unmarried students must participate in the meal plan. Meal replacements are available for students if work, class or PCM requires them to miss a meal. All students registered on the meal plan are allowed to replace a missed meal with a meal replacement in the Commons from 1:45pm-4:00pm Monday through Friday without needing approval from the Food Service office. If students are still unable, within the general time frame, to replace their missed meals due to class, work, or PCM, they must receive an approved Meal Replacement Card from the Food Service Office. Meal replacements are not available on Saturdays and Sundays. Meals are not served during campus breaks.

Meal Plan Accommodations

Due to the nature of our Food Service program at Moody Bible Institute, we are not able to make the meal plan an optional element of the on-campus student experience. We try our best to provide a variety of food options on a daily basis that will give students with varying dietary needs several options to choose from at every meal. However we do recognize that there may be medical conditions that require a special diet which cannot be reasonably accommodated in the Student Dining Room.

In order to participate in current accommodations such as gluten free, dairy free or vegetarians options, or to discuss other needs within the MBI Meal Plan, the student must submit a completed Meal Plan Exemption Application to the Student Resource Center. Full exemptions are a last resort accommodation and are granted on a case by case basis only if Food Service is unable to meet the dietary needs as prescribed by a doctor. An application can be obtained from the Food Services web page located on the foodservice.moody.edu website.

Dining Room Sign-Up Table

To reserve the front table in the SDR for your student group to showcase upcoming events please fill out the form on the foodservice.moody.edu webpage found under the SDR tab.

Students may bring guests to the SDR. Their meals can be purchased at the main entrance where cash, Visa and MasterCard, and the Moody Food Service gift cards are welcome. Rates are available by contacting the Food Service Office at 312-329-4324.

The Commons

Our retail café on the first floor of the Alumni Student Center offers deluxe made-to-order salads, Panini's and cold sandwiches along with full grill service, fresh pizza, homemade soups, salad bar and daily specials for staff and students to purchase. For guests in a hurry, we offer many "Grab 'n Go" items such as pre-made deli sandwiches, wraps, fresh cut fruit, express salads, and various snacks, ice cream, bottled and fountain beverages. During the day, the Commons is a great place for people to meet in smaller groups. In the evening many students find it is a good place to study, play games and build community. Health Service

Health Service is located on the second floor of Smith Hall offering services to all MBI students and their spouses. The Department is staffed with qualified professionals who are prepared to meet the physical needs of students. Services offered include consultation with a staff nurse, doctor appointments, referrals, and some medical testing. A valid insurance ID card must be presented at the time of service.

Hours of Operation

Health Service is open Monday – Friday from 9:30 a.m. – 12:00 noon and 1:00 – 4:00 p.m. Health Service is also closed Tuesdays during President's chapel. Hours are subject to change. Priority will be given to medical emergencies. Appointments will be seen at the time scheduled. Walk-ins will be seen in the order in which they arrive as a time becomes available.

What if Health Services is closed?

If there is a health care need when Health Service is closed, students can receive advice from their Resident Assistant (RA) or the Residence Supervisor (RS) on duty. The RS on duty can be contacted through either their RA or the Culbertson desk worker. The RS can contact the Health Service Administrator if needed.

Students who need to go to the Emergency Room should contact Public Safety. After discharge from the ER/hospital, the student should bring a copy of their discharge papers to Health Service the next business day in order to arrange for proper follow-up care.

Charges for Services

There is no charge to see a nurse in Health Service. However, there is a charge for some supplies, services, and appointments with the campus physician. All expenses incurred in the MBI Health Service area are due at the time of service. Payments can be made with cash, check, or credit card, or charged to the student's account. Required Student Health Records

To be in compliance with Illinois state laws, all undergraduate students, must have a current physical exam, immunization record (including 2 measles, 1 mumps, 1 rubella, and a current TD vaccine series/booster within the past 10 years), health history, TB skin test (less than 1 year from the date of enrollment and a minimum of 2 weeks after international travel), and HIPAA form on file in Health Service.

All students who take a semester off from MBI must update their health records upon their return, including a TB skin test (within the last year and a minimum of 2

weeks after international travel), health history, a current TD vaccine (within the past 10 years), and a HIPAA form.

Required student health records must be documented on the required MBI health record forms. These forms can be downloaded off the Health Service Website or obtained through the Health Service Department.

All records must be completed to the satisfaction of the campus physician. Health Records are due by July 15 for fall students and January 1 for spring students. Students who arrive on campus without completing the required health records must complete them in Health Service at the student's own expense. Failure to keep these records current will result in a hold being placed on the student's registration. All inquiries regarding these requirements should be directed to the Health Service office at 312-329-4417 or email healthservice@moody.edu.

Off Campus Medical Procedures, Expenses & Insurance

Students must evaluate their total school load to balance it with the urgency of any planned surgeries, therapies, or procedures in deciding when to undergo them. Since the student is here for educational purposes, it is expected that maintaining class and PCM attendance is a high priority in the timing of surgeries or procedures. In addition, students must consult with Health Service and their RS if they expect to recover from surgery or procedures while living in the Residence Halls. It may not be possible to live in the Residence Halls while recuperating from some illnesses, surgeries, or procedures.

Each student is personally responsible for any and all health care related expenses they incur while in

attendance at MBI. Each student is also personally responsible for following the payment policies of the facility where they receive medical care and paying the bill in a timely manner. Students are personally responsible for transportation to and from all off-campus health care appointments or facilities. Health Service can assist a student in finding a doctor off-campus as well as help the student find public transportation to the appointment.

All inquiries related to the student health insurance requirements should be directed to Moody Central by emailing 2020@moody.edu or calling 312-329-2020. The Health Service department is not able to answer questions regarding the MBI Student Health Insurance Plan.

Illness and Class Attendance Policy

Health Service cannot write an excuse for missed classes, assignments, chapel or PCM, due to illness. Students are responsible to notify professors about missed classes due to illness.

Any further medical documentation of illness, which might be requested by a professor, place of employment, or Academic Records, is required to be obtained from the physician giving care to the student. Health Service can only provide supporting documentation if the student was seen by the campus physician.

Possession of Syringes, Needles & Lancets in the Residence Halls

In order to comply with government regulations and protect our janitorial staff and students, all syringes, needles, lancets, or any other "sharps", or medication vials/bottles, etc. are considered hazardous waste and must be disposed of accordingly. *Any student who has syringes, needles, lancets, or any other "sharps" must report to Health Service within 48 hours of arriving on campus.*

No syringe, needles, lancets, or any other injectable medication may be on campus without a prescription from a licensed physician. No allergy injections may be given or received anywhere on campus.

Diabetics, hemophiliacs, migraine sufferers, or anyone else taking an injectable medication on campus will be given instructions on how to dispose of their used

equipment while living on campus. Anyone having syringes, needles, lancets, or any other “sharps” must have an appropriate container issued for their disposal from Health Service. The filled container, must not be filled above the maximum fill line, and must be hand-delivered, in person, to Health Service for proper disposal when it is full and when the student leaves campus at the end of the semester. The container may not be left in the student’s room, left by the trash chute or sent through CPO.

Health Care Practitioners on Campus

Physicians or other health care practitioners are not allowed to examine or treat students in the residence halls. No student is allowed to practice any healing art or therapy in the residence halls. Students who are health care practitioners are not allowed to provide professional services to others anywhere on campus unless they are employed by MBI. The individual is only allowed to provide services at the work site, on paid work time, while under the oversight of the Health Service department, or while acting solely as a “Good Samaritan” in an emergency situation.

Multicultural Student Office

Public Safety and Security

With our main campus located in the heart of the city of Chicago, Moody Bible Institute is highly committed to providing and promoting a safe environment for our students, faculty, staff and visitors. The Office of Public Safety and Security maintains a visible presence throughout our campus and is readily available to serve and assist while ensuring that our campus remains secure. Educating our students in security issues, personal safety measures, and protective strategies are all part of services we provide. It is our goal to work closely with the student body and other departments on campus to ensure that nothing hinders the educational experience or detracts from the mission of the Institute.

