## Assignments

1. **Weekly Studies for the first six weeks:** This is the heart of the course. Each study is worth five percent of your grade. The studies include the Bible passages with related questions and additional assignments. The assignments are designed to enhance your discussions and influence the participation component of your overall discussion grade as well as your study grade. Complete the entire study for each weekly study grade. The appropriate studies are included in each week's resources folder. Grading requirement for each weekly study includes the student's tracked and reported hours spent on each study. However, the final grade for the weekly study will be subject to the instructor's review of the submitted study.
2. **Scripture Memory:** An important aspect of the course is scripture memorization. One verse will be memorized each week and a self-correcting quiz on each verse is to be taken. The verses AND topics must be memorized.
3. **The Wheel Project in Week Seven:** The Wheel is a ministry tool that is designed to help you think intentionally about disciple making. The project involves analyzing The Wheel, thinking through how to use it and studying the Scriptural basis of it.