Additional safety information can be found on our website through my.moody.edu or on our Facebook page at www.facebook.com/MBIPublicSafety. These pages include the most recent campus alerts, elevator safety, and rape prevention information, personal safety information, instructions for fire drills and lockdown drills, and general safety information.

Behavioral Threat Assessment Procedures

The behavioral evaluation and threat assessment (BETA) team is a core group of personnel who hear concerns from their divisions about student and employee behavior and meet regularly to evaluate these

concerns. The reason for this is to do whatever is possible to notice and address out-of-the-ordinary behavior before it injures the person of concern or others.

The BETA team is designed to: identify situations of concern, investigate persons and situations that have come to their attention, assess the information gathered, and if necessary, manage persons and situations to reduce any posed threat.

Moody Bible Institute and Theological Seminary teaches students and employees that we need to have a “culture of reporting” where employees and students naturally report behavior or language that is suspicious, threatening or of a concerning nature. Each member of the campus community is in a unique position to see and hear things that they know are out of the ordinary for people to whom they are close. Observing signs of a person in crisis and reporting what you see is the best way of assisting them in getting the help they need. The goal is to channel important information from those who have it, to those who need it.

If you observe or hear of a student, staff member, visitor, or guest that is exhibiting behavior or language of a concerning nature, you should report it as soon as possible. Reports can be made in the following ways:

1. If the behavior appears to be an immediate threat to do harm to someone, call 911 for police and ambulance response; followed by a call to Public Safety (from any campus phone dial 4357). (Example: you see someone on campus in possession of a deadly weapon, indicating intent to use it.)
2. If you are uncertain about the immediacy of the threat, but are concerned about the person and what they may do, contact Public Safety. (Example: you observe bizarre behavior and fear that the person is in crisis or about to do harm.)
3. If you detect a recurrent theme or activity that could be indication of a person needing assistance, contact a member of the Behavioral Evaluation and Threat Assessment Team (BETA Team) in a timely manner. (Example: you find something written on a social media site that indicates a person is in crisis)
4. If you wish to report concerns anonymously, you can call the TIPS line at (312-329-TIPS).

Identification Cards and Fobs

To ensure the safety of both people and property, students are required to wear their IDs when inside any campus building. Students are expected to have a valid MBI issued student ID card displayed on the front of their body and above the waist. It is a priority of MBI to ensure the safety of our Institute by having all students and staff readily identified in this high profile manner.

Please immediately report lost or stolen ID cards or fobs to the Facilities Department. Replacement ID cards are available for \$5.00 and replacement fobs are \$10.00. Lost fobs can be temporarily deactivated at no charge to give the owner an opportunity to find their old fob, before purchasing a new one is required.

IDs and Fobs are the property of MBI. As such they should be returned to the Facilities Office upon final departure whether that be graduation or some other extenuating circumstance. IDs, keys, and Fobs are not to be transferred to anyone, but should remain in the owner's possession at all times. Please take note that the Fob is a type of key and if placed in the wrong hands can become a security concern.

Campus Visitors

For security and safety reasons, we require that all guests register and wear visitor IDs. Visitor IDs can be obtained at the Alumni Student Center or Crowell Hall desks by presenting a valid government-issued ID.

Fire Drills

When the fire alarm sounds, you must vacate the building. Instructions are posted in classrooms and your professors will give additional explanation. False alarms set off by students will result in a \$100-\$500 fine.

Emergency Evacuations

1. Leave lights on
2. Open blinds
3. Leave door unlocked
4. Stay with your group, class or floor
5. Do not use elevators
6. Calmly proceed to the nearest stairwell exit
7. Remain 30 feet away from the building until the 'all clear' is stated
8. Follow Floor Monitors (wearing orange vest) and emergency personnel's directions

Missing Persons

In accordance with federal law HEOA Sec.488 (g)

amended HEA Sec. 485 (20 U.S.C. 1092): added HEA Sec. 485 (j); HEOA amendment effective August 14 2008; August 21, 2009 NPRM (revised 34 CFR 668.41 (a), added 34 CFR 668.46 (b) (14) and 34 CFR 668.46 (h), which requires an institution that provides any on-campus student housing facility to include in its annual security report a statement of policy regarding missing student notification procedures for students who reside in on-campus student housing facilities, Moody Bible Institute has the following policy:

1. Upon determining that a resident student has been missing for 24 hours, the VP & Dean of Student Life or the Associate Dean of Residence Life will immediately notify MBI Public Safety and Security and the local law enforcement agency.
2. The VP & Dean of Student Life or the Associate Dean of Residence Life will notify the contact person that has been designated by the student (this contact information will be registered confidentially).
3. If the missing student is under 18 years of age and not emancipated, Moody Bible Institute will (as required by law) notify a custodial parent or guardian within 24 hours when the student is determined to be missing (if such person is different from the contact person designated by the student).

The MBI Office of Public Safety will alert the MBI Crisis Response Team (CRT) whenever a student has been reported to local police as missing. MBI personnel will also designate a contact person with the Chicago Police Department to facilitate communication, cooperation, and access to MBI information resources on all missing student cases. The MBI CRT will be updated on the investigation on a regular basis and convene when it is determined that additional resources and manpower are needed to respond.

Lockdown

A lockdown is where a building (academic or corporate) is secured in order to prevent individuals from getting in or out until an emergency situation has been resolved. If a Floor Representative receives a call from a Crisis Management Response Team (CMRT) person or a public address announcement occurs stating a lockdown is in effect, he or she should:

1. Lock all doors
2. Move all individuals and items out of view
3. Remain quiet – silence all electronic devices

4. Open exterior blinds and turn lights off
5. If a phone is in a secure area, call 911 then call HELP (x4357) and inform them of your location and the number of people in the area (use land line if possible)

Shelter-in-Place Procedures

If a Floor Representative receives a call from Public Safety or hears a public address announcement stating to Shelter-in-Place, everyone should:

1. Remain as calm and quiet as possible
2. Move to the lowest levels (tunnels), innermost hallway, or enclosed area of the building
3. Stay away from windows
4. Avoid auditoriums, gymnasiums, or other large rooms
5. If outside, seek shelter indoors.

Fireworks

Fireworks of any kind are illegal in Illinois and are prohibited from campus.

Weapons

As a community that values the worth of human life, we do not allow students to possess any kind of weapon, weapon replica or recreational device that presents a risk of injury or property damage, including, but not limited to water balloon launchers, potato guns, pellet guns, firearms, archery equipment, knives, swords, martial arts weaponry or improvised tools capable of inflicting similar injuries. Any weapons found on campus are subject to confiscation. Students found to be in possession of them will be subject to disciplinary action.

Student Parking Information

A copy of the most current parking policies can be found in the Facilities Office located in Crowell basement and online at my.moody.edu, Student Resources Tab, Parking Policies link. These policies cover vehicles and bicycles on campus. Vehicle owners are responsible for any issues concerning their vehicle or any damage incurred while it is on campus. Students are responsible for all fines resulting from parking violations.

Commuter and Resident parking passes can be purchased through the Facilities office. All students will be notified via the MoodyCaster, email and chapel announcements when permit purchasing has opened on My.Moody. Permits are purchased based on seniority, similar to class registration. Freshmen are not allowed to keep a car on campus.

Students are not permitted to loiter in their vehicles in the parking garage or any exterior lots. Security will approach vehicles, request ID, and ask occupants to move along to a safer location.

Vehicle Use and Driver Policy

Student safety, as it applies to driving vehicles, is a matter that MBI takes very seriously. The MBI Vehicle Use Policy and driver approval process applies to all students and employees who drive vehicles, including personal vehicles, on Moody related business. A copy of these policies and procedures can be found in the Facilities Office located in the Crowell basement. MBI approval must be granted before students may drive on any MBI sponsored activity. To obtain approval, contact the Facilities Office for all the necessary paperwork. Once the paperwork is complete, please give the office five days for the approval process to be completed.

Academic Information & Policies

Family Educational Rights and Privacy Act

The Family Educational Rights and Privacy Act of 1974 (FERPA) sets forth requirements which govern the access to and release of educational records, and the right of students to inspect and review their records. FERPA allows institutions to release information from a student's record without the written consent of the student to school officials who have "legitimate educational interest" and who need access to the information to fulfill their professional responsibility. A school official is a person employed by the Institute in an administrative, supervisory, academic, research, or support staff position, including law enforcement unit personnel and health staff.

In accordance with the regulations of FERPA, Moody has adopted the following policy:

Students have three primary rights under FERPA: (1) the right to inspect and review their education records; (2) the right to seek to amend education records; and (3) the right to have some control over the disclosure of information from their education records.

- Dates of attendance
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Enrollment status
- Academic program

Students who wish to release confidential academic or financial information to a parent, guardian, or other interested individual must complete a FERPA disclosure form which can be obtained from the Office of Academic Records, in addition to being located in the my.moody.edu student portal. All forms must be authorized by the student and returned to the Office of Academic Records. Completed forms will last for the duration of the student's enrollment at MBI unless otherwise notified by the student.

A copy of The Family Educational Rights and Privacy Act (FERPA), in addition to questions concerning additional student's rights, can be obtained from the Office of Academic Records (academicrecords@moody.edu or (312) 329-4469).

Cumulative Grade Point Average

A student's cumulative GPA is determined by dividing the cumulative number of grade points earned by the cumulative number of credits taken toward GPA within a student's academic career.

Scholastic Honors

Honors at graduation are based on a student's cumulative GPA and evidence of Christian character. Honors are not automatically granted to graduates. Honors are granted by the faculty and may be withheld or modified, based on the processing of final grades. The following guidelines are used to determine scholastic honors:

Highest Honors	3.80–4.00
High Honors	3.60–3.79
Honors	3.30–3.59

Academic Transcripts

Past and present students may request a transcript of their Moody academic record through Parchment Exchange, which is an online academic credential exchange platform in partnership with the Office of Academic Records. Transcript requests may not be processed for students who have a hold on their

- \$10.00 for transcript delivered electronically
- \$15.00 for domestic paper delivery of transcript
- \$20.00 for international paper delivery of transcript

Academic Credit Policies

Academic credit includes credits earned at Moody, transfer credit, test credit, and credit by examination. Institutional credit contributes to the student's grade point average, while transfer credit and credit by examination do not contribute to the student's grade point average. Final approval of academic credits is under the authority of the registrar. Moody Bible Institute does not grant academic credit for non-academic prior experience. A maximum of 75% of a program may be completed through transfer credit, test credit, or credit by examination.

Transfer Credit

Courses being considered for transfer credit must meet the following criteria:

1. The course must be taken at an institution of higher learning that is regionally accredited, accredited by the Association for Biblical Higher Education (ABHE), or accredited by the Transnational Association of Christian Colleges and Schools (TRACS).
2. The course must be equivalent in content and credit hours (i.e. 4.5 quarter hours = 3 semester credit hours).
3. The student must earn a grade of C or better. A course graded on a pass/fail basis will not transfer.
4. Credits that exceed ten years from the date of completion are not transferable toward current program requirements.
5. The course fulfills one of the student's academic program requirements.
6. Records must be submitted on official transcripts prior to the start of a student's final semester.
7. Students submitting international transcripts will be required to have a course-by-course evaluation from the World Education Services (wes.org or (212) 966-6311) or Education Credential Evaluators (ece.org or (414) 289-3400).

Test Credit

Moody Bible Institute accepts Advanced Placement (AP) Examination, College-Level Examination Program (CLEP), International Baccalaureate (IB), and other credit by examination testing recognized by the American Council on Education (ACE). Official test scores must be submitted prior to the start of a student's final semester. For a list of courses and the established acceptable scores, contact the Office of Academic Records.

Credit by Examination

Students who desire to earn undergraduate credit based on extensive personal study or other non-transferable learning may appeal for credit by examination. Eligibility for credit by examination is determined by the program head. Students must complete credit by examination prior to the start of their final semester and will be charged a fee (see Financial Information).

Earned Degree Credit

Credits used to fulfill the requirements of a degree program will not apply toward the completion of a second, equivalent-level degree at Moody.

Statute of Limitations

Academic credits completed at Moody prior to 1990 are not applicable to current academic program requirements.

Academic Integrity and Penalties for Academic Misconduct

Academic integrity requires students to be responsible and honest in the fulfillment of all of their academic work. Assignments, examinations, and other educational requirements are intended to foster student learning. Students are expected to submit original work, to use appropriate citation giving credit to the ideas of words of another person, and to refrain from cheating of any kind.

Cheating

Cheating is any act (whether successful or attempted) in which a student is dishonest or seeks to gain an unfair advantage on an assignment, quiz, paper, examination, class, etc. Some common forms of cheating include, but are not necessarily limited to:

- Using unauthorized material during an examination or other assignment

- Submitting the same assignment in more than one class
- Lying to an instructor in order to obtain an excused absence, extension on an assignment, makeup examination, admission to a class or program, etc.
- Inappropriate collaboration on classroom assignments
- Assisting others in academic misconduct

Plagiarism

Plagiarism is taking the ideas or words of another person and presenting them as one’s own whether intentional or unintentional. Intentional plagiarism is unethical and constitutes a serious infraction of academic policy. When the words or ideas of other are used, credit must be given, either in a footnote or in the text.

Penalties for Academic Misconduct

First Offense: automatic failure of any and all assignments, quizzes, examinations, or class requirements in which academic misconduct occurred.

The instructor of the course will notify the Academic Standards Committee via the registrar with an explanation of the situation. Discretion is given to the Academic Standards Committee and the Academic Dean to impose more strenuous penalties. The violation will remain on record and information concerning the incident will be communicated to all instructors.

Second Offense: automatic failure of any and all assignments, quizzes, examinations, or class requirements in which academic misconduct occurred.

The instructor of the course will notify the Academic Standards Committee via the registrar. Discretion is given to the Academic Standards Committee and the Academic Dean to determine an appropriate penalty with a minimum penalty of suspension or dismissal. A record of the violation goes into the student’s file. The Academic Dean will notify faculty of the results of this process.

Academic Probation and Dismissal

Students admitted to Moody are assumed to have the preparation, desire, and ability to make satisfactory progress toward the completion of their academic program. Therefore, Moody has established Satisfactory Academic Progress (SAP) standards that students are required to meet in order to receive financial aid and remain in good academic standing. SAP is evaluated on

a payment period basis (generally this will be at the end of fall, spring, and summer semesters) after grades are posted. The SAP standards are outlined below.

Quantitative Measure (Pace of Progress)

Students must successfully complete at least two-thirds of all credits attempted to remain in good academic standing and retain eligibility for financial aid, which include pass/fail, repeated, and incomplete courses and courses dropped after the last day to drop a course without penalty (i.e., W, WP, or WF grades).

Qualitative Measure (Cumulative GPA)

Students are required to meet SAP standards in order to remain in good academic standing and retain eligibility for financial aid. The qualitative measurement requires a certain cumulative GPA based on the number of credits earned according to the chart below.

Undergraduate Certificate and Associate Degree

Credits Earned	Minimum Cumulative GPA
< 15	1.800
15 +	2.000

Bachelor Degrees

Credits Earned	Minimum Cumulative GPA
< 30	1.800
30 to 60	1.900
> 60	2.000

Maximum Time Frame

The maximum time frame for receipt of financial aid must be no longer than 150% of the published length of an academic program. At Moody, many Bachelor of Arts degrees require students to earn 126 credits; therefore, students enrolled in a 126 credit Bachelor degree are allowed up to 189 attempted credits (including all transfer credits accepted toward completion of a student’s program) to be considered for financial aid. The maximum time limits include all credits attempted regardless of whether or not financial aid was received.

Probationary Semesters

If students are not meeting SAP at the end of a semester, they will be placed on academic probation for one semester. Students not meeting SAP by the end of the probationary semester will be reviewed by the Academic Standards Committee. The committee will choose one of the following:

- Permit the student to continue for a final semester of probation, which is subject to dismissal.
- Have the student agree to an Academic Plan for Improvement prepared by the Office of Academic Records for additional semesters of probation.
- Academically dismiss the student (see Academic Dismissal).

If the committee determines that a student can meet SAP standards by the end of one semester, then the student may return for a final semester of probation. If the committee determines that the student needs additional semesters to meet SAP standards, then the student must agree to an Academic Plan for Improvement.

Academic Plan for Improvement

If the Academic Standards Committee determines that more than one semester is needed to meet SAP standards, then agreeing to an Academic Plan for Improvement is required. The student will be presented with an academic plan for meeting the minimum standards of SAP prepared by the Office of Academic Records. The academic plan is a contract that outlines a strategy that presents the student's goal to "get back on track" and meet the standards of SAP while completing degree requirements. The plan will have strict conditions that the student must follow in order to retain eligibility for financial aid. Following the Academic Plan for Improvement provides additional semesters for the student to receive financial aid, provided the student is meeting all of the conditions of the plan. Students with an approved academic plan who do not fulfill the requirements of the plan will be academically dismissed.

Academic Dismissal

Academically dismissed students are no longer active students, will not be permitted to enroll in courses in any venue, and will not have access to their student account. Students are academically dismissed from Moody when they are no longer meeting the above SAP standards and the Academic Standards Committee determines that academic improvement cannot be made with additional semesters of probation. Students may appeal their academic dismissal status to the committee within thirty days. The committee will review the requested appeal and the final decision will be communicated to the student.

Change of Program and Campus

Students may request a change of program, major, emphasis or campus using the form available from the Office of Academic Records. Chicago campus students are not permitted to change once they have attained junior or senior status. Requests must receive department chair approval. If approved, a student's program requirements will change to the requirements documented in the corresponding academic catalog, and not all credits may apply. Program and campus changes will be effective for the semester in which the change was approved.

Students requesting a change to Moody Bible Institute Distance Learning must use the change of program form associated with that school. Students enrolled at the Spokane campus or Moody Bible Institute Distance Learning who are requesting a change to the Chicago campus must apply through the Office of Admissions.

Course Attendance

Course attendance is essential to academic achievement and the successful completion of a course. Faculty members have the prerogative to establish their own attendance and participation policies in regard to academic requirements. Students should keep absences to a minimum, making certain that any absence from a course is for extenuating circumstances. Students are personally responsible to keep a record of their absences.

Course Audits

Auditing a course allows a student to take a course without the benefit of a grade or credit for the course. Courses required for the student's academic program cannot be audited, nor can an audited course be repeated for credit. Students must adhere to the course's attendance policies, but are not required to complete course assignments unless requested by the faculty member. Audited courses are charged 50% of the current tuition rate per credit. Financial aid, including the Chicago Undergraduate Tuition Grant, will not apply toward audited courses.

Students may request to audit a course using the audit form available from the Office of Academic Records. Course audits must receive instructor approval. The approved form must be submitted to the Office of Academic Records by the end of the first week of the semester.

Course Cancellations

Moody reserves the right to cancel a course due to lack of enrollment or extenuating circumstances. In the event that a course cancellation inhibits students from meeting their expected graduation date, Moody will provide an opportunity to satisfy the course requirement. This may include an approved course substitution or the option to enroll in a directed study course. If the canceled course is an elective, the student will be presented with other elective options.

Course Drops

Grades will be assigned based on the date a course is dropped, according to the schedule below from the first day of the session, which may be earlier than the first meeting day of the course (dates are subject to change). The session for on-campus courses begins the Monday of the week when a course first meets. Specific dates for the course drop schedule may be found on the my.moody.edu student portal.

Students may drop a course through their my.moody.edu student portal from the beginning of the session up to its halfway point. After the halfway point of the session, students must contact the Office of Academic Records for approval to drop a course. Courses dropped after the halfway point of the session will be assigned a withdrawal failing grade (WF), which will negatively affect GPA. The WF grade may be appealed to become a withdrawal passing grade (WP) by following the grade appeal process below. Students are only eligible to appeal if they are passing the course at the point of withdrawal.

Students dropping courses may be permitted refunds according to the refund policies (see Financial Information section of the undergraduate catalog).

Length of Session	Drop with No Grade	Drop with Penalty (W)	Drop with Greater Penalty (WF)
16 Weeks	Day 1–7	Day 8–56	Day 57+
10 Weeks	Day 1–5	Day 6–35	Day 36+
8 Weeks	Day 1–4	Day 5–28	Day 29+
3 Weeks	Day 1–2	Day 3–10	Day 11+
2 Weeks	Day 1–2	Day 3–6	Day 7+
1 Week	Day 1	Day 2	Day 3+

Course Exceptions

Any exception to the curriculum as stated in the academic catalog must be approved by the appropriate instructor using the course exception form. Course exceptions are subject to review and approval of the registrar.

Course Extensions

Students unable to complete the requirements of a course by its end date, due to extenuating circumstances beyond the student's control, may request a course extension from their instructor. The reason for the extension needs to be valid and documented. Extension forms may be obtained from the Office of Academic Records and must be submitted two weeks prior to the end of the course. If an extension request is approved, the student will receive additional time according to the table below. All coursework must be completed by the end of the extension. Students who have received approved extensions are no longer permitted to drop the course. Students who do not complete and submit all final coursework to their instructor by the end of the extension will receive an official grade based on the coursework submitted. This may result in the failure of the course.

Length of Session	Length of Extension
16 Weeks	5 Weeks
10 Weeks	3 Weeks
8 Weeks	3 Weeks
3 Weeks	No Extension
2 Weeks	No Extension
1 Week	No Extension

Late Course Work/Extensions

Required notes, papers, or projects are due at the time appointed by the instructor. Students are responsible to learn from the instructor what special papers are required and the due dates. When it is impossible to submit course work on time, the student should consult the instructor who may grant an extension not beyond the last day of the semester.

Course Repeats

Students may repeat a course in which they have previously received a failed grade (F), withdrawal failing grade (WF), or unofficial withdrawal grade (FN) as many times as needed to successfully pass the course. The

previously attempted course will remain on a transcript in the semester when taken, but the grade for the previously attempted course will be noted with the respective replacement grade (i.e., X, WX, or XN), which will not affect a student's GPA. Students may repeat a course one time in which they previously earned a D+ or lower. Additional course repeats of repeats of higher earned grades must receive approval from the Office of Academic Records prior to enrollment.

When a course is repeated, the highest grade will be used to calculate the current and cumulative GPA. Each course attempt will remain on a student's transcript and it will be indicated as included or excluded in the student's GPA calculation. Repeated courses will be considered attempted credits and be included in the student's SAP calculation (see Academic Probation and Dismissal). Students will be charged the current tuition rate for each credit repeated (see Financial Information).

Directed Study

A directed study course is an option available to students who, due to extenuating circumstances, are not able to meet program or graduation requirements within the regularly scheduled courses. Directed studies may only be used to meet requirements for a student's designated degree program. Students must request a directed study using the form available from the Office of Academic Records. Approved directed study forms must be submitted prior to the close of registration. All coursework must be submitted within the 16-week (fall or spring) or 10-week (summer) semester.

Discontinuation

Students who do not maintain continual enrollment for each fall and spring semester will be discontinued (see Required Academic Load). Students not on probation may also voluntarily discontinue their studies at Moody by submitting the Discontinuation form to the Office of Academic Records. Discontinued students will no longer be permitted to enroll in courses in any venue and will lose access to their student account. Students who desire to return to Moody must apply for readmission through the Office of Admissions.

Expected Graduation Date

Chicago campus students are assigned an expected graduation date based on the Chicago Undergraduate Tuition Grant policy (see Financial Aid section of

undergraduate catalog). Students are allotted eight semesters (fall and spring) to complete the BA degree or ten semesters (fall and spring) to complete the BMus degree. For every 15 applicable Spokane campus credits, Moody Bible Institute Distance Learning credits, transfer credits, test credits, and credits by examination students will receive one less fall or spring semester to complete their degree. Students who need more time to complete their degree will be required to pay full tuition for each additional semester. An appeal may be submitted to the Office of Academic Records for an additional Chicago Undergraduate Tuition Grant.

Grade Appeals

Students may appeal a grade if they believe that a grade has been miscalculated or graded unfairly. Appeals must be made within four months from the date a grade is issued. After four months, the grade will be considered final and may no longer be appealed. Students must follow the process as outlined below.

- Step I The student contacts the instructor and attempts to resolve the issue. In the event the issue is not resolved, the student moves to Step II.
- Step II The student presents the appeal and supporting data in writing to the Division Chair. The instructor also submits a written summary of the issue. If the issue is not resolved at this level, the student moves to Step III.
- Step III The student presents their appeal, along with supporting data, in writing to the registrar. The registrar initiates and sets a meeting of the Academic Standards Committee after the appeal is received. The decision of the committee is final. A written response will be sent to the student as soon as a decision has been reached.

Graduation and Commencement

Graduation Requirements

Prospective graduates are responsible to complete the Graduation Process and meet the Graduation Requirements listed below.

Graduation Process:

- Verify that the below Graduation Requirements have been met or are in progress.
- Submit an application for graduation before the deadline announced by the Office of Academic Records.
- Pay the graduation fee.

Graduation Requirements:

- Successfully complete all academic program requirements, including Ministry Internship requirements.
- Submit transcripts or scores for all transfer credit, test credit, and credit by examination, if applicable, prior to the start of a student's final semester (see Academic Credit Policies).
- Maintain a minimum cumulative GPA of 2.00.
- Receive passing credit for New Student Orientation and each semester of Practical Christian Ministry.
- Demonstrate a commendable spiritual life and Christian character and display approved conduct in accordance with Moody's guidelines.
- Sign a statement of agreement with Moody's doctrinal position.
- Be approved to graduate by the Office of Academic Records and the Undergraduate Faculty.

After the above requirements have been completed and posted to official records, students are graduated and diplomas are mailed. Students who have a hold on their account may be prevented from receiving their diploma.

Students who have applied for graduation and do not complete all requirements:

- Will not graduate or be eligible to participate in the commencement ceremony.
- Must notify the Office of Academic Records of their new graduation date and plan to complete their remaining requirements.
- Must reapply for graduation and repay the graduation fee in the semester they complete all graduation requirements.

Failure to follow this process will result in program discontinuation.

Commencement Eligibility

In order to be eligible to participate in the May commencement ceremony, students must complete the Graduation Process and be actively enrolled in all required coursework by the given deadline. Students in certain majors are permitted to participate if their only outstanding requirement is a summer internship following commencement. Any other summer courses or late CLEP exams will result in ineligibility to participate in commencement. If at any point a student is no longer on track to meet the Graduation

Requirements, commencement eligibility will be revoked.

For additional information and instructions regarding Graduation and Commencement, contact the Office of Academic Records.

Intermission

Intermission allows students to retain active status in an academic program though not enrolled in residential, on-campus courses. Intermission may be requested for medical, financial, or personal reasons. Students must apply for intermission prior to the start of the semester through the Office of Academic Records and may only enroll in up to eight Moody Bible Institute Distance Learning credits or an internship. A fee will be charged to the student's account for each semester of intermission, with the exception of students who are enrolled in distance learning courses. Chicago campus students enrolled in distance learning courses while on intermission will not receive the Chicago Undergraduate Tuition Grant. Students who are in good standing may take a total of four semesters of intermission (fall or spring).

Going on intermission will affect a student's eligibility for securing or maintaining part-time student (or student part-time) on-campus employment. Please consult the employment policies concerning intermission in the Student Life Guide under "Employment resources."

Students on intermission are required to follow the Student Life Guide Standards and sign the Community Life Agreement form.

Going on Intermission will affect your eligibility for securing or maintaining part-time student employment on campus at the Moody Bible Institute. Please consult the Employment Policies section concerning Intermission on pages 40-41.

Program Completion

Program completion allows discontinued students who have 12 or fewer remaining credits to return to Moody to complete the program requirements, which are documented in the catalog in which they originally started. Students must have 12 credits or less remaining to complete their program, and must apply to return within two years of being discontinued as a student.

Students who have more than 12 credits remaining are not qualified for program completion, and must apply for readmission to complete the academic requirements as documented in the current catalog.

Required Academic Load

International Students

International students with F-1 visa status must maintain a full-time academic load (minimum of 12 credits) each fall and spring semester. A minimum of 6 credits must be taken on-campus. Students in their final semester, including summer semesters, are not required to maintain a full-time load, but must be enrolled in a minimum of one on-campus course. It is important that international students complete all their coursework, including field education, by the end of their final semester. F-1 status students may jeopardize their legal status if they are only enrolled in non-traditional format courses (directed study or online). For additional information regarding F-1 visa required academic load, contact the Office of International Students.

Term Withdrawal

Students who must withdraw from all courses during a semester for any reason should complete the term withdrawal process through the Office of Academic Records.

Unofficial Term Withdrawal

Failure to officially withdraw may result in the student receiving unofficial withdrawal grades (FN). Students are issued an unofficial withdrawal grade (FN), indicating unofficial withdrawal from a course, when they cease to attend or participate in academically related activity. The unofficial withdrawal grade (FN) negatively affects GPA. When a student receives unofficial withdrawal grades (FN) in all courses for a session, it results in unofficial term withdrawal and the return of Federal Title IV aid (see Financial Aid).

Marriage of Students

Students who plan to marry while enrolled in the Undergraduate School must schedule the ceremony during the winter or summer break periods. No student is allowed to get married while the fall or spring semesters are in session. Any questions regarding this policy should be directed to the VP & Dean of Student Life at timothy.arens@moody.edu or 312-329-4191.

Students who intend to marry while enrolled are asked to read our *Intent to Marry Information Form*. This form can be accessed on the Student Development home page of your student portal or received from the Student Development office on Culby 2. *The Intent to Marry Information Form* contains a checklist of departments to contact prior to marriage and those to contact after marriage. By contacting these departments, you will be able to: adjust your student billing to reflect your married status, change your marital status on your permanent record, and change the permanent record of the female student's maiden name to reflect their married name.

Premarital counseling is available on campus for students who are unable to meet with the pastor or person performing the ceremony. If you are interested in such services, please contact the Counseling Services staff located on Smith 3.

Marriage of International Students

International students must follow state student marriage policies along with Immigration regulations if it involves any kind of status change. Students must be aware of the following school requirements:

1. A marriage license should be obtained within each state's permissible time frame (i.e. IL is 60 days).
2. Students cannot process a Permanent Resident application before the wedding is held.
3. Students cannot be out of status or have held an incomplete F-1 status during the process of the *Permanent Residence application*.
4. Students should not falsify any information (i.e. marriage date) on documents to comply with *Permanent Resident Regulations*.

Further information can be discussed with the Assistant Dean of International Students located on Culbertson 2.

References

Students presently enrolled who are requested to submit a Moody Bible Institute reference must only use the Student Development Department as an official reference. Faculty members or other staff may provide only personal references.

Student Lists

Students are not permitted to post or distribute lists of names of other students for any reason (please see “FERPA” on page 52 for more details).

Financial Information

Student Bills

Room, board, and student fees required of all students in residence, total approximately \$6,100 - \$7,400 per semester for students housed in a double-occupancy room. The cost of books and supplies is estimated at \$500 per semester, personal expenses may total \$500–\$700 per semester, depending on the student’s needs and desires.

Special fees for music and other course fees are listed in the fees section of the catalog. Students may estimate their semester expenses by totaling all applicable fees plus personal items.

Students who remain on campus during breaks will be billed for this stay. No meals will be served during the breaks. Students who stay on campus over spring, summer, or winter break may be eligible to have their room partially paid for by a Moody department that employs them, if approved.

Payment Policies

1. Balances are due in full August 1 for the fall semester, January 1 for the spring semester, and May 1 for summer, unless the student is enrolled in the Campus Payment Plan. A \$25 late fee per month will be charged if the account balance is not received by Moody’s due date.
2. A Campus Payment Plan is available for fall, spring, and summer semesters to all Chicago and Spokane students, with the exception of International Students (F-1 Visa holders) attending their first semester. Information on this plan is available online at moody.edu/Chicago/tuition or moody.edu/Spokane/tuition-fees. For additional questions, please contact, studentpaymentplan@moody.edu or call at 312-329-4223. The cost for enrolling in the Campus Payment Plan is \$60 per semester. A \$25 fee is charged for late payments or underpayments.

Note: If students are expecting institutional scholarships, outside scholarships, stipends, or loans to help cover their balance **and it is not awarded** by Moody’s due date, they are still responsible to make

payment on time for the amount due. Contact studentbookkeeping@moody.edu with any questions regarding amount due.

Outside Aid and Your Payments

Students must communicate Moody’s payment deadlines to any scholarship or sponsoring organization so that payment can be made in full by Moody’s due date. To ensure that the amount is applied to the fall and spring semester bills by Moody’s due date, please send the check prior to August 1 for the fall semester, January 1 for the spring, and May 1 for the summer semester. If the scholarship funds are not received by Moody’s due date, students must make payment in full at that time. Adjustments to your bill will be made when the actual check is received. Exceptions to this can only be made if the scholarship organization requires certification after classes begin **and** they provide an award letter on their letterhead stating the amount of the scholarship award. Outside scholarships do not replace your regularly scheduled payments. They can, however, lower your overall monthly payment plan amount.

Methods of Payment

1. Payments can be made by cash/check at Teller Services on the fourth floor of Crowell Hall. They are open M-F 9 am – 2:30 pm. (Closed 12-1 & during President’s Chapel).
2. Students may make payments online through the my.moody.edu student portal by debit/credit card. (Discover, MasterCard, and Visa are accepted)

Others* making payments towards a student’s bill may make payments online with a debit/credit card at Non-student payment. (Discover, MasterCard, and Visa are accepted)

*Matric deposits and outside scholarship payments may not be made online.

3. Payments by check* or money order* may be sent to:

Moody Bible Institute
Attn: Student Accounts

820 N. LaSalle Blvd.
Chicago, IL 60610

*Please include student name and ID # on all checks and money orders and allow 2-3 weeks for mail delivery.

Health Insurance Requirement

All Chicago campus residential students and international students with F-1 status (including spouses and children) are required to be covered by a health insurance plan that provides for hospitalization and medical-surgical coverage in the event of sickness or accident for the entire time they are enrolled as a student, including breaks between semesters. All students are personally responsible for any health care expenses not covered by their insurance, (deductibles, copayments, excluded items and services, etc). Students are responsible for knowing and following the procedures of their insurance company, including remaining current with any forms to be submitted, and for following the payment policy of the health care provider, office, clinic or hospital from which they receive services; this may mean that payment is required at the time of service.

All Chicago campus and international students will be automatically enrolled in and charged the Student Individual Plan premium and remain on that plan unless we receive an alternate enrollment form or waiver form. If a student chooses another insurance plan, he or she must provide the Institute with evidence that coverage is in effect by submitting a completed waiver of insurance form. This form must be submitted with a copy of both sides of their current insurance card once each school year, prior to the fall semester (or the first semester of the school year during which the student is enrolled). The deadline to submit enrollment/waiver documents for Fall semester is August 1st; Spring semester is January 1st. Students who do not submit documents prior to these deadlines will remain on the MBI student health plan and will be responsible for the full semester premium. Commuter students are eligible to participate in the MBI Student Insurance program provided that one or more of the following conditions apply: (1) full-time status, (2) Educational Ministries students completing their student teaching, (3)

graduating seniors in their final semester. Enrollment and waiver forms can be found at www.my.moody.edu.

Chicago undergraduate students living off campus are not required to show proof of insurance but must submit an insurance waiver form to be removed from the student health plan.

International students with F-1 status (including spouses and children) desiring to waive Moody's insurance plan must be covered by an insurance company based in the United States. These students must show proof that coverage is in effect for the entire year at the beginning of the school year. Foreign and travel policies will not be accepted.

For additional information about the Moody Student Health Insurance Plan, please visit www.cirstudenthealth.com/moody or contact the Insurance Coordinator at (312) 329-4223 or studenthealthinsurance@moody.edu.

Check Cashing

Teller Services is located on fourth floor Crowell Hall and is open M-F 9 a.m. – 2:30 p.m. (closed 12-1 & during President's Chapel). At Teller Services students may cash personal checks up to \$50 provided students' financial obligations to the Institute are in satisfactory condition. A personal check is a check a student writes to himself/herself drawn on the student's personal checking account. Checks for cash should be made payable to "cash." Moody student payroll checks may be cashed at the teller window.

Campus Payment Plan

The Campus Payment plan is an interest free alternative to a lump sum payment of the student bill. The plan is available to campus students with the following exceptions:

- International students attending their first semester.
- Students with balance remaining from prior semester.

This plan allows the semester total to be split into five payments** for the fall and spring semesters, two

payments ** for the summer semester due the first of each month (see Payment Plan Details below).

The Payment Plan open enrollment dates are May 1 – June 30 for the fall Semester, October 1 – November 30 for the spring semester, and April 1 – 30 for the summer semester. There is a non-refundable \$60 enrollment fee per semester Students may choose to participate in the plan for one or all semesters. Students must have a \$0 balance before enrolling in the payment plan for the subsequent semester. It is the student's responsibility to enroll in the payment plan each semester. The payment plan **does not** carry over to future semesters.

Payment Plan Details

Semester	Enrollment Date	Payments (due the first of each month)	
Fall	May 1—June 30 \$60	July, August, September, October, November	
Spring	October 1—November 30 \$60	December, January, February, March, April	
Summer	April 1 – 30 May, June \$60		
Other Fees	*Late Enrollment \$10	Late Monthly Payment \$25	Returned ACH/Check Fee \$25

**Enrollment forms submitted after the above dates will be charged an additional \$10 late fee.*

****Monthly Payment amounts are subject to change as subsequent charges are added to the student bill.**

Additional information about the Moody Payment Plan can be found on the student portal at my.moody.edu> Students>Moody Central>Student Accounts> Moody Payment Plan Enrollment or contact 312-329-4223 or studentpaymentplan@moody.edu.

Financial Aid

Tuition-Paid Program—FAFSA required

Moody Bible Institute has been providing a tuition-paid education on its Chicago campus for all undergraduate students for over 125 years. The current model is made possible through the Chicago Undergraduate Tuition Grant, funded by gifts from generous donors, as well as grants from Title IV programs (federal Pell Grants and federal Supplemental Educational Opportunity Grants) accepted on behalf of eligible Moody students. The total tuition charge for each full-time Chicago undergraduate campus student is covered through these means, assuming the student annually submits the FAFSA so as to be eligible for MBI grants. Those who do not complete the FAFSA or complete the required paperwork will be responsible for the cost of tuition (\$9,600 in 2014–15). This FAFSA requirement does not apply to international students (F-1 status).

Scholarships

Each student must complete the FAFSA in order to be eligible for Institutional Scholarships. The Financial Aid department utilizes the FAFSA to determine the financial need of a student. Any scholarships awarded will be offered annually. Students must re-apply each year.

Applications are available online in the student portal: www.my.moody.edu

For any questions on financial aid, please contact us at 312-329-4184. Our fax number is 312-329-4274 and email is financial.aid@moody.edu. If sending documents or **outside** scholarship checks, please send paperwork to Moody's address:

Moody Bible Institute
Attn: Financial Aid Department
820 N LaSalle Blvd
Chicago, IL 60610

Loans

Students who borrow their Federal Direct Loans will need to complete all necessary paperwork required by the Financial Aid office, including accepting the loans in their students center, completing Entrance Counseling and their MPN online at <https://studentsloans.gov/myDirectLoan/>. For students who will not be taking out their students loans, you must decline your loans in the student center.

Veterans Benefit Policy

For more information regarding VA Benefits please visit our website at www.moody.edu.

Student's eligible for Veteran's benefits may be certified by the VA certifying official. To receive or continue receiving benefits the Veteran must be registered for classes prior to the start of the semester. The VA certifying official will report to the VA the number of credit hours for which the student is enrolled. However, if the student adds or drops a course after the start of the semester they must notify the VA certifying official to ensure the correct information is submitted to the VA.

If you are using your benefits at Moody for the first time, please notify the VA certifying official at financialaid@moody.edu, that you will be using your benefits.

Disciplinary Descriptions

Possible disciplinary actions and consequences are as follows:

DISCIPLINE	DESCRIPTION
<i>Community Service</i>	The student will complete work hours benefiting the community as assigned by Residence Life staff or the VP & Dean of Student Life.
<i>Fines</i>	Assessed for rule violations and certain behaviors, particularly those causing harm to property, expense to MBI, or disruption to Institute processes
<i>Formal Reprimand</i>	A formal reprimand will be given to a student whose character/conduct is unacceptable by community standards. Failure to respond positively may lead to further discipline.
<i>Warning Status</i>	A status which a student is placed in when he or she is in jeopardy of more serious disciplinary action. A student may lose his or her leadership position or the privilege of representing MBI. Further conditions of disciplinary action are outlined in a written statement.
<i>Disciplinary Probation*</i>	Short of dismissal, Disciplinary Probation is the most serious statement made by the Institute regarding a student's conduct. A student may be placed on disciplinary probation without a formal warning if the infraction is deemed serious enough by Student Development. During the probationary period, a student may not represent the Institute on any musical or athletic team or student group and will forfeit his or her privileges as a student leader. Students on Disciplinary Probation in their final semester may not graduate.
<i>Dismissal*</i>	The student must leave school for a minimum of one year after which he or she may be considered for readmission at the discretion of the VP & Dean of Student Life and the Dean of Admissions. A student dismissed by college authorities will not be entitled to any refund of room and board or student fees.
<i>Expulsion*</i>	The student must leave school immediately and will not be readmitted.
<i>Withdrawal*</i>	The student is permitted to withdraw without privilege of returning until a time specified by the VP & Dean of Student Life or the Associate Dean for Residence Life.
<i>Multiple Probations</i>	Students who are simultaneously on two probations (i.e., academic, chapel, or disciplinary) during a semester may be required to withdraw for the following semester. After the semester away, the student must complete a readmission application and have a personal interview with the VP & Dean of Student Life prior to re-admittance.
<i>Additional Sanctions</i>	a) Loss of privilege b) Developmental/educational assignments c) Referred for counseling and/or assessment d) Restitution/reconciliation

All Users of Moody Bible Institute Network

Policy

Information Technology Services is the MBI Department that provides access to the MBI computer network for all students, faculty, and staff. The MBI computer network consists of a campus-wide backbone network, local area networks, and many shared computers as well as personal desktop computers. Information Technology Services works to insure that network rights and responsibilities are not violated. This policy will be considered as a part of the "Student Life Guide" and "Employee Information Guide."

Rights

Members of the MBI community can expect certain rights as they use the network and its services.

* Privacy: All members of the community are entitled to reasonable privacy in their electronic mail. However, it must be recognized that electronic communications are by no means secure, and that during the course of ordinary management of computing and networking services, network administrators may inadvertently view user files. In addition, if a user is suspected of violations of the responsibilities as stated in this document, that user's right to privacy is superseded by the Institute's requirement to maintain the network's integrity and the rights of all network users. User files may be examined under the direction of the Executive Cabinet member responsible for the area and one other member of the Executive Cabinet or the Vice President of Information Technology Services in concurrence with the Executive Cabinet member responsible for the area.

* Safety: While unwanted or unsolicited contact cannot be controlled on the network, network users who receive threatening communications should bring them to the attention of Information Technology Services and/or the Chief of Public Safety. Users must be aware, however, that there are many services on the Internet that might be considered offensive to groups of users, and therefore network users must take responsibility for their own navigation of the network.

* Access: Information Technology Services under the direction of the Executive Cabinet reserves the right to limit access to certain areas of the Internet that are of questionable nature. The Employee Standards section of the Employee Information Guide and the Community Living Standards of the Student Life Guide will be used as guideline documents to identify what is of questionable nature.

Personal Use of Computer Resources

All students are given access to Moody Bible Institute's computer resources, which may include hardware, software, and Internet access as part of their educational experience. The access of certain sites on the World Wide Web that are restricted during normal business hours may be unrestricted at other times. This does not include questionable sites as determined by the Executive Cabinet. If a site is restricted that you feel should not be restricted please

contact Information Technology Services at Ext 4001. If you find a site of questionable nature please contact Information Technology Services at Ext 4001 so that we can take the appropriate action.

Security

All students and employees should take reasonable and appropriate action to protect the Institute's data, software, and computer equipment along with your data, software and computer equipment. Some of these actions may include but are not limited to:

- Signing off of all computer networks when you are not using them.
- Backing up critical data on a regular basis. Information Technology Services will only retain e-mail messages that are less than **120 days** old.
- Closing and locking doors when no one is present.

Responsibilities

There are also responsibilities that must be met as part of the privilege of network access. Network users are expected to live up to these responsibilities. If you violate a network responsibility, your network access may be suspended. Depending on the seriousness of the violation, you could be referred through the Institute disciplinary procedure process. Violations that also violate federal or state laws will result in referral to the appropriate legal authority.

1. You are responsible for the use of your MBI account. You may not give anyone else access to your account. **You will be held accountable for all usage on your account.** You must not use an MBI computer account that was not assigned to you. You may not try in any way to obtain a password for another user's computer account.
2. You are responsible for the security of your password. This includes changing it on a regular basis and making sure no one else knows it.
3. You are prohibited from the following:
 - a. Misrepresenting yourself or your data on the network.
 - b. Using MBI's network resources to gain or attempt to gain unauthorized access to any MBI or remotely connected computers.
 - c. Extending the Moody computer network by connecting routers, switches, hubs, wireless access points, etc. without approval from Vice President of Information Technology Services or the Division Manager of Enterprise Infrastructure Services.
 - d. Performing an act that will seriously impair the operation of computers, terminals, peripherals, or networks. This includes, but is not limited to, tampering with components of a local area network (LAN) or the high-speed backbone network, otherwise blocking communication lines, or interfering with the operational readiness of a computer.
 - e. Running or installing on any of MBI's computer systems, or giving to another, a program which could result in the eventual damage to a file or computer system and/or the reproduction of itself. This is directed towards, but not limited to, the classes of programs known as computer viruses, Trojan horses, and worms.
 - f. Attempting to circumvent data protection schemes or exploit security loopholes.
 - g. Performing acts which are wasteful of computing resources or which unfairly monopolize resources to the exclusion of others.
 - h. Attempting to monitor another user's data communications, nor may you read, copy, change, or delete another user's files or software, without permission of the user.
 - i. Violating the terms of software licensing agreements and copyright laws.

- j. Making copies of copyrighted material (software programs, music files, video files, audio files, etc.) or making copyrighted material available on the network unless permitted by the software license agreement. We recognize that some material that is available on the Internet may not be copyrighted. But we are required by law to support the prosecution of any individual or individuals who make or distribute copyrighted material.
4. The following types of information or software cannot be placed on any Institute-owned computer system:
 - a. That which infringes upon the rights of another person.
 - b. That which gives unauthorized accesses to another computer account or system.
 - c. Software that will violate any copyright laws.
 - d. All anti-virus software is required to be up to date.
5. Network and computer resources are provided to support the mission of the Institute. These resources may not be used for private commercial purposes.
6. Any network traffic exiting the Institute is subject to the acceptable use policies of the Internet, rules of discussion forums in which you participate, and to the policies listed here. See the Qwest Acceptable Use Policy.
7. Information that is published electronically using World Wide Web, Kiosks, Online Forums, or similar electronic applications for broad general consumption outside of the Institute shall be subject to the same standards as conventional publications with respect to the representation of the Institute.
8. Access to information resources beyond the Institute's network (e.g. the Internet) is available and encouraged. However, accessing these resources through a means other than the MBI network while connected to the MBI network (e.g. accessing the Internet through a broadband or DSL connection) may cause a security risk and is therefore prohibited. This includes but is not limited to accessing the Internet via a separate ISP while still connected to the MBI network. In most cases, the same services provided by other providers can be obtained via the Institute's Internet connection.

Information Technology Services and your department head or dean should be notified about violations of computer laws and policies, as well as about potential loopholes in the security of its computer systems and networks.

Copyright Guidelines

All use of copyrighted material must conform to copyright laws and guidelines.

Copyright and Peer to Peer File Sharing

See [Copyright and Peer to Peer File Sharing Policy](#) located on the Moody Portal.

Software

Unless you have written a program for your personal use, you do not have the right to make and distribute copies of programs (software, music files, video files, audio files, etc.) without specific permission of the copyright holder. Software programs are protected by Section 117 of the 1976 Copyright Act. Federal copyright laws protect most MBI software. Educational institutions are not exempt from these laws. Software is also protected by the license agreement between supplier and purchaser.

Software provided by MBI can only be used on the computer equipment specified in the software license. It is against Institute policy to copy or reproduce any licensed software on Institute computing equipment or personal computing equipment, except as expressly permitted by the software license.

Unauthorized copies of software may not be used on Institute owned computers or on personal computers housed in Institute facilities. Unauthorized use of software is regarded as a serious matter and any such use is without consent of Moody Bible Institute.

Information Technology Services reserves the right to remove unauthorized software from any Institute-owned computer or personal computer housed in Institute facilities.

Print Material

Copyright laws protect any printed or recorded material that is used in conjunction with a computer resource.

The issue of copyright laws is a serious matter as it pertains to software. An organization called the Software Publishers Association (SPA) has the right to come in and inspect Moody to verify that we are using legal copies of software. This means that for every copy of software that we have on a computer we need a license indicating that we purchased it or it was received from someone for no charge. There are cases where companies have been fined hundreds of thousands of dollars because they could not prove that they owned the legal right to use the software. It is critical that we ensure that we have legal copies of software on all of our computers.

Policy

Due to significant lobbying from the Motion Picture Association of America (MPAA) and the Recording Industry Association of America (RIAA), the US congress has revised the Higher Education Opportunity Act (HEOA) to address copyright law and file sharing. Title IV of the HEOA legislation deals with Federal Student Assistance, including Pell Grants, the Family Education Loan Program, the Work-Study program, Direct Student loans, and Perkins Loans. However, the reporting requirements of HEOA Title IV now also stipulate that all US colleges and universities must provide:

- An annual disclosure to students describing copyright law and campus policies related to violating copyright law.
- A plan to "effectively combat the unauthorized distribution of copyrighted materials" by users of its network, including "the use of one or more technology-based deterrents".
- A plan to "offer alternatives to illegal downloading".

Copyright Law

Copyright law provides protections to creators of works against the unauthorized duplication and distribution of the works. In exchange for these protections, the public is provided with specific rights for "Fair Use" of copyrighted works. More specifics about on copyright law and fair use are available at the following sites:

- The US Copyright Office: <http://www.copyright.gov>
- The Copyright Office's FAQ page: <http://www.copyright.gov/help/faq/>
- Chilling Effects explains Fair Use: <http://chillingeffects.org/>

Copyrighted works that are easily stored in digital form, such as software, music, videos, and photographs, can be easily acquired and distributed over computer networks, using freely available file sharing software. However, despite the ease of such transfers, it is illegal to download, and especially to distribute, such copyrighted works without authorization.

Since such activity is illegal, it is prohibited by general Institute policy, and covered by the disciplinary procedures in our student and employee handbooks. In addition, using the MBI network or any other MBI technology resource to copy, store, and/or distribute copyright-infringing material is specifically prohibited by the MBI Computer Use Policy, located on the MBI Portal. All campus users acknowledge this policy when they register personal computer equipment on the network. Loss of campus network access and/or disciplinary actions as specified in the handbooks may result from continued illegal activity by members of the Institute community.

Every user is responsible for their own compliance with the law. Using the MBI network does not in any way shield you from potential law enforcement actions; users who download or distribute copyrighted works may face civil or criminal penalties in addition to sanctions based on Institute policy.

Penalties for Copyright Violation

If a copyright owner successfully prosecutes an infringer, the penalties are set at "not less than \$750 or more than \$30,000" per infringing work. However, if the copyright owner can establish that the violation was "willful" the penalty can be \$150,000 per work. (from US Code Title 17 Chapter 5 Section 504:

<http://www.copyright.gov/title17/92chap5.html>)

Furthermore, The US No Electronic Theft Act establishes that penalties can be charged even if the infringer did not profit in any way from the violation. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. (See http://en.wikipedia.org/wiki/NET_Act)

File Sharing Software

Much of the illegal distribution of copyrighted works is done with peer-to-peer (P2P) file sharing software. There are many different peer-to-peer protocols used for sharing, such as BitTorrent and Gnutella, but the primary characteristic of P2P systems is that there is no central server holding the shared files. Instead, every client computer can both download files for local use, and serve files for download by other peers. Thus, if you install peer-to-peer file sharing software, it is your responsibility to assure that it does not illegally serve any copyrighted material on the peer-to-peer network. Since these networks only function if many peers share, the default action of most file sharing packages is to automatically share local files.

Note that some peer-to-peer software, particularly BitTorrent, is used as a legal distribution channel for Open Source and other free software, and for other works that are in the public domain or licensed for distribution. Thus, using P2P software is not inherently illegal, but users must be aware of the licensing and distribution requirements of every file they transfer. Also, as noted above, users must be very careful to not inadvertently share copyrighted files from their own systems.

P2P file sharing can consume large amounts of network bandwidth. Since bandwidth from our campus to and from the internet is a scarce and expensive resource, Information Technology Services attempts to limit the amount of P2P traffic. If you need to download legal material from a P2P source, please contact Information Technology Services for assistance.

Tracking File Sharing

Internet communication is not anonymous: Every packet of data sent or received includes the source and destination IP addresses of the computers sending the traffic. Moreover, these globally unique addresses are registered to their providers, as this is necessary for routing data. Also, P2P client software must advertise the files it has to share, or else the P2P network would not function. Therefore, major producers of copyrighted works hire companies to track file sharing, which they can do easily by using the same P2P software as everyone else. If a peer is found to be sharing (distributing) or offering to share copyright-infringing content, the agents send violation notices to the infringer's Internet service provider (i.e. MBI). The Information Technology Services department occasionally receives notices of copyright infringement, and we are required by the HEOA regulations to take action on these notices. Information Technology Services will attempt to find the user who had use of the IP address in question, and to forward the copyright violation notice to the user.

Note that the Institute does not provide any network access to these copyright enforcement agents; any evidence of file sharing they detect is publicly available on the internet. We will not release any user information or network logs to such agents unless required by subpoena or other legal means.

Legal Sources for Music and Video

There are many on-line sources that give legal access to copyrighted music and video.

- EDUCAUSE, an association of colleges and universities, maintains a list of legal media sources: <http://www.educause.edu/legalcontent>
- The MPAA provides a similar list of video sources: <http://www.mpa.org/contentprotection/get-movies-tv-shows>

HEOA Compliance Statement

Moody Bible Institute has implemented the following plan for compliance with the file sharing and copyright protection provisions of HEOA:

1. The Institute sends regular emails (at least annually) to all campus network users to educate our users about copyright law and illegal use and distribution of copyrighted works. These messages include references to this document, which specifies campus policies dealing with illegal activity, and outlines the penalties for copyright infringement that are codified in US law.
2. The Institute uses the following deterrents as part of our plan to effectively combat the unauthorized distribution of copyrighted materials by users of our network:
 - All incoming students are required to attend orientation sessions where copyright laws and penalties are discussed.
 - Our network employs a gateway firewall at the Internet border that prohibits internal hosts from sharing files externally via peer to peer networks.
 - Moody Bible Institute’s Information Technology Services department will acknowledge the receipt of each copyright violation notice it receives, and will endeavor to identify the users of the IP addresses referred to. The copyright infringement notices will be forwarded to any identified users, who may face loss of network services and/or other disciplinary action in accordance with institute policies.
3. This document provides links above to lists maintained by EDUCAUSE and the MPAA of legal video and music sources.
4. Information Technology Services will undertake an annual audit to assure the effectiveness of our technical deterrents and our compliance with the requirements of HEOA that pertain to Copyright and File Sharing.
